A passion that defies the stars. . . Four weeks ago, ex-army Major Areg Sebi was thrown into prison. Now he's on the scaffold, laying his head on the block. No public trial for the disgraced war hero. No cyborgs from the League of Realms to whisk him away. No help. No escape. A priestess chants a prayer for the major's soul, even as a judge cries out, "Death to the traitor!" In the crowd below, laundry maid Etana Tidryn stares into Areg's eyes. His lips were hot against hers last night. His hands roamed her body, worshipped her, pleased her. She's falling for him, hard and fast. She's still hoping, even if he's given up... Can Etana transcend everything she knows--transcend life itself--to save him? Can she rise to meet her destiny? THE TRAITOR'S BRIDE is the first novel in a series of connected sci fi romances. This volume features Etana and Areg's love story, and introduces readers to the world of Xereill. Xereill's top cyborg Keiron Yaggar can have any woman in the galaxy. But it's the foxy stranger the colonel meets on his long-overdue vacation who catches his eye. Linni from Ittroise, as she introduces herself, is taking a week off work, and is on the same Two Planets and a Moon Tour as Keiron. The young woman fascinates him. Her proud bearing, the way she gazes at the stars, the way she's not awestruck by his position or stature... Not to mention the nerve she displays when the pair run into some very dangerous people on the deceptively idyllic Tastassi, the second stop on the tour. Once Keiron returns to work, he'll look into that planet. He'll also look into Linni, because there's more to this young woman than she lets on. Much more. Somehow, she's breached his defenses... and made his desire flare after their torrid night of passion. Keiron knows he isn't letting Linni go so easily. What Xereill's top cyborg doesn't know is that he's fallen for the one woman in the galaxy he cannot have... THE CYBORG'S LADY is a prequel to the Keepers of Xereill space fantasy romance series. He saved her life. But he must hold her captive. Screaming and kicking. Hating him. Craving him... Lady Nyssa Sebi lost her parents in a freak accident. Her brother is unjustly condemned to death. Locked away in Commander Heidd's residence, Nyssa is the hostage of corrupt thugs who rule the land. Oh, how she hates them! But the one she abominates above all is her captor. During the war, Heidd was her brother's commanding officer. He was Nyssa's idol, her biggest crush... Until he betrayed everyone. Commander Jancel Heidd sacrificed his honor to protect Nyssa. It's killing him to see her so miserable, so disgusted with him. But she's safe. Jancel will do anything to keep it that way. He'll shield his spunky captive from the depraved police chief, the ruthless governor, and the deadly cyborgs. The only monster he can't save her from is himself. THE COMMANDER'S CAPTIVE is the second novel in a series of connected sci fi romances. This volume contains Nyssa and Jancel's complete story, and concludes Etana and Areg's (THE TRAITOR'S BRIDE).
