The Nazi regime, under the leadership of Adolf Hitler, has surged to power and now hold Germany by the throat. All non-Aryans—especially Jews like Jacob and his family—are treated like dogs. When tragedy strikes during one terrible night of violence, Jacob flees and joins rebel forces working to undermine the regime. But after a raid goes horribly wrong, Jacob finds himself in a living nightmare—trapped in a crowded, stinking car on the train to the Auschwitz death camp. As World War II rages and Hitler begins implementing his “final solution” to systematically and ruthlessly exterminate the Jewish people, Jacob must rely on his wits and a God he's not sure he believes in to somehow escape from Auschwitz and alert the world to the Nazi's atrocities before Fascism overtakes all of Europe. It provides carefully selected historical and scriptural evidence that enables readers to form a comprehensive balanced vision of Islam's evolution. Author Alexander Knysh shows Muslims have made sense of their life experiences by constantly interpreting and re-interpreting Islam's foundational ideas in accordance with ever-changing social and political conditions. In addition to the combined historical and chronological approach, the author offers in-depth discussions of intellectual dialogues and struggles within Islamic tradition. He shows Islam to be a social and political force, while addressing Muslim devotional practices, artistic creativity and structures of everyday life and provides a wealth of historical anecdotes and quotations from original sources that are designed to illustrate principal points.
