

The Unicorn In The Barn

From the creators of the "New York Times" bestseller "Dragons Love Tacos" comes a rollicking, rhyme-tastic, interactive book where kids discover the lost art of the high five and improve their slapping skills. From hand-limbering stretches to lessons on five-ing with finesse, readers are guided through a series of interactive challenges. Full color.

Simplified Chinese edition of Because of the Rabbit

Simplified Chinese edition of The Runaway Bunny - a Margaret Wise Brown and Clement Hurd classic parents everywhere read to their children, reassuring that no matter what they do, a mother's love is always constant.

Stories are something you carry with you, something to last your entire life, to be passed on to your children, and their children for evermore.' Duncan Williamson came from a family of Travelling People, who told stories around the campfire for entertainment and for teaching. As a child, Duncan learnt the ways of the world through stories: 'My father's knowledge told us how to live in this world as natural human beings -- not to be greedy, not to be foolish, not to be daft or selfish -- by stories.' In this collection, he passes on some of these wonderful children's folk and fairy tales. For over sixty years Duncan travelled around Scotland -- on foot, then in a horse and cart, and later an old van -- collecting tales, which not only come from the Travelling People but from the crofters, farmers and shepherds he met along the way. This collection includes tales about cunning foxes and storytelling cats, hunchbacked ogres and beautiful unicorns, helpful broonies and mysterious fairies, rich kings and fearsome warriors, as well as those about ordinary folk trying to make their way in the world. The stories have been written down as faithfully as possible to Duncan's unique storytelling voice, full of colour, humour and life.

From the bestselling author of How to Train Your Dragon comes an exciting high-adventure series--set in a magical time, full of Wizards, Warriors, Giants and Sprites. This was once the story of a young boy Wizard and a young girl Warrior who had been taught since birth to hate each other like poison. But now, the boy Wizard and girl Warrior have been brought together in the Badwoods and they have witnessed the shocking consequences of the Stone That Takes Away Magic. They will need to cast aside their differences once more--for an Evil Spell has broken free. It's up to Xar and Wish to find the ingredients. But it means entering dangerous territory unannounced... Cressida Cowell brings her trademark wit to this spellbinding sequel, along with the stunning artwork and heartfelt adventure that has made her beloved around the world, weaving a story that is sure to transport readers to a world that will enchant and bewitch them.

From the bestselling authors of Yesterday's Gone, The Inevitable, Invasion, and Fat Vampire comes A Fistful of Magic: Unicorn Western Book Three a reinvention of both the western genre and unicorn lore. After pursuing Dharma Kold and his captive Mai to the holy town of Precipice, Clint and his unicorn Edward find the dusty village possessed — subdued by two warring bosses who are both looking for an ancient and powerful artifact. One of the factions is being controlled by Kold's dark magic, but the other, it seems, might be even more dangerous. Edward has warned that the Orb of Malevolence, in the wrong hands, would be lethal to the very fabric of the world, so Clint and Edward must get in the middle of the two dark and vying factions and find the Orb first... or die trying. ????? "Without question, I was surprised at how much I enjoyed the writing. The main character, Edward, is a unicorn. I say this, because though our hero is Clint, the gunslinger, he is cast in the role of sidekick. It is a fun dynamic between the two. The writing is top notch and at times seems to hint at Douglas Adams." -- Brian D. Meeks ????? "I flew through this episode/book as if I were starving...and in a way I was. Finished the first two and couldn't wait for

#3. Luckily I didn't have long to wait. LOVE, LOVE, LOVE Edward, Clint and heck, even the bad guys!" -- Jkaustin02 ?????? "Well-written and engaging. Excellent climax. A large part of this book is an homage to A Fistful of Dollars, and it is done extremely well, in a way that invokes the original, but treads on totally new ground (especially the final battle---unforgettable!). Well worth your time." -- Michael Elliot ?????? "Holy mindfuck Batman! Not to sound creepy but your brains are now on magnificent display in MY mind palace. Thanks for the awesome reads." -- Billie Goodman A Fistful of Magic is book three in the 9-book Unicorn Western Series. It's like Stephen King's The Dark Tower, but with more magic, more fun, and more turkey pie. Read the entire completed series today!

Called an "enchanted, compassionate tale" by Booklist, this tender and illustrated middle-grade fantasy about a boy and the unicorn that changes his worldview is perfect for fans of Hello, Universe and Katherine Applegate.

The Magical Cloud Calamity By: Patricia Macko The age-old practice of cloud watching is a form of entertainment that is passed down from generation to generation. Who doesn't remember a day in their childhood, laying on the grass and looking up at the fluffy white clouds in the sky as they take the shape of animals, people, and interesting objects? This book is the result of doing just that with the author's grandchildren. The Magical Cloud Calamity turns this activity into an adventure for twins Cody and Rose as the result of a secret shared with their beloved Gram. The author hopes this book will help children and grandparents everywhere find that cloud watching together will create fond memories for years to come.

Thieves aren't known for doing other people favors, but a unicorn is a treasure of a whole different color. Winter was on her way out of town anyway, so what's a little baggage? Never mind that fleeing Anton with a barely weaned unicorn could get her killed or thrown in prison if she gets caught. Winter is a skilled thief. It should have been an easy job. She wasn't counting on a dragon with postpartum depression, the dragon's unhatched egg or the injured wizard with a shakier past than her own. The plan was to depart town for greener pastures and easier purses to snatch. Too bad leaving requires pulling off the biggest heist of all.

"This fantastical novel [is] well-developed... fast-paced and believable." — San Francisco Book Review ? "Alluring... Alexander writes sensitively about reality falling short of dreams..." — Publisher's Weekly "...a sophisticated and fantastical twist to the beloved Cinderella fairy tale." — A. G. Howard, author of the Splintered Series When Eleanor Brice loses a glass slipper, she unexpectedly gains a royal fiancé and a way out of her abusive stepmother's house.

Unfortunately, eight years of mistreatment, isolation, and clandestine book learning hardly prepared Eleanor for life at Eclatant Palace, where women are seen, not heard. According to Eleanor's eavesdropping parrot, no one at court appreciates her unladylike tendency to voice her opinion. To make matters worse, Gregory Desmarais, Crown Prince of Cartheigh, spends his last night of bachelorhood on a drunken whoring spree. Before the ink dries on her marriage proclamation, Eleanor realizes she loves her husband's best friend, the intellectual, surprisingly sensitive former soldier, Dorian Finley. As Gregory's mercurial nature comes to light, Eleanor wrestles with her feelings for Dorian, flounders in her new role, and makes powerful enemies—foes who use Eleanor as a scapegoat in a magical plot to unseat the royal

Book Four, a reinvention of both the western genre and unicorn lore. On their way to intercept Dharma Kold before he finds the deadly third Orb — and to finally free the captive Mai — Clint and Edward come across a botched Realm operation, where a shotgun-wielding bandit leads his gang to rob an exposed magic vein. Assisting the authorities who exiled him isn't something that Clint is eager to do, but that changes when he learns that helping to escort the bandit to justice might finally mean finding an open doorway back to The Realm... ????? "this story keeps getting more epic and awesome with each passing book. What I especially liked in this one was the addition of some great new characters who I instantly liked. Also, like some other reviewers have written, this book has a really great ending." -- Buddy Gott ????? "Johnny B. Truant and Sean Platt have built a wonderful world where an unicorn and a Marshall can make a difference. The jokes, getting better with each book, are like steak sauce on a \$50.00 New York Strip. You don't need it, but the extra flavor, now and again, is a delight." -- Brian D. Meeks ????? "Plenty of action, the promise of chili, ropes and restraints...and one very confused unicorn. This series is shaping up nicely and still holding plenty of tension - along with a few surprises, too." -- Demelza Carlton ????? "This was a great continuation of the story; it was fun to see how Clint manages to work through his life without the help of Edward (the unicorn) who normally is able to solve most of his problems for him. The last couple of paragraphs of the story caught me completely by surprise, and now I can't wait for Unicorn Western 5!" -- Erin M. Shimmer To Yuma is book four in the 9-book Unicorn Western Series. It's like Stephen King's The Dark Tower, but with more magic, more fun, and more turkey pie. Read the entire completed series today!

Massive Federation armies invade Alcea through magical portals seeking to devastate the entire continent. Outnumbered four to one, the Alceans grimly prepare for the bloody conflict, but victory on the battlefield is not good enough for young King Arik. Knowing that the Great Demon has initiated the war between the two countries solely to provide a million tears to fulfill an ancient prophecy, King Arik demands that the Knights of Alcea spare as many of the enemy soldiers as they can. While defeat on the battlefield means death for the Alceans, a victory that allows the Great Demon to fulfill the ancient prophecy will mean eternal servitude to Alutar.

Aura Nilssen's life hasn't gone at all according to plan. She's the unwitting heir to a tainted throne, the recipient of not one but two unwanted legacies, and she's on the hit list of every dark realm in the cosmos. But with weeks to go before her graduation from Alfheim Academy and official coronation as Queen, the reluctant royal thinks she can finally take a breath. She should have known better. When her allies' borders are breached, Aura knows it's only a matter of time before Alfheim is attacked. And when dark powers move against her home, Aura and her friends set out to determine exactly who might be strong enough to overpower the light realms. With more than just Alfheim's future on the line, Aura must decide how much she's willing to sacrifice for the home she's grown to love . . . and the warrior who's claimed her heart.

Normal 0 false false false MicrosoftInternetExplorer4 Life was good for Baby Gin. Growing up in the rural South, she was the apple of her daddy's eye and was coddled and spoiled by a loving housekeeper and an elder brother who thought she could do no wrong. And she was in love. Baby Gin lived for the summers when she knew Cary Ellington would come to stay with his grandfather. She had grand designs for marrying him when she was all grown up. Of course, she took for granted that Cary would see things the same way. It never occurred to her that a ten-year age difference would be of consequence to him. But we all know what they say about a woman scorned. The Unicorn Glade is a coming-of-age story of a girl's quest for understanding of the world around her, especially when she realizes that she can't always get what she wants. It is a journey of self discovery and self realization, of finding her way out of darkness and learning to see beauty in the world even when things do not feel so beautiful. Written in a style evocative of the South, the book is peopled by a host of quirky characters who live in

and around the small town of Indianola, Mississippi. The author's smooth, soothing, sometimes rambling prose brings to mind hot summer nights and warm gentle breezes, and will have you reaching for a cool mint julep by the end of the first page. A light-hearted, humorous, and often irreverent book, it is filled with anecdotes and old Southern expressions, with a heaping helping of gossip served on the side.

Simplified Chinese edition of What We'll Build: Plans For Our Together Future

This novella is a Victorian romance with a steampunk twist. It is a standalone read that compliments the Artifact Hunters series. Amy Hamilton is a good girl. She always did exactly as society demanded, kept her eyes downcast, never spoke out of turn, and hid the myriad of questions swirling in her brain. In return for shutting off her intellect she landed an abusive fiancé and was cast aside by the ton. Disgraced, she seeks refuge at the Lyons' country estate. There she is given a bracelet made from a unicorn's tail and told it contains enough magic to grant one wish. She knows what she wants, someone to love the true her, and not the shallow image that smiles back from the mirror. She never expected the unicorn to send her two men... Lachlan Hawke - dashing airship pirate and notorious rogue. Jackson Jackson - the scarred henchman and enforcer for the Lyons Empire. The two men have a bet, who will be first to win a kiss from the delicate rose? The loser to be tarred and feathered. Loki is sure of a quick victory and that Jackson will be impersonating a chicken by the end of the week. Jackson doesn't even know why he agreed to the stupid bet, the girl shudders whenever he enters a room. But the men are about to learn you should be careful making bets when a unicorn is involved.... Keywords: steampunk, gaslamp, historical fantasy, victorian, paranormal romance, action and adventure, alternate history

Eleanor Brice Desmarais, she of the cracked glass slipper and unladylike intellectual propensities, has learned that happily-ever-after is as rare as a frozen dragon, even for a happenstance princess. She survived a plot against her life, but her marriage to the alcoholic, womanizing Prince Gregory of Cartheigh remains at best a sham, and at worse, a potential noose around her neck. Gregory is increasingly suspicious of Eleanor's unusually close relationship with his best friend, Dorian Finley, and with good reason. Ironically, Gregory seems to be engaged in his own scandalous love affair— with Eleanor's scheming stepsister, no less. Eleanor understands the harsh realities of women's lives in her kingdom, so she turns her energies to a school for impoverished girls, until an evil magician's deception destroys the school and unleashes a festering plague. From the Fire-iron walls of Eclatant Palace to the slums of Meggett Fringe, no one, magical or mundane, is safe from the fever-induced delirium of the Great Burning. Not even Eleanor's children. As Eleanor's happily-ever-after morphs from circumspect to heartbreaking to mortally dangerous, for both herself and Dorian, she faces her greatest losses and her harshest reckoning. No matter what life hands her, however, she finds the strength to do what she must. She stares down her challenges, protects her loved ones, and fights to change the world. Just like women everywhere, in her world, and ours.

Traditional Chinese edition of Train To Somewhere

STARLEY'S RUST a YA urban fantasy Book 2 of the EMBODIED trilogy Six months ago, Kari Marriner's life was torn apart. Now turned 17, she's looking for answers in her rural Wisconsin hometown. But just as the Embodied seemed to have vanished,

there's a new, more terrifying visitor from the Dark Universe. Back in Manhattan, a charismatic English artist named Starley convinces Kari he can find her missing mother if she flies to Paris with him. He also shares an incredible secret from the dawn of mankind. But Starley is not who he seems. Before she knows it, Kari finds herself standing in front of the Mona Lisa with him, yelling out, "He's got a bomb!" And that's when things go totally insane. The Rebel Embodied's henchman, Cilic, returns to Earth on a deadly mission. The body of Kari's treacherous friend Aranara is washed up on the banks of the Hudson. But is she really dead? In the Paris catacombs, Kari and Starley are hunted by a nightmarish mythical creature that's all too real. A family mystery, an exiled race, freakish beasts, jealousy, love... and death. Kari has to face them all in the fast-paced fantasy thriller . Starley's Rust is the spellbinding second novel in JB Dutton's EMBODIED trilogy. The first installment, Silent Symmetry, was published in 2013 and reached the #1 spot on Amazon's free Kindle ebook Futuristic & Sci-Fi Romance chart. Goodreads raves for Silent Symmetry "...so hard to put down" 5-star review "The concept is unique, interesting, gripping" 5-star review "...a bizarre and scary world" 5-star review "Kari's adventure was thrilling!" 4-star review "It's unique (never read anything like it before)" 5-star review "...really, really good" 5-star review "...filled with mystery and danger" 5-star review "...can't wait for the sequel." 5-star review "Who doesn't love hot aliens?" 5-star review About the author JB Dutton is the pseudonym of author John B. Dutton when writing Young Adult and Children's fiction. After graduating from film school in London, England, John emigrated to Montreal in 1987, where he still lives with his two young children and their even younger goldfish. He spent over a decade as a music TV director before moving into the advertising industry as an award-winning copywriter for clients such as Cirque du Soleil. John has written novels, short stories, blogs, screenplays and a stage play, and is currently writing a trilogy of Young Adult novels. John speaks four languages and has been married three times in three different countries in three different decades. He therefore likes the odd pint of Guinness. And he's pretty keen on the even pints too... Visit John's website at johnbdutton.wordpress.com

In this enchanting story Evie and Diamond are invited to take part in a riding camp high up in the Cloud Kingdom. Can Evie and their new friends help a runaway unicorn and it's rider find their way home before a storm arrives? Turn to the back of the book to discover more pony facts and activities. With a fabulous free poster too! Praise for Princess Evie's Ponies picture books "Horses, princesses, magic - this ticks every girly box and there's even a press-out pony."
