'My commitment with this book is to wake up as many people as possible to their connection to faith and joy. In that connection, we can be guided to our true purpose: to be love and spread love. These words can no longer be cute buzz phrases that we merely post on social media. Rather, these words must be our mission. The happiness, safety and security we long for lies in our commitment to love.'

Through acceptance, surrender and a commitment to her continually evolving spiritual path, New York Times bestselling author and international speaker Gabrielle Bernstein has been transforming her fear into faith. Her stories and universal lessons provide a framework for releasing the blocks to what everyone most longs for: happiness, security and clear direction. These lessons can help us relinquish the need to control in order to relax into a sense of certainty and freedom - to stop chasing life and truly live. Ride the swell of your energy and true power to find strength when you are down, synchronicity and support when you are lost, safety in the face of uncertainty, and joy in what might otherwise be pain. Bernstein has secrets to reveal, and she is determined to unleash the presence of your power with the comforting knowledge that the Universe has your back.

“Gabrielle is the real thing. I respect her work immensely.” —Dr. Wayne Dyer “A new role model.” —The New York Times “I came to one of Bernstein’s monthly lectures and got my first look at the woman I’d one day unabashedly refer to as ‘my guru.’” —Elle From #1 New York Times bestselling author Gabrielle Bernstein comes a clear, proactive, step-by-step process to release the beliefs that hold you back from living a better life. This six-step practice offers many promises. Petty resentments will disappear, compassion will replace attack, the energy of resistance will transform into freedom and you’ll feel more peace and happiness than you’ve ever known. I can testify to these results because I’ve lived them. I’ve never felt more freedom and joy than I have when writing and practicing these steps. My commitment to healing my own relationship to judgment has changed my life in profound ways. My awareness of my judgment has helped me become a more mindful and conscious person. My willingness to heal these perceptions has set me free. I have been able to let go of resentments and jealousies, I can face pain with curiosity and love, and I forgive others and myself much more easily. Best of all, I

have a healthy relationship to judgment so that I can witness when it shows up and I can use these steps to quickly return to love. The Judgment Detox is an interactive six-step process that calls on spiritual principles from the text *A Course in Miracles*, Kundalini yoga, the Emotional Freedom Technique (aka Tapping), meditation, prayer and metaphysical teachings. I've demystified these principles to make them easy to commit to and apply in your daily life. Each lesson builds upon the next to support true healing. When you commit to following the process and become willing to let go, judgment, pain and suffering will begin to dissolve. And the miracles will keep coming. Once you begin to feel better you start to release your resistance to love. The more you practice these steps, the more love enters into your consciousness and into your energetic vibration. When you're in harmony with love, you receive more of what you want. Your energy attracts its likeness. So when you shift your energy from defensive judgment to free-flowing love your life gets awesome. You'll attract exactly what you need, your relationships will heal, your health will improve and you'll feel safer and more secure. One loving thought at a time creates a miracle. Follow these steps to clear all blocks, spread more love and live a miraculous life.

The transformational companion journal based on #1  
New York Times bestselling author Gabrielle Bernstein's  
new book Judgment Detox. In Judgment Detox,  
Gabrielle Bernstein explains how judgment—both being  
judged and judging others—is at the core of our  
discomfort. While it's powerful, judgment isn't  
complicated. It's simply a separation from oneness. The  
moment we see ourselves as separate we detour into a  
false belief system that is out of alignment with our true  
nature. That separation, often a reflection of our own  
insecurities projected onto others, keeps us feeling  
alienated and alone. The Judgment Detox Journal allows  
you to follow the step-by-step program outlined in the  
book Judgment Detox and chronicle a path to releasing  
the beliefs holding you back from living a better life. The  
journal follows the 6 steps in the Judgment Detox, with  
guided prompts for reflection around each specific  
theme. You will complete exercises in acceptance and  
self-forgiveness; guided meditations; as well as complete  
a 30-day tapping practice, tracking your Emotional  
Freedom Technique (EFT) and reflecting on tapping  
through judgment. With check-in sections, you will have  
ample opportunity to track and celebrate your success.  
Filled with encouragement and insight from Gabrielle,  
this step-by-step journal offers a path to true healing,  
oneness, and a deeper connection to the universe and  
those around us.

Thoughts are the basic premise of how you attract the life you desire. One must not forget to coincide with the entire being as the truth is—you feel your life into existence. The universe is a large orgasmic energy, which is elated, aroused, and is creative and generative. When you embody this exuberance, the process of attracting what you desire in your life speeds up. The question is, do you desire to live like a robot on auto-mode? Or, do you have the mettle to take the reins of your life in your hands and become the magician, experiencing the ecstasy as your every thought unfolds in front of your eyes? In Orgasmic Universe, you will learn to put together the missing pieces of the puzzle that are still holding you back. As you awaken this vigor, all areas of your life—money, relationships, work, health, and happiness—will take the beautiful form you wish. You will not only be more present, involved, intuitive and stimulated with every existing moment but life will be orgasmic.

She offers links to her website with specific prayers and meditations for those who wish for such guidance and encourages the reader to find their own path to peace. The Universe Has Your Back: A Complete Summary  
'The Universe Has Your Back' opens with Bernstein's short intro. As a teenager, she had problems with depression. Her mother was a hippie and yogi, and she coached Bernstein into the habit of meditation. During one session, she experienced a blanket of peace, filled with loving energy, tingling in her body. But because she failed to constantly practice meditation and draw power from it, she succumbed to drugs and alcohol and soon hit rock bottom. However, she knew that she needed a way out of those habits, so she started practicing meditation and mantra. Since that day, Bernstein has been on a spiritual journey. She wanted to empower her relationship with the true source of love. She says that some people call this God, a spirit, a truth, or a consciousness. Some people simply refer to this as The Universe. Here, she states that pursuing this connection to love needs to be a personal commitment for each person to make. She also felt that the root of all unhappiness is in not seeing where true happiness exists. Some people try to find happiness in material things. Some try to find it in religion without properly understanding the religion and things they say when they pray. Others turn to meditation and try to connect themselves with their inner being. The most important connection that each person needs to discover, accept, and maintain is connection with the true source of love.
