R.K. Narayan And His Social Perspective Deals With The Caste-Ridden Hindu Society Which Narayan Presents In His Novels. His Characters Are Fatalists With Explicit Faith In The Invisible. The Book Presents Their Half-Hearted Attempts At Self-Assertion. However, Their So-Called Sentimentalism Does Not Bear Fruit And They Fall Back To Their Former Position Accepting Defeat In Life. The Book Brings Out Vividly Narayan S Attitude To Life, His Firm Grip Of Hindu Ethos Of Which He Is The Product, And His Failure To Come Out Of It, Though The West Wind Has Blown Much Of Its Dust. However Detached He Sounds Himself To The Readers, His True Spirit Finds Vivid Expression In The Book. At Any Rate R.K. Narayan Is A Thoroughly Indian Novelist Par Excellence, And The Aspect Is Hardly To Be Overlooked.

Broadly speaking, Indian English (IE) is that variety of English used by a large number of educated Indians as a second language. Kachru (1983) used the term 'Indian English' for the variety of English used generally in the South Asian countries. David Crystal (2003) observes that in India the numbers of English speakers outrank the combined number of speakers in USA and UK. A considerable body of creative writing is also produced in English and is increasing steadily. Writers like Mulk Raj Anand, R.K. Narayan, and Raja Rao, and Arundhati Roy, have become part of India's literary tradition and they may continue to hold their status in world literature too. The use of Indian English in different domains in interaction with other regional languages has resulted in its development and recognition as a distinct variety in its own right. It is an attempt to study the styles of two of the prominent writers of Indian English, namely R.K. Narayan and Arundhati Roy by examining the different linguistic and literary aspects as reflected in their selected fictions—R.K. Narayan's "Swami and Friends" (SF) and "The Guide" (TG) and Arundhati Roy's "The God of Small Things" (GST). An examination of selected fictions of the two writers of this study has shown that stylistic analysis can be a rich field of enquiry in Indian English. Studies of the present kind can be used as a source material for applied linguistics. They can be extended for a comparative study of stylistic traits of Indian writers and non-Indian writers. The study suggests the possibility of further research in comparative stylistic studies in Indian English fiction, on the one hand, and American, British, or Australian fiction, on the other. Our comparison of the two writers, one of the colonial period and the other belonging to the post-colonial period, suggests that a more extensive stylistic study of Indian writing in English is called for to understand the changing phases of English in the socio-cultural ethos of the Indian society. The book is organized as follows: Chapter-I is an introduction to Indian English, its importance and the objective of the research. Chapter-II deals with review of literature on Indian English as well as stylistic studies in Indian English fiction. Chapter-III is

Cultural Imperialism and the Indo-English Novel focuses on the novels of R. K. Narayan, Anita Desai, Kamala Markandaya, and Salman Rushdie and explores the tension in these novels between ideology and the generic fictive strategies that shape ideology or are shaped by it. Fawzia Afzal-Khan raises the important question of how much the usage of certain ideological strategies actually helps the ex-colonized writer deal effectively with postcolonial and postindependence trauma and whether or not the choice of a particular genre or mode employed by a writer presupposes the extent to which that writer will be successful in challenging the ideological strategies of &"containment&" perpetuated by most Western &"orientalist&" texts and writers. She argues that the formal or generic choices of the four writers studied here reveal that they are using genre as an ideological &"strategy of liberation&" to help free their peoples and cultures from the hegemonic strategies of &"containment&" imposed upon them. She concludes that the works studied here constitute an ideological rebuttal of Western writers' denigrating &"containment&" of non-Western cultures. She also notes that self-criticism, as implied in Rushdie's works, is not be confused with self-hatred, a theme found in Naipaul's work.

This book projects R.K. Narayan as a writer who, unlike many of his contemporaries was able to address his times and country of birth without giving in to the ruling influences of certain ideologies which made the works of many of his peers monologic, and even pedagogic. It underscores the influence of colonial capitalism in India and the advent of a new and strange class of people who responded to the market economy with gusto. The book also shows how Narayan's approach is ethical in nature without being harsh on the people he critiques.

Through the application of Bakhtin's theories, Narayan is here positioned as a writer who was deceptively simple, but who can be considered

as one of the foremost post-modern writers of India. He wrote at a time when the Gandhian influence had motivated writers so much that they could not envision the other side of the coin, the constant subversion of this ruling influence. Narayan depicted that reality effectively in a grotesque form.

This is the fourth and final volume in the pioneering series on Perspectives on Ma, or Forms of Indian English Literature edited by Professor M.K. Naik. Following the pattern of the earlier three volumes this collection also includes two types of essays—those evaluating the entire corpus of major fictionists and schools and those attempting intensive textual analyses of outstanding novels like Untouchables, The Guide, The Serpent and the Rope and Midnight's children. The final essay on "The Achievement of Indian Fiction in English" is an attempt to survey the entire field and evaluate the total achievement in this genre. A number of collections of critical essays on Indian fiction in English have appeared during recent years but perhaps none of them has the range and depth of this volume. The contributors include distinguished scholars such as K.R. Srinivasa Iyengar, V.A. Shahane, D.V. K Raghavacharyulu, PremaNandakumar and the editor, M.K. Naik, himself. The carefully selective Bibliography appended to the volume has further enhanced its value as a comprehensive collection of incisive critical studies covering the entire range of Indian fiction in English. and this series which is now complete easily constitutes a significant landmark in the ongoing scrutiny of Indian English literature.

The book is basically a thematic study of R.K. Narayan's novels and a reference to his short stories has been made only in passing. The major themes that emerge from Narayan's novels are love and marriage or man-woman relationship, family relationships, under the father-son relationship, socio-cultural and political scene of the country during the last fifty years and the Hindu ethos highlighting renunciations as an ideal of the Hindu way of life. The experience of colonization and the challenges of a post-colonial world have produced an explosion of new writing in English. This diverse and powerful body of literature has established a specific practice of post-colonial writing in cultures as various as India, Australia, the West Indies and Canada, and has challenged both the traditional canon and dominant ideas of literature and culture. The Empire Writes Back was the first major theoretical account of a wide range of post-colonial texts and their relation to the larger issues of post-colonial culture, and remains one of the most significant works published in this field. The authors, three leading figures in post-colonial studies, open up debates about the interrelationships of post-colonial literatures, investigate the

powerful forces acting on language in the post-colonial text, and show how these texts constitute a radical critique of Eurocentric notions of literature and language. This book is brilliant not only for its incisive analysis, but for its accessibility for readers new to the field. Now with an additional chapter and an updated bibliography, *The Empire Writes Back* is essential for contemporary post-colonial studies.
