It's Silence, Soundly, It's Nothing, Seriously and It's Absence, Presently, continue The 'It' Series published by Matador since The Book of It (2010). They constitute another stage in an artistic journey exploring the visual and audial dialectic of mark, word and image that began over 25 years ago. In their aesthetic form the books are a decentred trilogy united together in a new concept of The Bibliograph. All three present this new aesthetic object, which transcends the narrow limits of the academic bibliography. The alphabetical works also share a tripartite structure and identical length. The Bibliograph itself is characterised by its strategic place within each book as a whole as well as by the complex variations in meaning of the dominant motifs – nothing/ness, absence and silence – which recur throughout the alphabetical entries that constitute the elements of each text. It's Nothing, Seriously, for example, addresses the amusing paradox that so much continues to be written today about – nothing! The aleatory character of the entries in the texts encourage the modern reader to reflect on each theme and to read them in a new way. The reader is invited as well to examine their various inter-textual relations across given conventional boundaries in the arts and sciences at several levels of physical, psychical & social reproduction. Behind the men who shaped history are the heroes who forever changed it. In The Prophet Francine Rivers tells the story of Amos, a man of solitude who felt at home among the hills, a man of conviction who heard when God called, a man of fortitude

who spoke to a nation unwilling to listen. Before the Israelites rebelled against God and were devoured by war, they were warned by Amos, a prophet who refused to turn away.

The Prophet and the Warrior By: Richard H. Grabmeier The Prophet and the Warrior is historical fiction that follows the Biblical texts of the books of Moses as presented in the King James Bible. This novel enhances the various stories by adding dialogue and expanding the role of various characters. It occasionally diverges from the Biblical text when an alternative context seems more logical to the author. Richard H. Grabmeier's own religious experience prompted him to read the Bible with a more critical eye. Just in time for her thirtieth birthday, Norah, along with her kindred friend Kat, escape to Thailand for timely nervous breakdowns. Along with wanton good times, a bit of spiritual scrutiny manifests unbidden on their itinerary as they trek through hidden jungles and swim in the crystal blue waters of the South Pacific. Beneath every palm tree is a mysterious man with an eye on these adventurous two, but neither could possibly guess their divine nature. Is it coincidence, or are all of the young, Hebrew men they meet along the way drawn to them for some arcane purpose? A warrior, prophet, guide, prince, and finally a servant all appear along their path. All are difficult for the two to ignore while faced with moral and life-threatening decisions obscuring their composure at every turn. Their journey is incomplete without a sincere look inside at the many misconceptions of their own sexual mores and self-images. Stubbornly bent on
