Paperback... Complete - Astacien wakes from a dream and takes you by the hand to draw you into her story, a fantastic adventure, to be sure, as her idyllic life is turned upside-down. Living in a fantastic world of elves and orcs and wizards, Astacien is quick-tempered but courageous. She has been sheltered her entire life, but that is about to change as she embarks on a journey that she soon realizes is no mere adventure, but a quest to (ultimately) save her world. She bravely faces danger, except for spiders, and fiercely protects what she loves. She's a quirky blend of boldness and innocence. While she forges new and lasting friendships, an epic romance is also kindled, and it's her naivete that many can relate to and find endearing. As the quest unfolds, she finds strength and purpose in herself as she is forced to face some truths that she never could have imagined. Fantasy, romance and adventure await.

When I wrote the first edition of this book, "Worship Your Lord," which is the second book of the Right Belief Series, I indented to connect Volume I "Know Your Lord" with Volume II "Worship Your Lord." I am simply saying the correct knowledge of Allah (s.w.t) must lead to worshipping Him. I also intend for the content to help the readers familiarize themselves with the different categories of Monotheism (Tawheed). I intend to simplify the subject of Monotheism (Tawheed), which can help advance the Call of Monotheism (Tawheed), especially for Muslims living in the West. Furthermore, this book will acquaint Muslims with the methodology of understanding of the faithful adherents (Ahlu Sunnah Wal Jama'ah) to the Quran and the Prophetic Tradition (Sunnah). Until recently, something shocking happened. A Layman Muslim asked Yasir Qadhi the following question: "What is the ruling on invoking the engraved saints (Awlyia)?" Yasir Qadhi answered him publicly, saying, "...The second opinion is the opinion that invoking the saints (Awliya)... it is Haram (Unlawful), and it is evil, and evil innovation, a religions innovation, a Bid'ah, and it is a steppingstone to Shirk (Polytheism). It is opening the doors to Shirk (Polytheism). But it is not Shirk(Polytheism) in and of itself unless that action is accompanied by a belief that you are calling out to a god. I myself am an advocate of this second position." It was shocking to witness someone who is knowingly and willfully encouraging grave worshiping when it is a clear-cut demolition of the Universal Declaration of Faith (L? il?ha illa All?h). Yet the hearts of his fans, loyalists remain neutral, and their tongues remain silent? L? il?ha illa All?h comprises two pillars: the complete negation of any form of worship to others than Allah (s.w.t), and the unquestionable and firm affirmation of all forms of worship only to Allah (s.w.t). Yasir Qadhi is a learned person who used to be amongst those whom Allah (s.w.t) honored to defend and preserve this Declaration (Kalimah), but now says that worshiping the graves is everything terrible, evil, sin, innovation, a steppingstone, and a door opener, but not Polytheism (Shirk). Meanwhile, many people's dilemmas, including his Facebook fans and other learned Shaykhs in his circle, secure their livelihoods and prestige. So, do they have no care for what happens to the religion? What benefits does one gain from his adherence to the religion, what good is left in him towards Allah (s.w.t), His religion, and His Messenger (s.a.w) when he sees Allah's (s.w.t) boundaries and sacredness being transgressed? Hence, I decided to introduce a revised second edition of the book titled 'L? il?ha illa All?h,' and to include two additional parts to address and refute Yasir Qadhi's recent grave worship blunder. I ask Allah (s.w.t) to make this work of benefit to Muslims, including our brother Yasir Qadhi. May Allah (s.w.t) guide us all. Ameen. Imam Karim Abu Zaid

I entered the room, closed the door and greeted my newly married wife. He answered the salutation in a magical voice. The name is rain. I am four years younger. 22 years old. Sitting on the bed after a red sari. I did not see him like this before marriage. I only saw the face There was no talk before marriage. I went to bed and sat with one foot on the ground and the other on the bed. The scent of a perfume is real to the nose.

The dark corruptors have dragged her into darkness. Ava, once a bright and happy girl, is now a mere shadow of her past self, for her life is ruled by grief and fear, and worst of all: hatred grows stronger in her heart by every passing day. But after she turns twenty, she meets a mystical man called Dr. Saul, who promises to help her in her fight against the darkness. Following Saul's lead, she enters another world, where she faces the dark and twisted corruptors themselves. Will she be able to free herself from the chains and confess her feelings to the man she loves, or will she stay in the darkness and suffer till the end of her days? The battle of the broken mind is a symbolic story, written by the Finnish author P.B. Lindberg. The book explores the battles we fight in our minds, as well as the dangers of depression and other mental issues. It has a deep message and an encouraging moral, but also exciting battles and romantic events, which all serve the greater meaning of the story.

Anti-erotic elements in feminism have joined forces with Islam and Christianity to condemn prostitution, the male gaze and the natural love men have for the feminine body as a symbol of universal beauty. The author, whose religion is based in Tantra regards these attitudes both wrong and offensive to pagans. Lee Huxley, claims to be a "knower" - an enlightened one who sees with the third eye and whose wisdom and lateral thinking demonstrate his special insights in this book. Lee knows the truth – the unthinkable – that Jesus Christ, the hellfire and damnation preacher, is not the Son of God but the Son of Evil. If Christ is the Son of Evil, then Lee argues from this basis, that Judaism, Christianity and Islam are blasphemies. This book asks how Western civilization could be founded on lies, delusions and blasphemies that even today are still taken seriously. This book is the result of a lifetime of research which has culminated in the formulation of the Devil's Wager. The Devil's Wager challenges you, the reader, to name any moral idea from the worst evildoers of history that is as evil as the central teaching of the Bible and the Koran, namely that God will resurrect the human race and torture most of them in hell for all eternity. Fifty per cent of the damned will be women. The male God of monotheism is a hellfire pyromaniac: Jesus Christ and Allah are arsonists who burn women alive! This is the feminist issue of our times. Lee uses the writings of theologian and lapsed Catholic Mary Daly, one of the greatest feminist thinkers, to explain their common conviction that feminism must now assume the role of the Antichrist and bring an end to monotheism!
