Each dream, whether small, medium or large has the power to enrich our lives and gift us with joy. So why not Do It? This book is about that spiritual journey. First, we must be ready to Dream again. We have to be open to the process and the steps involved. We need to be Open to the idea that this will work for us. Then, we take the next step. We need to become willing to understand the process of Dream Weaving, Dream Catching, Dream Chasing and finally Dream Doing. The third step is to become able to manifest our personal Dreams. This step is about living in our world and understanding what we need to do to walk through our fear and get it done. Dream Do or Dream Destroy: The choice is

ultimately yours. Here's Praying that you choose to Dream Do! Happy Journey.
"We are only as strong as we are united, as weak as we are divided." - J.K. Rowling
Mankind is divided up throughout the world by rancour and rivalry. However, the sky reminds us to be together as we're all falling under the same sky. Blue stands for unity. The blue sky is likewise a symbol of eternal unity. Not everyone is filled with rancour, but people fail to express each other's inner amity. It's not only the sky, but the weaving sky which weaves people with love whose heart is detached by differences and grudge. The Weaving Sky is an anthology with 40 marvellous co-authors who have knitted their amity in words like threads. This anthology is based on an open theme in which the co-authors have lovingly poured their creativity. This book is a collection of quotes, poems, short stories and open letters. This book will aid the readers to get united with mankind, and it will make you believe that "Unity is Strength."

A world-renowned Pomo basket weaver and medicine woman, Mabel McKay expressed her genius through her celebrated baskets, her Dreams, her cures,

and the stories with which she kept her culture alive. She spent her life teaching others how the spirit speaks through the Dream, how the spirit heals, and how the spirit demands to be heard. Greg Sarris weaves together stories from Mabel McKay's life with an account of how he tried, and she resisted, telling her story straight--the white people's way. Sarris, an Indian of mixed-blood heritage, finds his own story in his search for Mabel McKay's. Beautifully narrated, *Weaving the Dream* initiates the reader into Pomo culture and demonstrates how a woman who worked most of her life in a cannery could become a great healer and an artist whose baskets were collected by the Smithsonian. Hearing Mabel McKay's life story, we see that distinctions between material and spiritual and between mundane and magical disappear. What remains is a timeless way of healing, of making art, and of being in the world. Sarris's new preface, written expressly for this edition, meditates on Mabel McKay's enduring legacy and the continued importance of her teachings.
