This is My Body is a compelling and unforgettably powerful story of trauma, illness, recovery and transformation, told with honesty, courage and resilient good humour. Jennie Hogan, an Anglican priest, has a history of brain injury and illness going back to childhood. In this gripping memoir, memories of the athletic, competitive and fun-loving schoolgirl jostle alongside accounts of invasive emergency medical treatments and the long processes of recovery. She reflects on what it means to live with uncertainty, to become reconciled with a new identity, and how trust and hope can be regained as a vocation flowers despite the odds. Jennie draws on her experience and her beliefs to pose challenging questions about our relationships with our bodies in an age that is obsessed with body image and physical perfection. She explores the nature of faith in times of crisis, the reality of pain and disability, and what it means to be human and vulnerable, yet made in the image of God.

The loss of the fear of God has been the greatest devastation to our nation and to the body of Christ. It is the sign of the end times, the mark of falling away from the Lord. O how we need to recapture the fear of God in this day so that we all might be found prepared for the Lord's return. We are living in the very days before the Lord's return when the prophecies of scripture are being fulfilled all around us. Yet few are being prepared for his return with the holiness that He will demand. We must follow after "holiness, without which no man shall see the Lord" (Heb 12:14). Such holiness cannot be obtained without the fear of the Lord being brought back into the church and especially into its leadership. This book shows how the fear of God has been forsaken, and it exposes the heart of compromise that is the spirit of our age. Ask yourself, how are you being prepared by the preaching of the fear of the Lord so that your life meets Christ's holy eyes? The battle is mine I will fight your battle Put your trust in me Cast your cares upon me For I am the deliverer, a warrior I am the healer you need I am the riches you seek I am the eternal life you need I am the protector I will deliver you I will deliver you from the power of darkness I am the light that overcomes darkness I am your refuge and strength I am your helper in the time of trouble I will help you and right early will I deliver you The battle is mine I will fi

As soon as it appeared, How to Read the Bible was recognized as a masterwork, "awesome, thrilling" (The New York Times), "wonderfully interesting, extremely well presented" (The Washington Post), and "a tour de force...a stunning narrative" (Publishers Weekly). Now in its tenth year of publication, the book remains the clearest, most inviting and readable guide to the Hebrew Bible around—and a profound meditation on the effect that modern biblical scholarship has had on traditional belief. Moving chapter by chapter, Harvard professor James Kugel covers the Bible's most significant stories—the Creation of the world, Adam and Eve, Cain and Abel, Noah and the flood, Abraham and Sarah, Jacob and his wives, Moses and the exodus, David's mighty kingdom, plus the writings of Isaiah, Jeremiah, and the other prophets, and on to the Babylonian conquest and the eventual return to Zion. Throughout, Kugel contrasts the way modern scholars understand these events with the way Christians and Jews have traditionally understood them. The latter is not, Kugel shows, a naïve reading; rather, it is the product of a school of sophisticated interpreters who flourished toward the end of the biblical period. These highly ideological readers sought to put their own spin on texts that had been around for centuries, utterly transforming them in the process. Their interpretations became what the Bible meant for centuries and centuries—until modern scholarship came along. The question that this book ultimately asks is: What now? As one reviewer wrote, Kugel's answer provides "a contemporary model of how to read Sacred Scripture amidst the oppositional pulls of modern scholarship and tradition."

If you cannot comfortably say with confidence that Jesus died for your sins and opens the door of salvation for you or that you deny Jesus, then this book is for you. So many Christians take Jesus for granted, and so many people do not understand His torment and the suffering He endured for us. We began a spiritual journey when we enter this world. We have a natural body and a world full of responsibilities to challenge us on our journey. We are influenced by many outside sources and personal interactions with our family members and friends. Ultimately, we make the most important decision of our life. Do we believe in God and accept Jesus as our Savior, or do we reject God and accept atheism? When you analyze the facts of the life of Jesus, his loving teachings, his horrible suffering, death and miraculous resurrection, you come to understand He did it for you. Jesus is the Way, the Truth, and the Life. His teaching brings light into your life. Jesus is the gateway to eternal happiness when we leave this world. Atheism with its evil influence wants to drag you down and have you reject God. Atheists are in total denial about God, Jesus, supernatural experiences, something from nothing, and the wisdom in the formation of this

universe and mankind. Atheists want you to believe you will simply rot in the ground and accept life with no future hope. If you are an atheist, don't laugh at this thought and concern. As a Christian, I care for you and your soul. That is certainly more than what the atheistic thinking has in mind for you. Atheism, under the influence of Satan, offers you nothing but the door way to eternal conscious separation from God. This book is a direct challenge to the thoughts and beliefs of the atheist. I wrote this book with the hope it just might stir the mind of a non-believer. Then believing the Holy Spirit will do the rest.

The contemporary novelist illuminates the history, doctrines, traditions, rituals, and future of Judaism

Humans are comprised of a body and a soul, yet most of them take care of their bodies and forget about their souls. This book wakes them up, the author hopes, and provides them with a dose of spirituality which they may never have had before. This book is written for everyone, and its stories will appeal to many, if not most, people who will find in them beauty and universality: There is One God, one human family started by Adam and Eve, one truth, one heaven, one hell, one right and one wrong... and one religion. Call any of these by any name, it does not matter, for calling a rose by any other name does not change its beauty, hue, aroma or anything else. So is the case particularly with God whom the Muslims prefer to call "Allāh" for reasons which the book explains. This Volume discusses the "99 Attributes of Allāh" or how Muslims view their Creator. Knowing a maker is done by knowing what he makes. It discusses not only prominent figures but other beings as well: jinns (or genies), angels, demons, etc. It narrates interesting tales about a number of God's prophets and messengers such as Noah, Moses, Abraham, David, Solomon and Jesus Christ, peace with them all and many, many salutations.

This is a true story about my life - my struggles, trials, and tribulations and how I overcame them. No matter what I have gone through with my ex-husband and that abuse, the family member who raped me, the homeless shelter that me and my three children were in- not only I am strong but I am also a prayer warrior.

Tabor, Journal of Religion "Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, Christian Science Monitor

Safe. Comfortable. Happy. Words we all love. Feelings we want. Even crave. We may love God, but being that he's invisible, words like comfortable seem to feel better faster. We are all chasing something. Our hearts were made to run hard and fast after things that move us. But as a generation we are all beginning to stir and wake up, identifying that these words don't satisfy for long, especially when compared to God. If God is real, and we are going to live with Him forever, shouldn't He be everything? Caught in this familiar haze of worldly happiness and empty pursuits, Jennie Allen and her husband Zac prayed a courageous prayer of abandonment that took them on an adventure God had written for them. "God, we will do anything. Anything," Anything is a prayer of surrender that will spark something. A prayer that will move us to stop chasing things that just make us feel happy and start living a life that matters. A life that is... Surrendered. Reckless. Courageous. If we truly know a God worth giving anything for, everything changes. From Publisher's Weekly: "Bible teacher Allen (creator of the new Stuck

DVD Bible study) comes out of the gate strong, displaying accessibility and purposefulness in her first book. With an eye to the fears and doubts teeming beneath the surface for many female churchgoers, she compels her audience to figure out what's stopping them from using their God-given talents, and to be willing to do anything that God asks of them. By giving readers a glimpse of her own introspection and the interior life she's revealed on her personal blog, she employs heartfelt honesty to connect with readers. Tales of loved ones who have taken the "journey to total abandonment" show how giving one's life over to a higher purpose can "wreck" comfortable lives—and allow people to seize more important opportunities. Though the book is aimed at women who must balance their calling against more practical tasks like finishing the laundry and shopping at Target, Allen's friendly yet urgent messages will have the wheels spinning in the minds of all audiences and may be the tough medicine that propels them to action." "Jennie Allen is a visionary, a girlfriend, and a Jesus-chaser. I can't think of three qualities I appreciate more in a woman. I loved this book from cover to cover and have been really contemplating the way a one-word prayer can affect one's heart and ministry in this life. I want to be an 'anything' kind of girl, and I appreciate and respect the example Jennie has set in pursuing God and what he desires in us. It's just a word on a paper, but it's a lifetime choice that can make all the difference. You in?" - Angie Smith Speaker, Women of Faith Author, I Will Carry You and What Women Fear

John 1:1 In the beginning was the Word, and the Word was with God, and the Word was God. Most people do not realize that the Apostle John was actually using terminology familiar to 1st Century Jewish people. It was familiar, because it was language read in the Targums in the Synagogue every week. What John was doing by stating his first sentence in the manner was very similar to the technique used at the time (and today in some Orthodox Jewish sects), whereby one person would recite the first verse of a Psalm, and the students (or members of the Synagogue), would begin to recite the rest of the Psalm. Jesus did this as is recorded in the New Testament. The hearers should have understood to recite the entirety of Psalm 22 in response, "And about the ninth hour Jesus cried out with a loud voice, saying, 'Eli, Eli, lema sabachthani?' that is, "My God, my God, why have you forsaken me?" Matthew 27:46 Using this technique, John the Apostle, was calling on Jewish familiarity with the Aramaic Targums and calling them to apply what they learned from the Targums about The Word of the Lord, to Yeshua/Jesus himself. This study is simply highlighting all of those passages that would have been read in the Synagogue throughout the course of a year in 1st Century Judaism, calling attention to the passages mentioning The Word of the Lord. Jewish theology of the period understood that The Word of the Lord was a "lesser Yahweh." In other words, he was the God who interacted with humanity and creation directly, performing miracles, signs and wonders and simply speaking to humans. The "Greater Yahweh" was understood to exist in the Heaven. The "lesser Yahweh" did the will of and spoke the words of the "Greater Yahweh." This is the theological and social context of the 1st Century Jewish mind that first encountered the Apostle John's words: John 1:1 In the beginning was the Word, and the Word was with God, and the Word was God. This work is a side-by-side comparison of passages in the various Targums showing that "The Word of the Lord" was considered an important person of the Godhead in the understanding of Judaism predating 3 AD/CE.

Faced with the difficulties of growing up and choosing a religion, a twelve-year-old girl talks over her problems with her own private God. The God Delusion caused a sensation when it was published in 2006. Within weeks it became the most hotly debated topic, with Dawkins himself branded as either saint or sinner for presenting his hard-hitting, impassioned rebuttal of religion of all types. His argument could hardly be more topical. While Europe is becoming increasingly secularized, the rise of religious fundamentalism, whether in the Middle East or Middle America, is dramatically and dangerously dividing opinion around the world. In America, and elsewhere, a vigorous dispute between 'intelligent design' and Darwinism is seriously undermining and restricting the teaching of science. In many countries religious

dogma from medieval times still serves to abuse basic human rights such as women's and gay rights. And all from a belief in a God whose existence lacks evidence of any kind. Dawkins attacks God in all his forms. He eviscerates the major arguments for religion and demonstrates the supreme improbability of a supreme being. He shows how religion fuels war, foments bigotry and abuses children. The God Delusion is a brilliantly argued, fascinating polemic that will be required reading for anyone interested in this most emotional and important subject.

Sacred Fire: Torah from the Years of Fury (1939-1942) consists of commentaries on each weekly Torah portion. It also includes a number of lengthy sermons delivered on the major Jewish Festivals as well as a few discourses alluding to people loved and lost. Because writing is not permitted on the Sabbath, these "words of Torah" were transcribed from memory, after the Sabbath or festival had ended. Although the pages of Sacred Fire are not stained with the names of its author's tormentors, there are numerous references to historical events through which parallels can be drawn. Rabbi Shapira often refers, for example, to the binding of Isaac and the martyrdom of Rabbi Akiba. Sacred Fire forms a religious, spiritual response to the Holocaust that speaks from the heart of the darkness. In doing so, it may well form the basis for what could one day become Judaism's formal liturgical response to the events that occurred during those years of fury.
