Chomp: When Wahoo Cray's dad--a professional animal wrangler--takes a job with a reality-TV survival show, Wahoo figures he'll have to do a bit of wrangling himself to keep his father from killing the show's inept and egotistical star. Squirm: This summer, Billy will fly across the country, hike a mountain, float a river, dodge a grizzly bear, shoot down a spy drone, save a neighbor's cat, save an endangered panther, and then try to save his own father.

Thr3e is a proven, Biblical model of three "characters" that are needed for success in every area of life: The Leader, The Learner, and The Lifter. This mode of discipleship and mentorship is seen throughout scripture and in the life of almost every world leader that ever rose to power. It's an easy concept to grasp - yet one that many have failed to utilize by placing the people in their lives into wrong categories of connection. In the book "Thr3e" you will be able to evaluate the relationships you have with others, as well as learning the people you should be seeking out to live your best life now. You'll discover the strategy God had used from the beginning of time, in Jesus' ministry and the early church to grow a team that changes the world. Living out this model of discipleship doesn't require a degree in theology or a Bible Study course - it is simply following God's example for leadership and discipleship by fulfilling your call in other's lives, and seeking out those who are called to fulfill a mandate in your life as well.

Less than three years later, US Army Green Beret sniper Ben Wise was fatally wounded after volunteering for a dangerous assignment during a firefight with the Taliban. Ben was posthumously awarded the Silver Star, while Jeremy received the Intelligence Star—one of the rarest awards bestowed by the U.S. government—and also a star on the CIA's Memorial Wall. United States Marine Corps combat veteran Beau Wise is the only known American service member to be pulled from the battlefield after losing two brothers in Afghanistan. Told in Beau's voice, Three Wise Men is an American family's historic true story of service and sacrifice.

Is it really possible to love one's enemies? That's the question that sparked a fascinating and, at times, terrifying journey into the heart of the Middle East during the summer of 2008. It was a trip that began in Egypt, passed beneath the steel and glass high rises of Saudi Arabia, then wound through the bullet-pocked alleyways of Beirut and dusty streets of Damascus, before ending at the cradle of the world's three major religions: Jerusalem. Tea with Hezbollah combines nail-biting narrative with the texture of rich historical background, as readers join novelist Ted Dekker and his co-author and Middle East expert, Carl Medearis, on a hair-raising journey. They are with them in every rocky cab ride, late-night border crossing, and back-room conversation as they sit down one-on-one with some of the most notorious leaders of the Arab world. These candid discussions with leaders of Hezbollah and Hamas, with muftis, sheikhs, and ayatollahs, with Osama bin Laden's brothers, reveal these men to be real people with emotions, fears, and hopes of their own. Along the way, Dekker and Medearis discover surprising answers and even more surprising questions that they could not have anticipated—questions that lead straight to the heart of Middle Eastern conflict. Through powerful narrative Tea With Hezbollah will draw the West into a completely fresh understanding of those we call our enemies and the teaching that dares us to love them. A must read for all who see the looming threat rising in the Middle East.
