The Rys Chronicles begin with this character-rich adventure that follows the travels of Dreibrand Veta, an ambitious warrior who seeks to rebuild his noble family's fortune. He is the first to join the powerful rys spellcaster Shan, whose race possesses magical powers and whose Queen rules many human kingdoms as their Goddess. The wickedness and tyranny of Onja disgust Shan and he desires to seize the rys throne from her. The third renegade is Miranda. After escaping from her abusive slave master, she becomes a crucial player in Shan's bid for power. To weaken Onja, Shan raises rebellion among her human subjects and gathers allies to his cause. Shan demonstrates his magic in battle and convinces his followers that the fearsome rys Queen can be overthrown. For over two thousand years Onja has ruled, but now, not even fear of her ability to enslave souls will stop her ambitious enemies.

Two leading spiritual psychologists offer a "life-changing book" that will help you awaken to your innate spiritual power and most authentic self (Jack Canfield, co-author of the Chicken Soup for the Soul) What if you discovered--not as a concept, but rather as a profound inner knowing born from the crucible of your own experience--that the essence of your very nature is, has always been, and always will be, the presence of love? That awareness would change everything. Your consciousness would be transformed, and you would move forward into a Soul-Centered life--your unique and beautiful life of meaning, purpose, and fulfillment. The book you hold in your hands is a vehicle for fostering just such an epiphany through the use of the empowering tools of Spiritual Psychology in your everyday life. As co-directors of the University of Santa Monica, the Worldwide Center for the Study and Practice of Spiritual Psychology, Drs. Ron and Mary Hulnick have had many years of experience in applying these principles and practices in their own lives as well as supporting thousands of students in doing the same. Their intention is nothing less than providing you with inspiration, practical tools, encouragement, and opportunities for learning how to live into the Spiritual Context--the awareness that you are a Soul and that your life serves spiritual purpose. As you read and engage with this book, you'll learn practical ways for waking up more fully into the awareness of the loving being that you are. You will be remembering the Light within--remembering your essential nature. Can you imagine walking through this world in a consciousness that is Awake to Love? Wouldn't that be amazing Grace? Opportunities for just such experiences are available to you, and this book will be your guide through this process.

The United States of America is at a tipping point. Like the teeter-totter I played on as a child, our beloved country is about to go from a godly country to an ungodly one. If we do not act now, the liberties that we Christians have enjoyed since the birth of our nation are at risk of being eliminated. If we do not fight in unity, we will lose our country to secularists who believe Christianity is for the weak. We need warriors, Christian warriors to take to the battlefield and defeat the enemy. BUT HOW DOES ONE BECOME A WARRIOR FOR CHRIST? The samurai are arguably the greatest warriors ever. Imagine incorporating their dedication and self-sacrifice into your Christian walk; what a great Warrior for Christ you could become! It will not be easy, and you will be tested, but God is with you, as he was with Joshua: “Be strong and of good courage; do not be afraid, nor be dismayed, for the LORD your God is with you wherever you go.” JOSHUA 1:9 IT’S TIME TO PREPARE FOR BATTLE.

In this study, Scott C. Ryan situates Paul's letter to the Romans as one voice among a number of Jewish voices that frame God as a divine warrior. He first investigates motifs related to divine conflict in Exodus 14-15, Amos, Isaiah, Ezekiel, and Daniel 7-12, along with 1 Enoch, Psalms of Solomon, Wisdom of Solomon, the War Scroll, and 4 Ezra. The author then places Romans in dialogue with the works of Paul's predecessors and near contemporaries. When Romans and these Jewish texts are placed alongside one another, Paul emerges as a writer who participates in Jewish divine conflict traditions. The apostle maintains Israel's eschatological hope in a warring deity even as he modifies that image in light of God's action in the Christ-event.

Israel's newest prime minister as of February 6, 2001, Ariel Sharon is a dynamic and controversial leader. A hero in Israel's wars, perhaps the most daring and successful commander in Israel's extraordinary military history, Sharon has always been a warrior, whether the enemies were hostile Arab nations, terrorists, Time magazine, or rival politicians. The public man is well known -- aggressive in battle, hard-line in politics -- but the private man has always been obscured by Sharon's dazzling career and powerful personality. In this compelling and dramatic auto-biography, the real Sharon appears for the first time: a complex man, a loving father, a figure of courage and compassion. He is a warrior who commands the respect and love of his troops, a visionary, and an uncompromising, ruthless pragmatist. Sharon tells his story with frankness,

- * Attentive curiosity: slow down, observe calmly
- * Undulation: move side-to-side to build strength
- * Clear intent: know when and how to act
- * Grappling: engage the issue or opponent with confidence
- * Rolling waves: demonstrate persistence and the will to triumph
- * Whirlwind: when necessary, unleash an all-out onslaught
