

Timeless Love

The perpetual anxiety about America's educational system has created a state in which teachers, administrators, and parents are on a constant search for magical solutions for what ails the American classroom. Theories, reforms, and strategies abound, each purporting to be a panacea the educational establishment has long been waiting for. In *The Secrets of Timeless Teachers: Instruction that Works in Every Generation*, Jeremy S. Adams argues that the methods, habits, and behaviors that constitute powerful teaching do not change over time. In fact, an effective and impactful teacher a hundred years ago used many of the same habits and strategies a powerful teacher uses today. In essence, extraordinary teaching is timeless in nature. Like the speed of light or the sun rising in the East, it is a constant. Modern teachers who want to understand what timeless teaching looks like--and more importantly, how to do it--would be wise to study this text that is both highly descriptive and pragmatically actionable.

"Words by the millions have been printed about you, but none have revealed your real life, your secret life--which is that you belong to me." In this beautifully rendered literary memoir, Lucinda Franks, a Pulitzer Prize-winning journalist, tells the intimate story of her marriage to Manhattan District Attorney Robert Morgenthau, one of the great men of our time. After Lucinda interviewed Bob for *The New York Times* in 1973, the two took a while to understand that they had fallen in love. Franks was a self-styled radical who marched with protesters and chained herself to fences. Morgenthau was a famous lawyer, a symbol of the establishment, who could have helped put her in jail. She was twenty-six. He was fifty-three. Now, thirty-six years into a marriage that was never supposed to happen, one between two people as deeply in love as they are different, they are living proof that opposites can forge an unbreakable life bond. In *Timeless*, Franks offers a confidential tour of their unconventional years together, years that are both hilarious and interlaced with suspense. At the same time, she takes us behind the scenes to reveal the untold stories behind some of Morgenthau's most famous cases, many of which she helped him brainstorm for. A compelling memoir with piercing insights into how a relationship grows and develops over a lifetime, *Timeless* grants us an enlightening window into one of New York's most famous yet defiant and iconoclastic couples, and the trials and successes of their union.

A few gifted people have the insight to observe ordinary events of life—what people say and do and even what they think—and discover the extraordinary. Ken Brown is such an observer. His insight into the ordinary and his ability to relate his observations to truth with practical application is significant. Ken's insight into biblical truth is equally noteworthy. For the Christian, it is not enough merely to observe the events and people around them; it is even more important to interpret them in light of eternal truth. From a broad and deep knowledge of Scripture, Ken Brown applies culturally relevant and timeless biblical principles to life and its challenges.

Life and death struggles, a common thread that connects us as human beings, are vividly revealed in this inspirational and unforgettable true story as told by a mother and her daughter of their babies, born with life threatening birth defects. Swept away on an

uncharted and treacherous journey one thing clearly emerges, God, the ultimate thread that held them together through their darkest hours, was waiting for them there. He gave them beauty for ashes, the oil of joy for mourning, and the garment of praise for the spirit of heaviness so He might be glorified through their babies' life and death struggles. (Isaiah 61: 3b) At every bend in the road lives were forever changed. The baby boy unable to ever speak a word about what he endured in his fight for life went to his grave never knowing what a giant impression his tiny handprint had left on every heart he touched...leaving this world a better place than he found it. For the little girl, the veil separating Heaven and Earth was lifted . . . "Mommy, I see an angel!" Hoping to get a glimpse, her mommy searched the hospital room eagerly. "Where do you see an angel?" her mommy asked. She pointed overhead, "Up there . . . in the corner of my room . . . one angel with big, pink wings." Although her mommy didn't see the Heavenly being, together they felt the comfort of its presence. On their timeless journey of faith, hope, and love, their loving God went with them through it all: healing hearts, changing lives, sharing their deepest sorrows, and sending his angels to comfort and help them. Their stories, formed in the crucible of life and death struggles, were transformed by the grace of God into a thing of beauty. "He hath made every thing beautiful in his time." (Ecclesiastes 3: 11a, KJV)

A truly amazing story which shows how love transcends all time. A personal testament to the fact that love is eternal, that love endures and does not die when the physical body does. Love transports us through all of our journeys but we need to remember this. Twin soul love is powerful and a part of every individual where each of us seeks to find what we feel to be missing. But how do you know when it's found? How can you be sure about love when you have forgotten how it truly feels. When two people discover their twin soul love for one another, not only in this lifetime but also remember it from a previous lifetime, then they can guide us all. Finding love, understanding love, as well as appreciating our true self for who we really are, continues to be shrouded in the mystery of our day to day earthly existence. This enduring lack of understanding only serves to perpetuate an unwarranted sense of incompleteness and loneliness deep within us which all too often gives rise to feelings of fear, despair and discontent. So, as a consequence, we experience an insatiable desire to search for a mystifying 'something' which we somehow instinctively know we need but have little or no idea

where to even begin looking. Concealed within this dilemma, and even more perplexing, lies the concept of our eternal soul. This elemental but powerful 'you' resides unacknowledged at the core of your very being while remaining seemingly silent as you journey in search of your ultimate happiness. This subject alone has occupied the minds of philosophers throughout the ages but to be aware that we have another aspect to compliment our earthly existence is as intriguing as it is confusing. To appreciate that each soul is but one half of its twin gives rise to an important insight into what motivates our need to do the things that we do, or to search for what we feel driven to find. This remarkable story tells of two people, Ron and Janet who not only found each other in this lifetime but were also together in a previous and very dramatic lifetime while being caught up in the revolutionary war which ultimately gave birth to the USA of today. Through following their experiences, trials, traumas and triumphs, plus journeys into the afterlife, you will learn more about not only how they discovered themselves to be twin souls but how important this whole subject is and what it means to you. In trying to figure out what compels you to do the things that you do while making the choices that you do then having an appreciation of the twin soul that you are brings an extra dimension of clarity. Through coming to know yourself better, then this inevitably leads to discovering your path towards your greatest happiness while attracting and expressing the love which you so dearly wish to experience along the way. While reading an entertaining story you will find yourself being drawn in to a process which poses many questions about the life that we lead as well as what makes you who you are. Combining real life experience with that of a fascinating journey into a world which we have virtually no understanding of then you will be led towards a greater appreciation of the love which is so important to you.
