

## To Gain Whats Lost A Victorian Saga

This volume participates in and furthers the legacy of Dale Allison by collecting essays from leading scholars on the eschatology, intertextuality, and reception history of New Testament texts and related literature.

Provides safety tips and advice for children to follow in the event of getting lost on a field trip or in places such as a store or crowded area.

When the hen lays her eggs, the shells are soft and pliable, forming their durable armour as they experience the outside world. Each of us enters the world, with similar flawed and weak shells. Our shells are not broken and cracked by life, but are formed of the fragments that we encounter, piece by piece, growing more complete with each experience. *What We Have Lost* is a series of disconnected anecdotes in the lives of a family shaped by extreme poverty. These individual narratives chronicle the slow sculpting of the characters, as they fuse with their world, enveloped in mental illness. Molded by their mother's paranoia, social isolation and obsessive drive to instill the hunger for learning and sense of duty to others, the four siblings evolve in unique and often pathological ways. Not knowing or understanding the bonds of familial love, Garry, Judy, Rob and Roger need to discover their own path to personal peace. None may make it. *What We Have Lost* exposes the cruelty of poverty. It opens up the heart of that world, in surprising and convoluted ways. The pathos is clear, the hidden pleasures need unearthing. *What We Have Lost* is a collection of anecdotes, but, as you read, you will find that they are far from disconnected, after all.

### To Gain What's Lost

She thinks her life has changed for the better, her dark secrets hidden, but little does she know... The daughter of a wealthy landowner in Yorkshire, England in 1864, Anna Thornton leads a privileged life. But she is not content. She wants her life to mean something and longs to be accepted for the free-thinking, independent woman she is. When the dashing, adventurer Matt Cowan sweeps her off her feet, she thinks she has finally met her soul mate. However, he's not the man he seems to be. After he sails for South America, leaving her behind in England, Anna discovers she's pregnant. Heartbroken she flees her family home, determined to keep her child's illegitimacy a secret. He has a few dark secrets of his own... Brenton O'Mara is a strong, independent man who wants to make his own way without relying on his father's wealth. He comes to Anna's new home looking for work and convinces the reluctant woman to hire him. But Anna's wary of men, of love, and treats him as nothing more than the penniless laborer she believes him to be. Then, just when Anna seems to feel she is getting on with her new life, and Brenton believes he has a chance with her, the past rears up to confront them. Can Brenton and Anna learn to trust each other, or will they let yesterday destroy tomorrow?

\*\*\* Promotion - returns to \$4.99 on 7/28 \*\*\* "...will appeal not only to *The Wheel of Time* readers, but to anybody looking for a coming-of-age fantasy tale with likeable characters and strong worldbuilding." - *Fantasy Faction* It has been twenty years since the end of the war. The dictatorial Augurs - once thought of almost as gods - were overthrown and wiped out during the conflict, their much-feared powers mysteriously failing them. Those who had ruled under them, men and women with a lesser ability known as the Gift, avoided the Augurs' fate only by submitting themselves to the rebellion's Four Tenets. A representation of these laws is now

written into the flesh of any who use the Gift, forcing those so marked into absolute obedience. As a student of the Gifted, Davian suffers the consequences of a war fought – and lost – before he was born. Despised by most beyond the school walls, he and those around him are all but prisoners as they attempt to learn control of the Gift. Worse, as Davian struggles with his lessons, he knows that there is further to fall if he cannot pass his final tests. But when Davian discovers he has the ability to wield the forbidden power of the Augurs, he sets into motion a chain of events that will change everything. To the north, an ancient enemy long thought defeated begins to stir. And to the west, a young man whose fate is intertwined with Davian's wakes up in the forest, covered in blood and with no memory of who he is...

Mira Montgomery is the only one left. Her brothers unexpected death leaves her tragically alone. No kids. No husband. No family. Fifty-one years of unrealized dreams crash down on her when a real estate development company threatens the only stability she has left: her store. To make matters worse, her friends in the Health and Happiness Society have more good news than ever before. Mira is faced with the decision to walk away and start fresh, or stay and fall apart. Can she survive life without the comfort of her friends? Or will she fall farther into her depression than ever? Join Mira on her new path through old grief, new loss, and the burning importance of gratitude in the fifth and final book in the Health and Happiness Society series.

United Methodist pastor Elise Erikson Barrett draws on her own painful experiences, as well as on interviews with others who have gone through the devastation of miscarriage, in an effort to help women grieve and, in time, to think theologically about pregnancy loss. Barrett also offers some much-needed practical advice about breaking the news to others, coping with insensitive comments, and grieving what is often a private loss, unmarked by the world.

How would you live if you had no memories? And what if you were suspected of a terrible crime? Sarah has no memories. She just knows she was found, near death, on a beach miles from her London home. Now she is part of a medical experiment to see whether her past can be retrieved. But bad things seemed to have happened before she disappeared. The police are interested in her hidden memories too. A nice man she meets in the supermarket appears to have her best interests at heart. He seems to understand her - almost as if he knows her... As she fights to regain her memories and her sense of self, it is clear that people are hiding things from her. Who are they protecting? Does Sarah really want the truth?

As the fifties ended, we were about to embark on a journey that would take our American society in a completely new direction. By reviewing history, we can identify how the tumultuous sixties chose our path while each decade, beginning in 1950 and continuing through 2000, determined our course at that time. On this journey, many values and lifestyles experienced by the Baby Boomers were left behind, not passed on to their children, Gen X and Gen Y. The resulting new outlook profoundly influenced attitudes held by these emerging generations. The fascinating field of handwriting analysis serves as our GPS which enables us to identify these attitudes, trace where weve been and understand where society is today. Handwriting is an expression of self and attitudes resulting from personal experiences, social interactions and events that made a significant impact. Reliving the journey with insight is made possible by studying handwriting samples obtained from high school yearbooks covering those five decades. Numerous historical and societal changes profoundly influenced attitudes of today. These attitudes mirror our culture. Handwriting analysis will not reveal precise societal changes; however, it will reveal how these changes impact attitudes.

In her “keenly observed” (Star Tribune, Minneapolis) debut, Rachel Louise Snyder author of the award-winning *No Visible Bruises*, chronicles the twenty-four hours following a mass burglary in a Chicago suburb and the suspicions, secrets, and prejudices that surface in its wake. Nestled on the edge of Chicago's gritty west side, Oak Park is a suburb in flux. To the west, theaters and shops frame posh houses designed by Frank Lloyd Wright. To the east lies

a neighborhood still recovering from urban decline. In the center of the community sits Ilios Lane, a pristine cul-de-sac dotted with quiet homes that bridge the surrounding extremes of wealth and poverty. On the first warm day in April, Mary Elizabeth McPherson, a lifelong resident of Ilios Lane, skips school with her friend Sofia. As the two experiment with a heavy dose of ecstasy in Mary Elizabeth's dining room, a series of home invasions rocks their neighborhood. At first the community is determined to band together, but rising suspicions soon threaten to destroy the world they were attempting to create. Filtered through a vibrant pinwheel of characters, Snyder's tour de force evokes the heightened tension of a community on edge as it builds towards an explosive conclusion. Incisive and panoramic, *What We've Lost Is Nothing* illuminates the evolving relationship between American cities and their suburbs, the hidden prejudices that can threaten a way of life, and the redemptive power of tolerance in a community torn asunder. "Ideas abound in this thoughtful story, a demonstration of the author's years of experience as a community organizer. *What We've Lost Is Nothing* has the stamp of authenticity" (The Washington Post).

This is book 2 of the Evelina series. Things get even hot. Raised stakes and a matter of life or death. Mankind's existence rest on the shoulders of one woman. The Omega. The first woman has become the last woman. The only true seal. What if it was all planned before this world was created? To save all humanity, mankind must find the only true key; the Omega. On the other hand, to restore the lost kingdom of darkness, the devil must find the most wanted catalyst; The Omega. When everyone's fate is in your hands what are the risks to yourself? It is a dash against time as total obliteration of the losing team is imminent and inevitable. It is a story of courage, steadfast and honor in the face of death. When loyalty is tested to breaking points. When the person you are to protect is the same person you must kill to save humanity from extinction? Some choices are meant for gods as humans are too weak and unequipped to handle such traumatic experiences. One man's quest to solve God's Dilemma, but at what cost? One lady's quest to clear her name and enjoy life like every woman out there, but with what is at stake will the evil regime turn a blind eye? And at what expense? On the edge of the seat from the word go. A MUST READ.

Baffled by your new inability to hear? Know someone who is? Then *I've Lost My WHAT???: A Practical Guide to Life After Deafness* is for you. It talks about assistive devices, the psychology of adult-onset deafness, communication, relationships, cochlear implants, hearing aids, the Americans with Disabilities Act, telephone use, and daily life for people who've gone deaf post-lingually. "This book should be required reading for anyone who's lost their hearing or works with late-deafened individuals. *I've Lost My WHAT???* could very well be the late-deafened adult's Bible." -Michele Bornert, Late-deafened freelance writer "A top-notch reference for those who become deaf." -Mary Clark, former executive director, Hearing Loss Link "Shawn learned all this stuff the hard way. Now he's making sure you won't have to do it too." -Cheryl Heppner, Exec. Dir. Northern Virginia Resource, Center for Deaf and Hard of Hearing Persons

Even though it seems unrecoverable, you can grow through loss and what feels like you have lost everything.

*Meditations on Life and Living...Born Out of Love for God* are basic but simple testimonials in story format with Scripture as the catalyst and theme for their birth. How many times have you sat alone somewhere just reflecting on the simplicity of life...how blessed you are, from where you came compared to where you are now. Author, Elois Wilform-Malcolm, brings these everyday things to life.

It will seem as though you are right there by her side, witnessing what she does in her own mind, seeing, feeling, understanding her point of view as she correlates biblical Scriptures into her reflections and how your understanding of Scripture can be a driving force for you own life. Meditations on Life and Living...Born Out of Love for God will allow you to relive your past, reflect on the glory of your present and marvel at your future when you realize the joy, happiness, contentment and peace of mind you attain through a life with God. You will see where you were before salvation, understand who you are in your salvation and strive to be even better through salvation. You will see how Scriptures are being brought to "light" through everyday life situations. Wait till you read catchy titles such as: Throw Down Your Rocks, The Fragrance of Christ, or Wake Up Everybody. You will find excitement in the directions each testimonial meditation will take you. Reading these meditation will bring about purpose for studying the Bible, which is not to know the Bible but to know God. The Bible is not a book of rules but a book of principles which are clearly and simply brought out through these meditations. We get to know God through His Word, His spirit, our experiences and through prayer. May you be blessed!! God, the almighty and strong, teaches us in his word that we can do all things through him that strengthens us—something one young woman has to learn at a young age. This is a story of a child, a young woman, who faces and endures some of the most impossible situations in life. Scarred by molestation and physical and mental abuse, she must fend for her three young siblings, even as she sees her own childhood slip away. But just when she feels when her life sliding into total devastation, God sends an angel that teaches her to have the courage to walk, to fight the good fight, and to use the experiences to have a better future. Going Back to Find What Was Lost in the Storm is an inspiring, encouraging, uplifting book that will empower you to have faith in God and yourself.

Jim Paul's meteoric rise took him from a small town in Northern Kentucky to governor of the Chicago Mercantile Exchange, yet he lost it all--his fortune, his reputation, and his job--in one fatal attack of excessive economic hubris. In this honest, frank analysis, Paul and Brendan Moynihan revisit the events that led to Paul's disastrous decision and examine the psychological factors behind bad financial practices in several economic sectors. This book--winner of a 2014 Axiom Business Book award gold medal--begins with the unbroken string of successes that helped Paul achieve a jet-setting lifestyle and land a key spot with the Chicago Mercantile Exchange. It then describes the circumstances leading up to Paul's \$1.6 million loss and the essential lessons he learned from it--primarily that, although there are as many ways to make money in the markets as there are people participating in them, all losses come from the same few sources. Investors lose money in the markets either because of errors in their analysis or because of psychological barriers preventing the application of analysis. While all analytical methods have some validity and make allowances for instances in which they do not work, psychological factors can keep an investor in a losing position, causing him to abandon one method for another in order to rationalize the decisions already made. Paul and Moynihan's cautionary tale includes strategies for avoiding loss tied to a simple framework for understanding, accepting, and dodging the dangers of investing, trading, and

speculating.
