Atheists deny we can know God because they deny there is a God to know. But even believers who affirm God's existence sometimes don't know him. They don't know much about God because they neglect to think much about God and what God has revealed about himself. They accept that there is a God but they don't give much thought to what God is like. And even if they know a great deal about God in the sense of being able to state truths about him, they don't necessarily know him personally and intimately. In *Knowing God* (previously titled *God and the Human Mind*) the great Catholic writer, teacher, and publisher Frank Sheed helps readers to know that God exists, to think about who and what God is, and to know God personally. He clears away popular misunderstandings of God, often held by otherwise knowledgeable people. A masterful, lucid writer, Sheed is not timid about tackling the most challenging questions the human mind can pose about God, yet he does not reduce divine mystery to dry propositions or neglect the necessity of faith. Sheed acknowledges the limits of human words and human minds when it comes to God. At the same time, he carefully explains the meaning of Spirit, the role of theology and revelation, including the place of the Bible in the Church, and the experience of God in mysticism. In the final section, Sheed goes into the heart of the mystery of God, exploring God as the Trinity and the difference the Trinity should make in understanding God and ourselves.

This modern spiritual classic offers the reader an in-depth study of Jesus Christ as he lived and spoke in the Gospels. Sheed employs wide learning, profound spiritual insight, and a lucid style to bring the reader to a deep personal encounter with the living Lord.

During His ministry on earth, Jesus of Nazareth spent most of His time healing the sick, casting out demons, training disciples, teaching the people, and preaching the kingdom of God. But what is Jesus Christ doing today? What is His present-day ministry? In *Jesus Now*, bestselling author Frank Viola gives us the first comprehensive treatment of what Jesus has been doing since His ascension until His second coming. In an easy-to-read format, Viola explores the seven aspects of Christ's ministry today and shows how each one benefits the saved and the unsaved. Open these pages and discover what the Lord Jesus Christ is doing now and how it will impact your life.

English journalist Frank Morison had a tremendous drive to learn of Christ. The strangeness of the Resurrection story had captured his attention, and, influenced by skeptic thinkers at the turn of the century, he set out to prove that the story of Christ's Resurrection was only a myth. His probings, however, led him to discover the validity of the biblical record in a moving, personal way. *Who Moved the Stone?* is considered by many to be a classic apologetic on the subject of the Resurrection. Morison includes a vivid and poignant account of Christ's betrayal, trial, and death as a backdrop to his retelling of the climactic Resurrection itself.—Print Ed.

Reviews: "It is not only a study on the Resurrection account as the title seems to suggest, but it retells the whole passion of Jesus Christ. Because the author does not concern himself with textual criticism, he is able to impress on the reader a consistent picture of the events of Passion and Resurrection. For this reason the book will perform a helpful service to everyone who wants a reconstruction of those events."—Augustana Book News "A well-arranged summary of events relating to the resurrection of Christ and the pros and cons in the debate over their acceptance with emphasis on the latter."—Watchman Examiner "The story Mr. Morison

has told of the betrayal and the trial of Christ is fascinating in its lucid, its almost incontrovertible, appeal to the reason. For me, he made those scenes live with a poignancy and vividness that I have found in no other account, not even in the various attempts that have been made to present the same facts in the guise of a novel.”—J. Jesus says, “The Scriptures point to me!” (John 5:39 NLT). But what does that mean exactly? The twenty-seven books of the New Testament are largely a commentary on the Old Testament, and each part of the Bible is a signpost to Jesus. Once this is properly understood, everything changes, including our own identities. In this magisterial work you will discover a Jesus who is larger, more glorious, and more challenging than most of us have ever imagined. Biographies of Jesus generally have been written by those trying to investigate the historical Jesus with little attention given to the grand narrative of Scripture. On the flip side, those interested in tracing the theology of Scripture are typically disinterested in historical Jesus studies. These two approaches have yet to converge...until now. Jesus is written for the average reader as well as scholars. Leonard Sweet and Frank Viola (authors of *Jesus Manifesto*) unfold the greatest story ever told in a fresh and invigorating way. So whether you are a seasoned Christian, a new believer, or someone who is intrigued by Jesus, this book unveils the discoveries of a lifetime, transforming the tired and familiar way we have read the Bible into an electrifying journey of rediscovering Christ. Introducing a new kind of Jesus biography. In this compelling work, authors Leonard Sweet and Frank Viola reclaim the entire Bible as a gripping narrative about Jesus Christ. Virtually every other “Jesus biography” begins with the nativity account in Bethlehem. In this groundbreaking book, Sweet and Viola begin before time, in the Triune God, and tell the complete interconnected story of Jesus from Genesis to

Revelation. Jesus: A Theography is the first book ever written to combine historical Jesus studies with biblical theology, crafting together one breathtaking saga that tells the Jesus story in both Old and New Testaments. This flagship book demonstrates clearly that every bit of Scripture is part of the same stunning drama, what the authors refer to as the theography of Jesus Christ.

Discusses false ideas about God's love, especially among Christians, and clarifies biblical ideas, notably that God will never stop loving anyone and that no believer will be left behind at Christ's return. Enables every believer to say, no matter what their situation in life, "I know God loves me!" If there are two words that seem not to fit together they are "society" and "sanity." Spend twenty minutes on the freeway or ten minutes reading the newspaper, or ponder the religious and political conflicts in some regions of the world, and you will understand the point. Yet if people are to thrive--to live fully and together in peace-- we must have sanity when it comes to society. And that requires sanity when it comes to thinking about man. Sanity involves seeing things as they really are. Social sanity requires seeing man as he really is--to grasp who and what human beings are and what sort of social arrangements help or hinder human flourishing. In this classic work, *Society and Sanity*, Catholic thinker Frank Sheed brings his brilliant mind and lucid writing style to bear on the good human society. By explaining perennial truths about human nature based on the wisdom of Catholic social ethics, Sheed's book is as pertinent today with our controversies about love, the nature of marriage, the role of government, the relationship of law and morality and of Church and State, and the duties of the citizen, as when he penned the work over a half a century ago.

Studying the theology of the New Testament can be a daunting task, even to the knowledgeable Bible student or

pastor. Each of the twenty-seven books, written by various authors, has its own theological emphasis and nuances. How do we elicit a coherent message from such theological diversity, especially given that some of the theological statements in the New Testament seem to be at odds with one another? Is such an endeavor achievable or even valid? Theology of the New Testament takes a balanced approach in response to these challenges. Frank Thielman presents a theology of the New Testament that is careful to take into account the cultural and historical circumstances surrounding each book and the New Testament as a whole. He not only examines each book's theological content individually, but also in relation to the rest of the New Testament, particularly within each of the three theological units that comprise the New Testament: the gospels and Acts, the Pauline epistles, and the general epistles and Revelation. This canonical and synthetic approach honors both the theological diversity of the various books and the theological connections between the books. In the end, Thielman finds a unified theological vision of the New Testament, anchored in the centrality of Jesus Christ. Frank Thielman's *Theology of the New Testament* is an outstanding achievement. The book is marked by scholarly depth, exegetical rigor, and theological profundity. Both students and professors will profit immensely from this lucid treatment of the theology contained in the New Testament documents. Thomas R. Presents a comprehensive study that examines how the layman can take a more active role in the church by understanding the basic aspects of theology and its importance in today's world.

How should we understand the Christ of the New Testament? What is the biblical framework that theologians and students must master if their systematic Christology is to be rooted in Scripture? In this book, Frank Matera answers these questions through a comprehensive study of the Christology found in the New Testament.

It starts with God and tells about the world so that a small child would understand. It is written in rhythm, so parents can easily read it to children. It helps the child understand the world. What is special is that it gives a good, new type of relationship between God and Jesus Christ. It naturally gives deep religious ideas about the life of Jesus and how it all fits in his mission on earth, giving a human and divine portrayal of his life and allowing children to easily understand it. It starts with the idea that God saw a baby and wondered what it is to be a baby. He gets the plan of sending Christ to earth to be a baby and to grow up to be a man. Jesus then goes to earth and becomes a baby. For the plan to work, Jesus has to not know his divine nature and become just like any baby on earth. This gives children a sense of the human nature of Jesus. Then when he is twelve, he gets a dream of his former divine nature,

and when he is baptized, he gets to know his full divine nature. He goes to the high hills and plans his future life to explain to people his divine mission. He gets twelve men to help him. Children naturally learn Jesus' human and divine natures. The last chapter makes children feel that Jesus is watching out for them and answering their prayers.

Living for God is impossible when all our efforts and ideas are based on the same fear-based, guilt-driven plot line--try harder. Simple Gospel, Simply Grace demonstrates that everything we try to achieve in the Christian life has already been given to us...from God, by grace, in Christ.

JESUS MANIFESTO presents a fresh unveiling of Jesus as not only Savior and Lord, but as so much more. It is a prophetic call to restore the supremacy and sovereignty of Christ in a world---and a church---that has lost sight of Him."

Two thousand years ago, Jesus Christ met face-to-face with people just like you. Broken, imperfect, sometimes fearful and without hope. *The Day I Met Jesus* is a beautifully crafted narrative that chronicles the remarkable encounters of five women in the Gospels who were desperate to find wholeness, security, and purpose. Like all of us, these women struggled with the regrets of their pasts, the stresses of their presents, and the worries of their tomorrows. Viola writes with gripping power, challenging Christians to embrace an unparalleled allegiance to Jesus Christ and his kingdom. This book begins with some of the reasons why the laity should bother with theology at all, showing it as food and light for the soul; without it one might live an undernourished life. These key ideas are carefully examined: Spirit, Mystery, God's Infinity and Man's Creation from Nothing, the Trinity, Man's Fall, the Incarnation and Redemption, the Mystical Body and Our Lady as its First Member, Grace and the Sacraments and more. The Author reveals and shows that there are two separate issues to consider when dealing with attacks from the enemy. #1. The legal reason why the enemy has a right to attack and afflict called the contract and #2. the assignment, the attack itself. The author exposes several schemes and tactics the enemy uses to give knowledge to the reader and at the end he offers freedom and deliverance to the reader through Jesus Christ.

Considered one of Frank Sheed's best books, *A Map of Life* is also regarded as one of the best and most popular short summaries of the Catholic faith ever written. Focusing on the major truths of our existence and purpose in life, Sheed draws on God's revelation to show what the divine master plan is for us and how each part of the plan is related.

Beginning with "The Problem of Life's Purpose" and "The Problem of Life's Laws", he covers such important parts of the map of life as "The Creation and Fall", "The Incarnation", "The Mystical Body", "The Trinity", "Law and Sin", "The Supernatural Life", and "Heaven, Purgatory, Hell".

Gospels is to come to know Christ as he actually lived among us and as he interacted with all the various people he encountered from his infancy to his passion and death. Sheed attempted to show Jesus through his effect upon others--seeing how they saw him, trying to see why they saw him so. There is much about Mary and Joseph in their task of bringing up a Jesus; about John the Baptist; about Mary of Bethany and Mary Magdalen; about Nicodemus; about people we meet only for a moment, like the man born blind and the owners of the drowned swine; and why the Pharisees, not only the worst of them but some of the best, would not accept Christ. Faith, doctrine, prayer, worship--all the content and consequences of Christian belief--rest on the person of Christ Jesus as recorded in the Gospels. In this classic study, Frank J. Sheed employs wide learning, theological sophistication, spiritual insight, and a lucid style to bring the reader to a personal encounter with the living Lord. Sheed had a distinguished career as a publisher, lecturer, street-corner evangelist, and popular writer. He and his wife Maisie Ward were the founders of the publishing house Sheed & Ward.

many things—things other than Christ. Religious concepts, ideas, doctrines, strategies, methods, techniques, formulas, "its" and "things" have all eclipsed the beauty, the glory, and the reality of the Lord Jesus Himself. On the whole, Christians today are starved for a real experience of the living Christ. We know a lot about our Lord, but we don't know Him very well. We know a lot about trying to be like Jesus, but very little about living by His indwelling life. JESUS MANIFESTO presents a fresh unveiling of Jesus as not only Savior and Lord, but as so much more. It is a prophetic call to restore the supremacy and sovereignty of Christ in a world—and a church—that has lost sight of Him. Every revival and restoration in the church has been a rediscovery of some aspect of Christ in the process of answering the ultimate question that Jesus put to His disciples: "Who do you say that I am?" Read this book and see your Lord like you've never seen Him before.

People whose day-to-day lives have not been changed through knowing Christ fill the pews of today's churches, says the urbane, astutely provocative F.J. Sheed – a modern-day Jeremiah in a two-piece suit. Likewise, Sheed asserts, church leaders exhibit similar lacks, and neither clergy nor laymen are blind to, nor silent about, the others' weaknesses. Sheed charges that both share a common failure to consider Christ in their scathing criticisms as they propose both radical change and a return to old ways to correct the problems they see. Says Sheed, "I have fallen into a way of reminding the objectors that . . . an administration is necessary if the Church is to function, but Christ is the whole point of that functioning." Writing from the perspective of a half-century preaching career which began on a corner soapbox in London, this man who expressed concern that "people, more than ever, don't find God interesting" shows in this book, that, more than ever, he does. His main question in this book for all of us to answer

is "How real is Christ to us, how well do we know him, what strong desire have we to know him better?" Sheed is perhaps more qualified than almost anyone to write about the Christ who has been forgotten in today's world. Few laymen have had such wide and varied contacts within the Christian world and seen the private face of so many of its public men. Sheed had conversed with, and published most of, the leading Christian writers of the twentieth century.

My sheep hear My voice, and I know them, and they follow Me. ~ Jesus, John 10:27 Countless Christians today are hungry to hear God's voice. The trouble is, many don't know how. In a warm and practical way, *Jesus Speaks* teaches readers how to listen for the voice of Jesus. The book explores the various ways in which Christ speaks today and how His sheep can grow in their ability to recognize and respond to His voice daily. By exploring how the disciples interacted with the risen Jesus--from the Gospels to Revelation--Sweet and Viola unpack the myriad of ways the Lord speaks to His people today. They demystify the process, providing practical handles on how you can recognize the voice of Jesus in your own life. In 2009, Leonard Sweet and Frank Viola set out on a journey of discovery. They had one goal: to help restore the supremacy and sovereignty of Jesus Christ above all else. Soon after, they released their national bestseller, *Jesus Manifesto*. Two years later, they released *Jesus: A Theography*, beautifully establishing that all Scripture unveils a person--the Lord Jesus Christ. *Jesus Speaks* is the long-awaited third volume in their JESUS trilogy. Read it and be equipped to hear the voice of your Lord. "He who has ears to hear, let him hear."

Our Lord and Savior Jesus Christ. This book encourages you to "Go To The Word" for guidance and direction when approaching the many spiritual aspects of "salvation." If you "Go To The Word" and seek a renewed understanding of your salvation, you will be blessed along the way. "SALVATION: Go To The Word..." will be a blessing to you. Frank Clay embraced God's Word, the old church spirituals, his father's church music and a personal appreciation for the 10 Commandments at an early age. Hearing the invitation to confess his sins and ask forgiveness, acknowledging His Lord and Savior Jesus Christ, Frank Clay gladly accepted his salvation in Jesus Christ at an early age. As an act of faith, Frank Clay now passionately shares the appropriate salvation scriptures to encourage and strengthen all believers to continue in their salvation journey by studying the scriptures related to "SALVATION." His call to action for the believer and the unbeliever is... "Go To The Word." "Go To The Word" to know more about your salvation! To Bring Those You Love to Christ... People often ask us as we travel to minister, "What can we do about family members? What can we do about friends and loved ones that are lost, or living a life of sin and taken over by the devil?" This question concerns the people in your life who are outside the family of God, but who do not want any help. They are simply not open for direct ministry. Through spiritual warfare, intercessory prayer, and the ministry of love, we are

able to help create the best possible environment around a loved one to come to know Jesus. But we must not lose our closeness with the Lord in the process, as these situations can be quite challenging to our spiritual walk. Using the wall-building example of Nehemiah, and insights from the Book of Jude, Frank Hammond explains the importance of edifying those around us as a means of leading them into a direct relationship with Jesus Christ. Frank Hammond says:

"Remember that the Lord Christ is with you. The Lord is strong; the Lord is mighty; He is the Lord of hosts, the Lord of armies. He will fight in your behalf. Get in the battle and don't let your family or friends go down without resistance. Put up resistance and fight for your loves ones "

About the Authors: Frank and Joanne Mitchell are new writers. This now published work has been anticipated for some years. Frank and his wife Joanne lives in South Florida with their 4 children and grandchildren. After accepting Jesus Christ in 1983, Frank has been studying God's Word. Over the years, little by little he began to learn more and more about God's Word. As he studied, he began to learn how much he didn't know and how much it was to learn. It was like discovering a New Frontier. Realizing that he had been given an unending desire and urgency to see people born again by accepting Jesus Christ as their Lord and Savior and worshiping Him, he had an urgency to present to others an opportunity to see what he saw (The Love of God) in a simplistic form. It wasn't until 2013 that he finally began to put his thoughts and feelings down on paper in the form of this book, BORN 1 DIE 2.BORN 2 DIE 1. He believes that he is being used as a vessel to deliver God's message of Salvation to anyone that is not saved and maybe a little clearer understanding to those who are saved. ecclesiology, ethics, and eschatology, Matera explores both the unity and the diversity of the thirteen Pauline letters.

Written in a clear and coherent style, *God's Saving Grace* presents students, professors, and pastors with a comprehensive yet concise and accessible overview of the theology found in the entire corpus of Paul's letters.

At the heart of the Christian message stands the proclamation of the resurrection: the good news that God raised Jesus from the dead. In *Resurrection: The Origin and Goal of the Christian Life*, Frank Matera explains why the resurrection was so important to the early church and why it remains important for Christians today. Beginning with the gospels, then moving to the Acts of the Apostles, the Pauline Epistles, and concluding with Hebrews, 1 Peter, 1 John, and the book of Revelation, Matera provides a comprehensive overview of how the different writings of the New Testament proclaimed the resurrection of Jesus Christ. Written in a clear and accessible manner, Matera presents readers with a way to understand the central message of the New Testament and of Christian faith: God raised Jesus from the dead.

Building on this message, he shows that the resurrection of Jesus enables and empowers believers to live in the world today and provides them with the assurance that God will raise them from the dead as well.

In the following chapters, The author, Frank Marzullo, Jr presents 10 distinct messages. Each one is a teaching to the body of Christ on how to be spiritually healed, to become spiritually discerning, how to recognize demonic behavior within themselves and others and how to be delivered of evil spirits in Jesus' name. He has placed the casting out of evil spirits at the end of each chapter to accomplish this purpose. If you are being drawn to the ministry of deliverance, you must be prepared with the tools of the ministry that the Holy Spirit provides as found in 1 Corinthians 12:4-11:

Vatican II issued an urgent call for the laity to take a more active role in the life of the Church. What should the life of the Christian believer be like? How are average lay Christians called to help save the world? How does theology fit into the picture? One of Frank Sheed's most popular books, this ideal volume for the layman shows the practical aspects of theology in the life of a Christian believer. Logic, clarity, and simplicity permeate this eminently readable book. Drawing from his fifty years of street-corner preaching, as well as his long career as an author, lecturer and publisher, Sheed understands and communicates better than anyone the importance of theology and its relationship to living sanely in today's world. A brilliant synthesis of the Catholic view of life.
