Everything is supposed to go back to normal. Fia is supposed to pretend she never loved Salvi. That she never was targeted by the Pope and his army. That her life never was in danger. That makes no sense to Fia. After all, she'd dressed as a man, found freedom beyond her wildest imaginings, and won the race of a lifetime. And then found Salvi's village burned by the Pope's dragons - many old friends dead in the ashes. And they kidnapped her best friend. And the Pope's army is marching toward her city, Fiorenza, to attack. Her papa wants her to marry Carmelo. Still. After all this. They don't know the secret Fia is hiding. To protect it, Fia's going to have to make all the wrong choices. Set in an alternate medieval Italy with dragons and magic, ASSASSIN'S BLADE is for fans of the dragon books of Ursula K. With Jaevid Broadfeather forever lost to the depths of Luntharda, Felix Farrow struggles to stand on his own. He begins a violent downward spiral which causes him to abandon his post as a dragonrider, hiding in the halls of his family estate. His one hope for redemption lies within the heart of someone from his past--and the very last person he ever wanted to see again. And now the time has finally come. Hovrid, who has ruled Maldobar as a tyrannical imposter, is preparing to make a decisive assault against Luntharda that will destroy what remains of the elven race. Only Jaevid, Felix, and their trusted friends are able to stand in his way. They have only one chance to end the war, and only one hope to absolve the curse that threatens to destroy their world. The stage is set. The plan is in motion. What began as one boy's adventure will now end in blood.
