

Transgression City Of God 1 Randy Ingermanson

The language of the Bible has no inconsiderable influence in forming and preserving our national language. On this account, the language of the common version ought to be correct in grammatical construction, and in the use of appropriate words. This is the more important, as men who are accustomed to read the Bible with veneration, are apt to contract a predilection for its phraseology, and thus to become attached to phrases which are quaint or obsolete. This may be a real misfortune; for the use of words and phrases, when they have ceased to be part of the living language, and appear odd or singular, impairs the purity of the language, and is apt to create a disrelish for it in those who have not, by long practice, contracted a like predilection. It may require some effort to subdue this predilection; but it may be done, and for the sake of the rising generation, it is desirable. The language of the scriptures ought to be pure, chaste, simple, and perspicuous, free from any words or phrases which may excite observation by their singularity; and neither debased by vulgarisms, nor tricked out with the ornaments of affected elegance. Noah Webster, 1833

What If? What if you were studying for your Ph.D. in archaeology and somehow got trapped in first-century Jerusalem after a controversial physics experiment went horribly wrong? What if you knew from your history books that a kind and decent man was going to be murdered by the powers-that-be, all because of stupid politics? What if you could prevent the murder, but you knew it might endanger the person you loved most in the world? It's A.D. 57 and Rivka Meyers desperately wants to go home, but her husband Ari is a physicist, and he says they're stuck in the first century. He also says that the laws of physics say Rivka can't change history.

Rivka knows he's wrong, and she's going to prove it-by saving James the brother of Jesus from being murdered by the evil high priest. About The Book: Premonition is a time-travel suspense novel that mixes science, history, religion, romance, and adventure. It's about becoming the person you were meant to be. It's about learning to accept harsh reality when you'd really rather quit and go home. It's about being a badass fighter for justice, even when you're fresh out of easy answers to hard questions. Premonition won the 2004 Carol award for best Christian historical novel. Premonition will take you on a wretched, miserable, dangerous vacation through the filthy, bandit-ridden streets of first-century Jerusalem. Premonition is the second novel in the City of God series: Book 1: Transgression (A.D. 57) Book 2: Premonition (A.D. 57-62) Book 3: Retribution (A.D. 62-66) Excerpt Rivka stepped into the street. "Come here, little girl. I'll help you." Fear twisted the girl's face. She backed away. "Imma!" Rivka followed her. "I won't hurt you! I'll help you find your Imma." The child backed up further, stepping into the shadows of the narrow street. Rivka hurried forward. "I won't hurt-" A shadow lunged toward her. Rivka screamed, spun, stumbled. Her oil lamp flew against the wall, broke into a thousand shards. The shadow fused into a grubby, bearded man with a very dirty face. Strong hands pinned her arms to her sides. "Get away from me!" Rivka kicked furiously. "Ari! Help! Baruch!" She twisted her head, trying to butt the man. Several men emerged from the shadows and surrounded her. Strong hands grabbed her hair and yanked back, stretching her neck painfully. A cold metal blade pressed against her throat. Click the book cover in the upper left corner to read more.

This comprehensive volume presents the complete Hebrew text of the selichot as well as an eloquent English translation. Included are all selichot recited during the year--those for the

days before Rosh Hashanah, for the Ten Days of Repentance between Rosh Hashanah and Yom Kippur, and for all other fast days. Also included are the Torah and Haftorah readings for fast days.

In Part Two of his commentary on Jeremiah and Lamentations, John Bracke provides a powerful interpretation of the prophet's message to a nation refusing to repent and obey God and points beyond exile and suffering to God's restoration of the people and renewal of the covenant. Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice. Each volume explains the biblical book in its original historical context and explores its significance for faithful living today. These books are ideal for individual study and for Bible study classes and groups.

What if you were studying for your Ph.D. in archaeology and somehow got trapped in first-century Jerusalem after a controversial physics experiment went horribly wrong? that distracts you from what the Bible is actually saying and what it means? Or is it a Bible version that will actually help you to understand what the Bible is saying and truly means? I submit to you that the Kingdom Study Bible Version is the only true Study Bible, because it is the latter rather than the former. If you want to learn about those things in the pretty pictures and sidebars, I believe that you would be much better served by investing in other Bible tools that are already available: Hebrew and Greek grammars, concordances, Biblical Backgrounds, etc. But you cannot combine all of those tools in a Bible, because what you end up with is something that distracts your attention from the Bible onto other things. The headings of the Kingdom Study Bible are the themes of the Divisions, Volumes, Books, Parts, Chapters, Sections, Paragraphs, and Subparagraphs. This is one of the keys to understanding how this Bible version is arranged. The Bible has its own high-level outline; every Volume has its own outline; every Book has its own outline; and every Chapter has its own outline. The Kingdom Study Bible has approximately 306 outlines, of every part of the Bible! No other study bible even comes close. And, unlike all other Bible versions and arrangements, these outlines show the true and correct outline of those Volumes, Books, and Chapters (including their internal subdivisions). How does it do it? Through the only true and correct arrangement of the Bible that is guided by the Golden Ratio design. This arrangement is brand new to us; but it has always been there in the Scriptures, because God put it there. This requires some explanation to understand, so you must

read the Preface of the Kingdom Study Bible as a starting point. I have also provided a wealth of Bible studies on my website at <https://www.phibible.org/info/GoldenRatioBibleStudies/EnglishStudiesMenu.html> to help you understand how it works and why it came from the Lord. The Golden Ratio design is not the Gospel! It is like the fingerprints of God upon his Word, that demonstrate his perfect, guiding hand upon the original human writers of the Bible text in such a way that the inspiration of the Holy Scriptures cannot be denied. And no other Bible version comes even close in the quality of their outlines, since those other outlines are typically very general and are not the true themes of the Bible text. A proper theme is the content of a Bible portion that is "boiled down" into a single sentence, that gives an accurate summary of what that Bible portion actually teaches. This is where the Kingdom Study Bible really shines, and where the other study bibles fall short. There is much more than I have space for here: see <https://www.phibible.org> for more information.

This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word. At the same time, it provides a limited review of the semiannual training held December 25-30, 2017, in Anaheim, California, on the "Crystallization-study of Leviticus." Through intimate contact with the Lord in His word, the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ.

century Jerusalem after a controversial physics experiment went horribly wrong? What if you knew the exact date when Roman troops would come sweeping into Jerusalem to crucify 3000 innocent people? What if you could save some of those people -- not all of them, but you could save the ones you loved -- only if you stayed there in Jerusalem yourself during the rampage? It's A.D. 62 and Rivka Meyers has given up hope of ever going home. Her husband Ari is a physicist, and he says they're stuck in the first century. He also says that the laws of physics say Rivka can't change history. Rivka now believes him, but she also knows that anything not written in the history books is fair game for her to influence. The only problem is that the history books say nothing about whether she herself is going to survive. About The Book: Retribution is a time-travel suspense novel that mixes science, history, religion, romance, and adventure. It's about making hard ethical choices between two terrible wrongs. It's about digging deep to help people who won't be helped. It's about being a badass fighter for justice, even when you're fresh out of easy answers to hard questions. Retribution won the 2005 Carol award for best Christian historical novel. Retribution will take you on a wretched, miserable, dangerous vacation through the filthy, bandit-ridden streets of first-century Jerusalem, right into the jaws of the catastrophic Jewish revolt that began in the year 66. Retribution is the third novel in the City of God series: Book 1: Transgression (A.D. 57) Book 2: Premonition (A.D. 57-62) Book 3: Retribution (A.D. 62-66) Excerpt: Cold fury stuck a sword through Rivka's heart. Boldness welled up inside her. She jabbed a finger at Hanan ben Hanan. "You ... you son of Satan! Hear now the curse of the seer woman. Before the third month of your high priesthood, you will be deposed. Before seven years have passed, you will see the destruction of all you hold dear, and you will die in your own house at the hand of an Edomite!" Rivka put her face up
