

# Treat Your Own Back By Robin Mckenzie

If you are looking for a guide that will help self-treat, manage, and resolve back pain, then this is the perfect book for you. In this book, you will learn about different steps and tips you can use to heal your back within no time. There are several natural and noninvasive means of treating your back pain at home without depending on any pharmaceutical drugs. By making specific changes to your diet like removing any inflammatory foods and including dietary supplements, you can help strengthen your back. There are various types of yoga poses you can practice improving the flexibility of your muscles and relieving any back pain. Apart from this, there are breathing exercises, meditative practices, and simple exercises you can perform to strengthen your core and reduce back pain. One of the leading causes of back pain happens to be poor posture. You will learn about different exercises and tips you can follow to correct your posture within this book. The information given in this book is quite simple to understand, and the information provided is helpful. It will help you understand the cause and effect relationship that will help prevent or reduce the chances of reoccurrence of the back pain. By using the information given in this book, you can become independent of any drugs or even spinal manipulation, which only treats the symptoms of back pain instead of its root cause. So, if you are ready to learn more about this, then let us get started without further ado!

During the 1960s, McKenzie developed his own examination and treatments methods specializing in the treatment of spinal disorders. He is now recognized internationally as an authority on the diagnosis and treatment of low back pain.

The DVD teaches anatomy, mechanical pain concepts, postural guidelines, and a McKenzie Method® exercise program that consists of extension, flexion and modification techniques. Educates about the benefits of self-treatment and provides a fundamental understanding of the sources of low back pain in a visual, hands-on format. Includes an interview with Robin McKenzie.

The real treatment for back pain is nothing like what we have been doing in the past or, unfortunately in many cases, still doing. The secret to fixing back pain starts and ends with movement. Learn the simple lifestyle steps to fixing your back pain yourself by taking a more animalistic approach to your problem. The answer, the missing link, lies deeply rooted within our lifestyle and behavior – the way we live, move,

procedures \* postoperative care: recuperative techniques and life-style management \* controlling back pain in the elderly, including spinal stenosis and osteoporosis \* alleviating back trauma in sports and dance \* reducing lower back pain to increase sexual activity and enjoyment This comprehensive manual also includes a glossary of terms, answers to the most commonly asked questions regarding back pain, and predictions on the future of back care. Over 70 black-and-white line drawings illustrate various back conditions and treatments, completing this indispensable book. Written in a nonintimidating and reassuring tone, Your Aching Back is designed to help you take control of your back condition and get relief.

Co-authored by Ron Bybee, who has determinedly encouraged Robin McKenzie (best-selling author of Treat Your Own Back) to tell his story, this book will fascinate all those who have been involved with Robin and his groundbreaking discoveries for the better diagnosis and treatment of low back pain. Uncountable numbers of patients who have benefited from McKenzie therapy will also find it compelling. This book will both entertain and give readers pause for reflection on many matters.
