Aeschylus was the dramatist who made Athenian tragedy one of the world's great art-forms. In this completely revised and updated edition of his book Alan H. Sommerstein, analysing the seven extant plays of the Aeschylean corpus (one of them probably in fact the work of another author) and utilising the knowledge we have of the seventy or more whose scripts have not survived, explores Aeschylus' poetic, dramatic, theatrical and musical techniques, his social, political and religious ideas, and the significance of his drama for our own day. Special attention is paid to the "Oresteia" trilogy, and the other surviving plays are viewed against the background of the four-play productions of which they formed part. There are chapters on Aeschylus' theatre, on his satyr-dramas, and on his dramatisations of Homer's "Iliad" and "Odyssey", and a detailed chapter-by-chapter guide to further reading. No knowledge of Greek is assumed, and all texts are quoted in translation.

The book asks, "From where did the Timbavati White Lions, discovered thirty years ago in this area, mysteriously appear?" It questions the Rain Princess, with her meteorologist knowledge and her unquestioned ceremonies, claiming she cleanses the sky. What is her secret? And will this secret hidden so long affect you? This classic account of the nature of film music aesthetics was first published in 1947. Its value comes from a unique combination of talents and experience enjoyed by the book's authors. Eisler's time at Hollywood gave him a particular insight on the technical questions which arise for composers when music is used in the production of films, while Adorno was able to contribute on wide aesthetic and sociological matters as well as specifically musical questions. Above all, the authors envisaged the book as a contribution to the study of modern, industrialized culture; and, in this respect, it has a particular importance to the whole area of cultural studies. With an introduction by Graham McCann. Fourteen-year-old Jeremy is ready to end it all after homophobic bullying and violence. His seventeen-year-old sister, Janis, is stressed and binge eating to cope with loneliness. And then there's Paul, who is middle-aged, broke and hopeless—with nothing left to lose. Will the ageless, pansexual vampires, Sethos and Constantinos, save them or sentence their souls to eternal damnation? Raw and moody, told with an unabashed, mature voice that breaks through the

insipid twilight with taboo depravity. "Dark, witty, subversive... It's like "Twilight" with balls and a brain... Reminiscent of the early work of Poppy Z Brite... Makes me want to become an Emo vampire! Sure to appeal to the nonconformist bohemian in all of us." —Shane McFlicker, LGBT Blogger "The story takes you on somewhat of an emotional roller coaster...The author is imaginative, and that's good at a time when books can be carbon copies of each other. I love the fact that this story deviates from the norm...Whether you love it or hate it though, it is a book that will spark emotion and opinion!" —Teresa D, VampireRomanceBooks.com "...I got offended and it takes a lot to offend me...I cannot get some of these images out of my head and they make me want to curl up in my bed and WEEP." —Char, shadowsireview.blogspot.co.uk
