promises to hunt down the “loverboy dog.” Fortunately, India’s Love Commandos, a real-life group of volunteers dedicated to helping mixed-caste couples, come to the rescue. But just after they liberate Tulsi, Ram is mysteriously snatched from his hiding place. The task of finding him falls to India’s “Most Private Investigator.” Unfortunately, Vish Puri is not having a good month. He’s failed to recover a cache of stolen jewels. His wallet has been stolen, and he’s having to rely on his infuriating Mummy-ji to get it back. And to top it all, his archrival, investigator Hari Kumar, is also trying to locate Ram. To reunite the star-crossed lovers and reclaim his rightful place as India’s unchallenged “Most Private Investigator,” Puri and his team of operatives must infiltrate Ram’s village and navigate the caste politics shaped by millennia-old prejudices. Critics hailed *The Case of the Deadly Butter Chicken*, the last installment in the Vish Puri mystery series, as Tarquin Hall’s best yet, saying that each book has “raised the stakes subtly” (The Huffington Post). Now, “once again, India’s Most Private Investigator solves his case with panache” (Kirkus Reviews). *Don't Think of a Blue Ball* (English) (Paperback) Price: Rs. 255 *Don't Think of a Blue Ball* is as light or as deep as you want it to be, depending on how Plugged In you are while reading it. In this moving, wry, and candid novel, widely acclaimed novelist Ayelet Waldman takes us through one woman's passage through love, loss, and the strange absurdities of modern life. Emilia Greenleaf believed that she had found her soulmate, the man she was meant to spend her life with. But life seems a lot less rosy when Emilia has to deal with the most neurotic and sheltered five-year-old in New York City: her new stepson William. Now Emilia finds herself trying to flag down taxis with a giant, industrial-strength car seat, looking for perfect, strawberry-flavored, lactose-free cupcakes, receiving corrections on her French pronunciation from her supercilious stepson – and attempting to find balance in a new family that's both larger, and smaller, than she bargained for. In *Love and Other Impossible Pursuits* Ayelet Waldman has created a

It's an extravagant Friday night wedding at one of the glitziest venues in Delhi. A young call center executive falls to her knees, shot by a drunken ex-boyfriend who'd been blackmailing her. Both Anand and Neel witness the event. One is the cause, the other, the effect. A collection of classic, yet shockingly contemporary, short stories set in the vibrant world of mid-century Bombay, from one of India's greatest writers.

Arriving in 1930s Bombay, Saadat Hasan Manto discovered a city like no other. A metropolis for all, and an exhilarating hub of license and liberty, bursting with both creative energy and helpless

despondency. A journalist, screenwriter, and editor, Manto is best known as a master of the short story, and Bombay was his lifelong muse. Vividly bringing to life the city's seedy underbelly—the prostitutes, pimps, and gangsters that filled its streets—as well as the aspiring writers and actors who arrived looking for fame, here are all of Manto's Bombay-based stories, together in English for the very first time. By turns humorous and fantastical, Manto's tales are the provocative and unflinching lives of those forgotten by humanity.

The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of *The Ministry of Utmost Happiness* **NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER** Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, *The God of Small Things* is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

'Thought-provoking, highly original and beautifully nuanced. Jessie Stephens' journalistic skill shines as she weaves together true stories with a narrative as compelling as any novel.' Jane Harper 'Heartbreak does not seem to be a brand of grief we respect. And so we are left in the middle of the ocean, floating in a dinghy with no anchor, while the world waits for us to be okay again.' Claire has returned from London to the dust and familiarity of her childhood home, only to realise something is wrong with her partner Maggie. Patrick is a lonely uni student, until he meets Caitlin - but does she feel as connected as he does? Ana is happily married with three children. Then, one night, she falls in love with someone else. Based on three true stories, Heartsick is a compelling narrative nonfiction account of the many lows and occasional surprising highs of heartbreak. Bruising, beautiful, achingly specific but wholeheartedly universal, it reminds us that emotional pain can make us as it breaks us, and that storytelling has the ultimate healing power. Praise for Heartsick 'A remarkable longform journalism exploration of the human heart and how it breaks. Original, meticulous, marvellous. Stephens has such a handle on heartbreak here that you'd be forgiven for thinking she's had hers broken hundreds of times. But, of course, just once is more than enough for anyone. Dive in, soak up every word, and remember what it felt like to ache with the glorious sick.' Trent Dalton 'Full of empathy and grippingly told, this is a book for anyone who has suffered a broken heart. Jessie Stephens

perfectly captures the thrill of love, as well as the agony that sometimes follows. You'll care desperately for all these people, in all their damage and hope.' Richard Glover 'This book is a delight. Stephens has written a compulsive, utterly endearing thing about that most human of struggles: heartache. It is Sally Rooney's Normal People meets Louis Theroux. What Heartsick does for us all, because its core is universal, is reveal the true nature of love in astonishing detail. The precision will grip you. Stephens shows us, too, that we are not alone. And that is a gift.' Rick Morton 'Unflinching, perceptive and inquisitive - all the things Jessie Stephens does best - Heartsick is a window into another person's soul, with permission to read the inside of their heart. In its pages, Heartsick delivers what every broken-hearted person needs, the ability to see themselves in others who have walked this path before them. With this book, Jessie Stephens has just established herself as a major player in the Australian literary scene. A stunning debut.' Sally Hepworth 'Heartsick is heartbreak close up - a magnifying glass that shows us the beating muscle of heartache. It reminded me that the closer a writer gets, the more universal the story becomes. I just loved this book. I hope you will too.' Sophie Hardcastle
