

Twelve Pillars Jim Rohn

Create a Magnificent NOW! is the first book about the law of attraction that presents a failsafe solution for achieving optimal health, wealth, and self-fulfillment. Coach Alex reveals what he believes is the real "secret" behind powerful manifestation. By embracing this "secret" and making it the cornerstone of the LOA process, Coach Alex believes that anyone can manifest whatever one desires — as long as the end result will never harm anyone else. This book removes the fairy dust from the LOA and its practices of meditation, visualization, and manifestation. Coach Alex points out that magic is nothing more than physical laws scientifically explained. By citing numerous laboratory studies based on the work of some of the world's most trusted scientists, he provides measurable validation of the efficacy of the LOA through the new science of neuroplasticity. These studies also explain exactly why the LOA works. For the first time in the history of modern man, through actual demonstrations of the law of attraction, neuroplasticity builds a bridge between science and metaphysics. Skeptics who scorned the law of attraction as a New Age fad will think twice after studying the findings of these prestigious scientists. These studies confirm what ancient mystics and spiritual teachers have always known: unquestionably the LOA has the ability to improve the quality of any person's life. Create a Magnificent NOW is a book about the law of attraction written by a professional life coach who personally used this universal law to jumpstart his own life; in the process, discovering a "secret failsafe method" for successful manifestation.
