"This is the long-run Broadway hit that gained stardom for Anne Bancroft in the role of girl from the Bronx whose love for a lonesome lawyer brings a few months of happiness into their lives. The lawyer is married to a beautiful, well-to-do girl in the midwest whose family sets the pace in local society and intends to run his marriage and his career as well. He has rebelled, come to New York, and taken up residence with this intriguing young woman. He is lonely and in need of consolation; she is one of those rare women whose only purpose seems to be making others happy. Their briefly fulfilling relationship is unhappily destined to failure: he is a cultured gentile with a wife and painful memories while she is a plain Jewish girl with little education and a horrible Bronx accent. They share happy and humorous moments together, but they both see with sadness the utter hopelessness of the affair." ~ Samuel French website.

In a collection of personal essays, the actress shares her views and insights on aging, Hollywood, being polite, sex, and anger.

"Mrs. Robinson, you're trying to seduce me. Aren't you?" These famous lines from *The Graduate* (1967) would forever link Anne Bancroft (1931--2005) to the groundbreaking film and confirm her status as a movie icon. Along with her portrayal of Annie Sullivan in the stage and film drama *The Miracle Worker*, this role was a highlight of a career that spanned a half-century and brought Bancroft an Oscar, two Tonys, and two Emmy awards. In the first biography to cover the entire scope of Bancroft's life and career, Douglass K. Daniel brings together interviews with dozens of her friends and colleagues, never-before-published family photos, and material from film and theater archives to present a portrait of an artist who raised the standards of acting for all those who followed. Daniel reveals how, from a young age, Bancroft was committed to challenging herself and strengthening her craft. Her talent (and good timing) led to a breakthrough role in *Two for the Seesaw*, which made her a Broadway star overnight. The role of Helen Keller's devoted teacher in the stage version of *The Miracle Worker* would follow, and Bancroft also starred in the movie adaption of the play, which earned her an Academy Award. She went on to appear in dozens of film, theater, and television productions, including several movies directed or produced by her husband, Mel Brooks. *Anne Bancroft: A Life* offers new insights into the life and career of a determined actress who left an indelible mark on the film industry while remaining true to her art.

Observable implications of the Seesaw mechanism like leptogenesis or lepton flavour violation in supersymmetric theories are discussed, and the key aspects of the vast experimental program aimed at determining the neutrino parameters and properties are reviewed. The book provides an up-to-date and in-depth perspective on neutrino masses and on the associated physics in the Seesaw scenario. Contents: Seesaw and the Riddle of Mass (P Ramond) Leptogenesis in SUSY Theories (T Yanagida) Seesaw Mechanism and Its Implications (R N Mohapatra) Seesaw and Grand Unification (G Senjanovic) Evidence for Neutrino Mass: A Decade of Discovery (K M Heeger) Textures and Flavour Models (G G Ross) Seesaw Mechanism and Supersymmetry (A Masiero et al.) Drawing on corporate records and interviews, Balio follows United Artists through its merger with Transamerica in the
