Packed with activities that allow children to create scenes, match pairs, and complete jigsaws, the activities throughout each book are simple enough for the child to do independently, but engaging enough to keep their interest and help develop dexterity, making these books products parents can trust, and ones that kids will want to keep picking up to learn more about their favorite subjects.

This ultimate collection of shark and whale stickers has been revised in full colour. It is packed with information about all types of sharks and whales and contains more than 60 full colour stickers that can be peeled off and used more than once. Extra shark and whale stickers can be used to decorate school books or project work.

Stickers are perennial favorites with kids. Likewise, creatures of nature, from beetles to sharks and plant life, have huge appeal, evidenced by the success of such movies as It's a Bug's Life, Antz, The Little Mermaid, and the like. This creative new series for children brings together stickers and nature with illustrations from best-selling author Maryjo Koch's Bird Egg Feather Nest, Dragonfly Beetle Butterfly Bee, Pond Lake River Sea, and Seed Leaf Flower Fruit in a format that is fun and educational. Children can match each beautifully illustrated full-color sticker to its corresponding outline in a special 8-page section, creating their own picture book featuring their favorite birds, bugs, sea creatures, or flora, while learning through the accompanying captions. A black-and-white landscape rendered by Koch especially for this series enables children to create their own wildlife environments with stickers as well as their own drawings.
