Modern Spanish Grammar Workbook is an innovative book of exercises and language tasks for all learners of European or Latin American Spanish. The book is divided into two sections: * Section 1 provides exercises based on essential grammatical structures * Section 2 practises everyday functions such as making introductions and expressing needs A comprehensive answer key at the back of the book enables you to check on your progress. Modern Spanish Grammar Workbook is ideal for all learners of European or Latin American Spanish including undergraduates taking Spanish as a major or minor part of their studies, as well as intermediate and advanced students in schools and adult education. It can be used independently or alongside Modern Spanish Grammar, also published by Routledge.

Spanish-speaking patients are no rarity in United States hospitals and clinics, as many English-speaking health care providers have discovered. To help these providers better communicate with the patients they serve, Ana Malinow Rajkovic has prepared the Manual for (Relatively) Painless Medical Spanish, a lively and innovative self-teaching guide to the grammar, pronunciation, and medical vocabulary of Spanish. Presented in a systematic and highly entertaining fashion, twelve lessons cover some of the most commonly encountered situations. These include the family clinic, the emergency room, appendicitis, the social chat, pregnancy, family planning, pelvic inflammatory disease and urinary tract infection, depression, children with asthma, patients with angina, explaining a venipuncture and a spinal tap, and patients with shortness of breath. Each lesson closes with a bilingual interview that includes vocabulary and grammar introduced in that lesson. A guide to the medical history and physical examination appears in English and Spanish in the appendix. Excellent in the classroom or for independent learning, the Manual will enable health care providers better to understand and supply the needs of Spanish-speaking patients.

The updated, fifth edition of the widely used introductory Spanish textbook designed specifically for health care professionals Nurses, doctors, dentists, and other health care professionals increasingly need to communicate with patients in Spanish. Formerly titled An Introduction to Spanish for Health Care Workers, the fifth edition of this popular textbook is designed for students with little or no formal background in Spanish. It uses text, audio, video, classroom activities, and electronic exercises to teach basic grammar, specialized medical vocabulary, and colloquial terms as well as customs and communication styles. An interactive companion website features video clips that demonstrate practitioner-patient interactions and offers self-correcting exercises, an audio program, and flash cards. The fifth edition is also updated with - New topics, including muscles, pediatrics, heart disease, neurologic exams, and zika - Nearly 300 classroom activities, including exposition activities to develop the presentational mode of communication - Expanded vocabulary lists, sorted by frequency

Idiomatic expressions are the 'salt and pepper' of any language. They give Spanish its colour and imagery, its richness and variety. From set phrases and idioms to metaphorical expressions and proverbs, these essential components allow users to add humour and spice to their language, vividly embodying Hispanic culture while naturalizing their communication style to more closely resemble that of native speakers. Key features: Includes a selection of the most widely used idioms from Spain and Latin America; Idioms are classified into specific and easy-to-reference categories; Creative activities, exercises, mnemonic devices and learning strategies facilitate the acquisition and mastery of idiomatic language; Connections between the Spanish language and Hispanic culture are explained and illustrated; Reference tables at the end of each section highlight similarities between English and Spanish usage of idiomatic language; Original samples, as well as fragments from various Spanish-speaking countries and well-known literary works, are included to help expose students to the use of idioms in journalistic and literary writing. Practical, informative and highly entertaining, this is the ideal text for all intermediate and advanced learners of Spanish.

Carmen and Raquel, multimillionaire and beautiful twins, decide to explore beyond the confines of the Republique de Sacre Cur, a mythical South American country, whose major export is COCAINE! Their wealth derives from its illegal distribution. Marcelino, their father, unwittingly acts as courier for a cartel, secreting into the country a good portion of the profits harvested abroad. His secret and unique M. O. is accidentally revealed to Marcel, an international police agent

who decides to relieve the twins father of some of his millions. Marcel's boundless greed propels him to scheme criminal plans that include kidnapping and/or trickery, assisted by Brigitte, his wife, and Rolando, a renegade. Once his first stratagem fails, Marcel contrives a strategy to marry the surviving twin. He succeeds but his avarice finally receives its due reward. Customer Reviews from Amazon.com Great writing, January 10, 2006 Reviewer: pollyanna "polly" (Florida) I had the good fortune of having received *Florida, mon amour!* as a Christmas gift. I was at once intrigued by its peculiar title. The story is fascinating and well-written. *Florida, mon amour!* has a truly original plot and the congruence of several foreign cultures and languages throughout the novel gives it a global panache. Mr. Mengibar has in effect broken the well-worn mold of the crime fiction and unrequited loves while showing us love in its various forms even the fake kind seasoned with unremitting greed. *Florida, mon amour!*, December 26, 2005 Reviewer: S. Bell "orange guy" (New York, NY) *Florida, mon amour!* is definitely not about Florida alone. It is about the United States, Spain, South America, France and England. The convergence of their cultures and languages in this well-knit story gives it a fascinating glow of genuine originality and globality. It is difficult to put it down or to stop turning its pages as one is always expecting to find more titillating scenarios and peculiar situations. Love, death, greed, deception and an appropriate denouement makes *Florida, mon amour!* one of the best novels I have read in recent years. A truly compelling, powerful and well-written story, December 11, 2005 Reviewer: Caribbean empress "Yvonne" (Florida) *Florida, mon amour!* is uniquely original not only in its plot but also in its development and harrowing denouement. Mr. Mengibar gets one's heart pumping frantically as you eagerly turn each page to see what will happen next. I fell in love with Raquel's rambunctious zest for life and her unfortunate fate, actually saddened me. An avid reader of fiction, I certainly recommend this wonderfully-paced, intriguing novel. You will hardly want to put it down.

Get up close and master Spanish subjunctive As you study Spanish you may see the subjunctive as an obstacle to your full understanding of the language. With plenty of opportunities for practice, practice, practice, *Practice Makes Perfect: The Spanish Subjunctive Up Close* helps you better understand the nuances of this often-confusing grammar element and develop your skills and confidence as a Spanish speaker with: Easy-to-absorb explanatory materials, examples, and exercises Authoritative guidance on how to form the four subjunctive tenses and when to use them A comprehensive answer key that not only gives you the correct solutions to the exercises but explains the why behind them

Tres capítulos componen Colombia y la Unión Europea: una asociación cada vez más estrecha. Los dos primeros se ocupan del origen y evolución del relacionamiento y la cooperación existente entre la Unión Europea (UE) y Colombia, y verifican qué tan estrecha es, y el último explica la complejidad de la Unión Europea desde un punto de vista histórico, institucional y político. De esta manera, en el primer capítulo encontramos un análisis que aborda las relaciones de la Unión Europea con América Latina y el Caribe, para luego centrarse en Colombia, desde dos perspectivas: cronológica y multinivel. El segundo apartado pone en evidencia cómo la cooperación y el diálogo político entre la Unión Europea y los países de América Latina y el Caribe se han fortalecido, produciendo importantes resultados en las relaciones birregionales, particularmente en los ámbitos del desarrollo local, la educación superior y la cohesión social. El último escrito nos facilita la comprensión de la UE como el mayor proyecto de paz jamás emprendido, recordando que esta sigue siendo una unión imperfecta, pero necesaria para el bienestar, la libertad y la democracia de sus ciudadanos. Identifies common trouble spots and explains the reasons behind them and shows how grammar patterns of Spanish differ from those of English.

That's English! es un programa de educación a distancia para aprender inglés. Fue creado, dirigido y supervisado por el Ministerio de Educación y Ciencia en 1993 y se imparte en colaboración con las administraciones educativas de las CCAA que garantizan la atención y seguimiento tutorial de los alumnos, así como su evaluación del progreso. Desde el año 2011, bajo la dirección y supervisión del Ministerio de Educación, Cultura y Deporte se están reelaborando todos los materiales para ponerlos al día. También se ha modificado la estructura del programa, añadiendo nuevos módulos que permitirán llegar no solo a los niveles básico e intermedio, sino también al avanzado. Con esta nueva configuración se llegará a 12 módulos, repartidos en 6 cursos (dos módulos por curso). El curso de inglés *That's English!* es el resultado de una adaptación a la modalidad de educación a distancia de las enseñanzas impartidas en las Escuelas Oficiales de Idiomas. Para ello el Programa ha desarrollado una serie de materiales didácticos en diferentes soportes (papel, CD, DVD) para que los alumnos alcancen los niveles exigidos en cada curso.

Using a proficiency-based approach, this intermediate-level book teaches the vocabulary and grammar necessary to conduct basic business activities in Spanish speaking countries. It encourages the development of all four language skills--listening, speaking, reading, and writing--through a variety of exercises all focused on the ability to communicate and perform specific business-related tasks that readers will encounter in the real business world. Content revolves around a wide variety of business themes--e.g., business travel, employment interviews, information technology, management, imports/exports, economics, advertising, marketing, finance, taxes, insurance, environmental/ethical issues, and business/corporate law. Each chapter contains 3 pasos, each consisting of six major sections--*Empecemos* (a dialogue or paragraph used to introduce the new vocabulary in a contextualized manner); *Charlemos un poco* (activities that provide more basic input or require sentence-level output); *Entrevista* (a structured activity in which readers obtain information from others and present it to someone else); *Situaciones* (an unstructured activity in which readers work together in an imaginary situation to solve a problem); *Repaso de gramática* (a basic grammar explanation in English, followed by activities); *Escribamos* (a writing activity). Other features include: *Una vez más* (readings taken from an authentic Spanish source, such as a newspaper or magazine, on topics of interest to businessmen and women); *Carta*

de negocios (sample business letters); and and Panorama Cultural (computer-based activities in which readers use the Internet to explore aspects of Hispanic business culture topics). For anyone who wants to develop proficiency in using Spanish in a broad range of business situations.

Presents more than 200 exercises in Spanish grammar with an answer key, with topics including reflexive verbs, infinitives and gerunds, possessive pronouns, adverbs of frequency, Imperfecto versus Indefinido, and comparatives and superlatives.
