Books in the Unbreakable Series: Little Miss Straight Little Girl Lost Daddy's Little Girls Excerpt: Robert spoke with open hands and a casual stance, "Look, fella, take it easy. We just--" "O-okay, listen, I-I'll tell you the whole story. Everything. But I swear, I never did anything to her. Nobody did. Not on my watch, anyway. I took real good care of her. I swear. You gotta believe me!" Nic's pulse quickened. He took a step closer and cocked a brow at the stocky man, "Who her?" "Y-you know--your girl." "My girl?" "Y-yeah. You know...petite, brunette, pretty. Kinda..." The guy relaxed a little, pulling his hands away from the fence, and started forming an hourglass shape with them. Nic pursed his lips. "Okay. I know what she looks like." He lifted his chin at the stocky man, "So what are you talking about? 'Your watch'. 'Took care of her'. Where? When?" "Come on, you know..." The tattooed man looked from Nic over to Robert, as if he expected a more reasonable interrogator—a Good Cop to Nic's Bad. But Nic insisted, "Humor me." "Well, uh, well..." Nic took another step. The tattooed man gulped and started talking, "Yeah, okay. See, when I took the job, I didn't know it was her, okay? It was only when I saw her close up, in the light, that I recognized her. I remembered her from the bar. From that night last summer when I pulled her off the stool. I mean, I

didn't know who she really was. I just thought she was your date, your girl or whatever, okay? I didn't know she was like...one of you."

Czechoslovakia, October 1937. Europe's youngest democracy is on its knees. Millions are mourning the death of the nation's founding father, the saintly Tomáš Masaryk. Across the border, the Third Reich is menacing - and plotting to invade. In the Czechoslovak heartlands, vast crowds have gathered to watch the threatened nation's most prestigious sporting contest: the Grand Pardubice steeplechase. Notoriously dangerous, the race is considered the ultimate test of manhood and fighting spirit. The Nazis, as usual, have sent their paramilitary elite: SS officers schooled to be Hitler's most ruthless enforcers. Their mission: to crush - yet again - the "subhuman Slavs". The local cavalry officers have no hope of stopping them. But there is one other contestant: a silver-haired countess riding a little golden mare... The story of Lata Brandisová is one of the strangest and most inspiring in all sport. Born into privilege, she spent much of her life in poverty. Modest and shy, she refused to accept the constraints society placed on her because of her gender. Instead, with quiet courage, she repeatedly achieved what others said was impossible. The scandal of her first attempt to ride in Pardubice reverberated across Europe. Ten years later, she became her nation's figurehead in its darkest hour.

Then came retribution... UNBREAKABLE is a tale of courage, heartbreak and defiance, in an age of prejudice and fear. In the background are forces - sexism, class hatred, nationalism - whose shadows darken today's world too. In the foreground are eccentric aristocrats, socialite spies, daredevil jockeys - and a race so brutal that some consider merely taking part in it a sign of insanity. At its heart is a unique hero, and a unique love affair between a woman and a horse. **A Sunday Times Sports Book of the Year**

First date. First kiss. Make out. Make love. Have wild, uninhibited, crazy sex. Find someone to love me back. When I first read Elizabeth Masters' list, I was excited. And then I was furious. She created a list of "firsts." Firsts that should have been mine. Firsts she was now going to give to someone else. Because when she offered me her firsts I said I didn't want them. But that was a lie. It was one of many I told her. Because I wanted her and her firsts more than anything. Someone to love her back? She already had that. First kiss? That was me. She can't erase anything that happened between us no matter how hard she tries to forget. And I know that from experience. Because I've never been able to forget what we had, what we shared. I couldn't stop thinking about what could have been if I pulled her close and not pushed her away. And now she wants to move on with someone else? It wasn't going to happen. What we have is real. Unbreakable. And I'm not messing up again. No more lies. No more hiding.

I know she's the best thing that's ever happened to me. Just like I know she's mine. And so are her firsts. Her firsts, her lasts, her in-betweens, her love, her forever. It's mine. She just needed to let me back in. She needed to give me another chance. And if she didn't want to? I'd make her. Because I was never losing her again. Ryan Flannery broke my heart. Or what was left of the frayed and fragile pieces I had to give. I let him in. I let him close. I gave him everything. I thought he loved me. I laid myself bare, I stripped myself raw. I chased a fantasy, and I got burned. But he did do one thing for me. He gave me something. An idea. According to him I was too young, too inexperienced. And he was right. I needed to change that. So what if he was my first love? He didn't have to be my only. It was time for me to spread my wings. Explore. It was time for me to live. Ryan might have been the one I wanted to give my firsts to. And my lasts. And everything in-between. But it's not happening. I've been hurt enough. Lied to enough. Betrayed enough. It was time I started to think about me. He thinks that I can just forget what he's done? That he lied? That he made a mistake? He thinks we're unbreakable? He thinks that it's me and him? Always? Forever? He thinks I'm going to give him another chance at that? Another chance at me? It. Will. Never. Happen. Until it does. Everyone remembers their first. Except Ryan Flannery. But that's okay. Because all he needs to

remember is his last. His last ... Her first.

A New York Times bestseller, this is the official biography from the beloved Mexican-American singer who lost her life in a tragic plane crash. The only autobiography authorized by Jenni Rivera "I can't get caught up in the negative because that destroys you. Perhaps trying to move away from my problems and focus on the positive is the best I can do. I am a woman like any other, and ugly things happen to me like any other woman. The number of times I have fallen down is the number of times I have gotten up." These are the last words that beloved Mexican American singer Jenni Rivera spoke publicly before boarding the plane that would crash and cut her life short on December 9, 2012. However, they are not the final words that La Diva de la Banda had for the world. Those are found in the pages you hold in your hands, Jenni's own account of the highs and lows of her extraordinary journey. She became the most acclaimed Spanish-language singer in the United States and sold more than 15 million records worldwide. A single mother of five and grandmother of two, she was also an actress, a television producer, the star of her own reality show, and an entrepreneur. perseverance was her only weapon. As her fame grew, she made it her mission to speak about her struggles, forging an intimate connection with her fans. She became a figure of strength and a source of encouragement to women of all ages. In *Unbreakable*, Jenni recounts the crucial moments in her past, revealing her experiences with domestic and sexual abuse, divorce, body image issues, making her way in a male-dominated industry, raising her children as a single mother, and learning that she could depend only on herself. Though she is no longer with us, Jenni will always be the "Rivera rebel from Long Beach," the girl who maintained her sense of humor and fighting spirit in every circumstance. In this remarkable memoir, Jenni leaves behind a legacy of inspiration and determination that will forever live on through her precious family, friends, and fans.
