ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- For Principles of Macroeconomics courses. Questions that drive interest, applications that illustrate concepts, and the tools to test and solidify comprehension. Students come into their first Economics course thinking they will gain a better understanding of the economy around them. Unfortunately, they often leave with many unanswered questions. To ensure students actively internalize economics, O'Sullivan/Sheffrin/Perez use chapter-opening questions to spark interest on important economic concepts, applications that vividly illustrate those concepts, and chapter-ending tools that test and solidify understanding.

Provides students with an inexpensive note-taking system that contains a reduced copy of every slide in the PowerPoint presentation.

Interesting, clear, and applied, BUSINESS LAW TODAY: STANDARD EDITION is the ideal guide to the law and what it means in the business world--from contracts and secured transactions to warranties and government regulations. This comprehensive text presents descriptive and inferential statistics with an assortment of business examples and real data, and an emphasis on decision-making. The accompanying CD-ROM presents Excel and Minitab tutorials as well as data files for all the exercises and examples presented.

THE LEGAL ENVIRONMENT OF BUSINESS is the #1 text for this course--setting the standard by delivering comprehensive, authoritative, and cutting-edge coverage in an interesting and accessible format. Its recipe for success includes the same black letter law flavor as its market-leading counterpart, BUSINESS LAW by Clarkson, Miller, and Cross, but with a specific focus on current topics such as ethics, government regulation, and administrative law. The cases, content, and features of the exciting new Tenth Edition have been thoroughly updated to represent the latest developments in the business law environment. An excellent assortment of cases ranges from precedent-setting landmarks to important recent decisions, and ethical, global, e-commerce, digital, and corporate themes are integrated throughout. In addition, numerous critical-thinking exercises challenge students to apply what they have learned to real-world issues. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Understanding Business has long been the market leader because we listen to instructors and students. With this eleventh edition we are proud to offer a platinum experience, that: Improves Student Performance—Understanding Business puts students at the center. It's the only learning program on the market to offer proven adaptive technology that increases grades by a full letter through Connect® Business, and the only program to offer the first and only adaptive eBook ever, SmartBook. Enhances your Teaching—The authors are dedicated to supporting your teaching and your student's learning, which is why they listen to YOU and develop resources based on YOUR suggestions and course needs. This is the only author-team on the market that carefully review each and every resource to ensure cohesion. Accessible to All—This learning program has moved toward tighter compliance with the Web Content Accessibility Guidelines, and provides students the opportunity to learn regardless of learning style or disability. What's more, it earned a perfect score of 100 points possible by Quality Matters, an independent organization that reviews and certifies the quality of online courses and online components. Choose a platinum experience. Choose Understanding Business.

A Textbook of Cost and Management Accounting provides the students with thorough grounding in cost concepts, cost behaviour and methods, and techniques of cost and management

accounting with an understanding of the uses and limitations of cost and financial data for managerial operations. The text of the subject matter has been presented in a student-friendly, simple and intelligible manner. Every discussion involving conceptual complexity is immediately illustrated by a numerical example. In addition, the book contains a liberal sprinkling of charts and diagrams so as to make the subject easily understandable and highlight its finer points. The subject matter has been organized on 'first things first' basis for its logical presentation that sustains interest. The approach of the book is examination oriented. Thus, a good number of problems and solutions have been included in its chapters. Theoretical and numerical questions have been mostly selected from various examinations. Objective type questions have been given to serve as self test by students. This is an ideal book for self study. New to this edition • All chapters thoroughly revised • Latest information on Cost Accounting Standards (CAS) issued by the Institute of Cost Accountants of India (ICAI) • Chapter on 'Miscellaneous Topics' made more contemporary by including some new sub-topics, and thus re-named 'Advanced Cost Management Techniques' • Revision and augmentation of practical problems

Packed with 2013 and 2014 cases, FUNDAMENTALS OF BUSINESS LAW TODAY: SUMMARIZED CASES, 10e covers core business law topics like contracts and sales in a concise paperback. Summarized cases integrated throughout the text illustrate key points of law without unnecessary detail. Intended for the one-term course focused primarily on contracts and sales, the text condenses the latest legal topics--including cyberlaw, health-care, financial reform, and more--for quick comprehension. An entire chapter is devoted to Internet Law, Social Media, and Privacy. Current, abbreviated, and affordable, FUNDAMENTALS OF BUSINESS LAW TODAY: SUMMARIZED CASES, 10e provides an easy-to-understand alternative to traditional Business Law texts. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

UNDERSTANDING CHILD DEVELOPMENT, 10th Edition, introduces pre-service and inservice teachers to the unique qualities of young children from infants to age eight, and demonstrates how to work with each child in ways that correspond with their developmental level, and their social and cultural environment. Now organized into 15 chapters, the book includes learning theories and research as well as information about the importance of play and technology in a young child's learning process. Learning objectives and specific NAEYC Program Standards, Accreditation Criteria, and Developmentally Appropriate Practices (DAP) are highlighted at the beginning of each chapter. Other topics covered include readiness, assessment, working with children and families from diverse cultures, working with children with special needs, and the early stages of reading, writing, and general cognitive development. Throughout the text, real-life examples and anecdotes bring theory and research to life Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The seventh edition of this text continues to provide solid, practical, and current coverage of the mathematical topics students must master to attain success in business today. The text begins with a review of basic mathematics and goes on to introduce key business topics in algebra-based context. A new section in Chapter 1 on problem solving (Section 1.1) helps students become better critical thinkers, meanwhile reviewing basic skills. Optional scientific calculator boxes are integrated throughout, and financial calculator boxes are now presented in later chapters to help students become more comfortable with technology as they enter the business world. The text continues to incorporate applications to a wide variety of careers so that students from all disciplines can relate to the material. A real-world application has been added to every chapter opener.

Equip your students with a solid global understanding of macroeconomic principles as you introduce the latest thinking of economists on important macroeconomic phenomena with Boyes/Melvin's MACROECONOMICS, 10E. Now you can clearly illustrate the connections between key macroeconomic principles and actual business practices with this book's reader-friendly approach, carefully integrated learning features, memorable examples, and unique global emphasis. Timely revisions and the latest macroeconomic statistics ensure you are teaching using the most recent data and developments. Revised macroeconomics materials emphasize the fundamentals and the practical application of concepts to current events. New macroeconomics coverage highlights the recent financial crisis and its global implications. Your students gain in-depth understanding of globalization and its impact on economic growth and poverty. BUSINESS ENGLISH, 11th Edition, by Mary Ellen Guffey and Carolyn Seefer helps students become successful communicators in any business arena with its proven grammar instruction and supporting in-text and online resources. The perennial leader in grammar and mechanics texts, the 11th edition of BUSINESS ENGLISH uses a three-level approach to break topics into manageable units, letting students identify and hone the most critical skills and measure their progress along the way. Packed with insights from more than thirty years of classroom experience in business communications, BUSINESS ENGLISH also includes access to the premier website and its many resources for building language skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

As a discipline of academy inquiry, International Management applies management concepts and techniques to their contexts in firms working in multinational, multicultural environments.

Hodgetts'Luthans: International Management was the first mainstream International Management text in the market. Its 6th edition continues to set the standard for International Management texts with its research-based content and its balance between culture, strategy, and behavior. International Management stresses the balanced approach and the synergy/connection between the text's four parts: Environment (3 chapters): Culture (4 chapters), Strategy and Functions (4 chapters) and Organizational Behavior /Human Resource Management (4 chapters).

All instructors have to do is adopt the eGrade Plus version of this book and activate their eGrade Plus course.

INTERNATIONAL BUSINESS LAW AND ITS ENVIRONMENT, 8e, International Edition centers on the basic market-entry strategies most firms deploy as they expand into international markets: trade in goods and services, protecting and licensing intellectual property, and foreign direct investment. Interweaving the law with ethics-related issues, the text shows how individual firms manage these strategies in different ways while discussing the latest political, economic, and legal developments around the world. Helpful features such as case examples, end-of-chapter questions, and ethics activities help solidify your understanding of the material.

Presents an introduction to business market for several editions for three reasons: the commitment and dedication of an author team that teaches this course and believes in the importance and power of this learning experience, we listen to our customers, and the quality of our supplements package.

The new, tenth edition of the Essentials of Business Law program is a practical, concise, and broad-based introduction to the vibrant field of business law. While continuing to offer all of the features that have made the nine prior editions successful, this new edition includes a new chapter on the areas of law affected by social media, updated content, and enhanced support materials. Both the traditional areas of law, such as contracts and property, and the emerging areas of law, such as e-commerce and environmental, are covered in short, informative chapters written to capture the essence of each topic. The objective of the text throughout its coverage is ease--ease of use, ease of teaching, ease of assessment, and ease of understanding. It has been developed for those seeking a more fundamental overview of the concepts and principles that are vital to the understanding of business law.

BUSINESS AND SOCIETY employs a stakeholder management framework. This framework emphasizes a business's social, legal, political, and ethical responsibilities to both external and internal groups that have a stake, or interest, in that business. It is a fundamental goal of the course that students really get that responsible business decision makers strive to balance and protect the interests of various stakeholders--investors, employees, community, environment, etc. An emphasis is also placed on the fact that one needs to understand that business situations will continually arise that will truly test one's values and ethics. BUSINESS AND SOCIETY not only exposes students to diverse and important stakeholder and ethical frameworks for considering and protecting stakeholder interests, through its use of cases and other real-world applications, this text enhances the precision with which students think about and practice ethical decision making. Opportunities to apply stakeholder and ethical systems to specific business problems abound, and questions are provided with all cases and applications to focus student reasoning, ensuring excellent preparation for class discussions.

Understanding Business McGraw-Hill Education

This best-selling introduction stresses the development of statistical thinking – the assessment of credibility and value of the inferences made from data – by both those who consume and those who produce the information. The authors emphasize inference; data collection and analysis are covered extensively, as needed, to evaluate the reported results of statistical studies and to make good business decisions. Numerous case studies, examples, and exercises draw on real business situations and recent economic events. Assumes a background in basic algebra.

BUSINESS COMMUNICATION: IN PERSON, IN PRINT, ONLINE, 10E prepares readers to become successful employees and leaders with a realistic approach to communication. This book covers the most important business communication concepts in detail and within the context of how communication actually happens in organizations today. Company examples and situations keep readers engaged while demonstrating how principles work in the real world. In addition to core written and oral communication skills, readers learn to navigate complex relationships and use current, sophisticated technologies. Learners also become skilled in creating PowerPoint decks, managing their online reputation with LinkedIn and other tools, engaging customers using social media, leading web meetings and conference calls, and more. Self-reflection questions throughout the book help readers develop a deeper understanding of themselves and how to communicate to reach personal and professional goals. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

BUSINESS COMMUNICATION: IN PERSON, IN PRINT, ONLINE, 9E offers a realistic approach to communication in today's organizations. The text covers the most important business communication concepts in detail and thoroughly integrates coverage of today's social media and other communication technologies. Building on core written and oral communication skills, the ninth edition helps readers make sound medium choices and provides guidelines and examples for the many ways people communicate at work. Readers learn how to create PowerPoint decks, use instant messaging and texting effectively at work, engage customers using social media, lead web meetings and conference calls, and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This book, written by distinguished authors, presents a detailed, rigorous and scientific approach to social psychology aimed at students and faculty alike.

The COVID-19 pandemic caused a disruption for many industries at its emergence, including the rental industry. The rental industry consists of more than just car rentals. It also includes Airbnb, house rentals, cruises, and other means of transport. This industry, which relies on tourism, was negatively affected by the travel restrictions that were put in place due to the pandemic. As such, it had to quickly adapt and grow to abide by the rules of the "new normal" in order to survive both during the pandemic, as well as implement new models and strategies that would help it to regain its success post-COVID-19. Socio-Economic Effects and Recovery Efforts for the Rental Industry: Post-COVID-19 Strategies is a critical reference book that discusses the effects of the COVID-19 pandemic on the rental industry and the ways in which the rental industry adapted under the new global restrictions affecting tourism. This book covers recovery efforts for the rental industry, analyzes global cases of the effects and adaptations the rental

industry has undergone, and discusses the sociological aspects of the pandemic. While highlighting topics such as e-commerce, financial leasing, second home tourism, and sharing economies, this book is essential for executives, business owners, managers, rental agencies, ridesharing companies, academicians, researchers, and students interested in the current state of the rental industry and how it plans to overcome the challenges caused by the pandemic.

With the prior edition of this concise, up-to-date casebook having been adopted at over 100 law schools, the tenth edition preserves the authors' tradition of providing a comprehensive overview of agency, partnership, and corporation law. It also continues to emphasize five basic editorial principles: Cases edited ruthlessly to produce a readable and concise result. Facts matter, so they are included in all their potential ambiguity. Bring a planner's perspective to the table through extensive use of transactionally-oriented problems. It's a casebook not a treatise. No long, stultifying textual passages. Provide the cases and let the individual teacher use them as he or she sees fit. Try to find cases that are fun to teach. Great facts or a clever analysis are always given first priority in case selection.

Addresses law and employment decisions with a management perspective. This text explains how to approach and manage legal employment decisions, and outlines the specific legal framework in which management decisions are made.

Learn business communications your way with Lehman/DuFrene/Walker's BCOM, 10E from 4LTR Press. This inviting, easy-reference book guides you through mastering today's business communication concepts and skills. Visually engaging, brief chapters offer numerous learning features and helpful study tools like Chapter Review Cards that consolidate review material into a ready-made study tool. You choose the format that best suits your learning preferences. BCOM, 10E is perfect if you prefer to use the printed book as your primary learning tool and reference resource for refining your business communication skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Intermediate Macroeconomics. This text is the most even-handed and comprehensive treatment of the competing classical and Keynesian approaches in the market. By starting with topics on which the two approaches agree, the book highlights the common ground between them and then clearly presents the outstanding differences within the context of a single framework.

Macroeconomics now includes a password that gives students access to a special edition of The Conference Board's Business Cycle Indicators database containing over 100 hand-picked data series. Accompanying exercises in the text provide a unique opportunity for students to analyze the very data that policy makers, professional economists, and government officials rely on in their day-to-day work. *NEW! Earlier presentation of business cycles. *NEW! Included are new EOC problems (including the Conference Board exercises), many new applications, and new built-in Web links. *NEW! Web site features, including: *Up-to-date version of The Conference Board's Business Cycle Indicators, which students can access to complete the new Conference Board problems at the end of the text chapters. *Sample worked problems. * Self-test quizzes

Buy a new version of this Connected Casebook and receive access to the online e-book, practice questions from your favorite study aids, and an outline tool on CasebookConnect, the all in one learning solution for law school students. CasebookConnect offers you what you need most to be successful in your law school classes—portability, meaningful feedback, and greater efficiency. In Civil Procedure, Tenth Edition, the authors employ a pedagogical style that offers flexible organization at a manageable length. The book gives students a working knowledge of the procedural system and introduces the techniques of statutory analysis. The cases selected are factually interesting and do not involve substantive matters beyond the experience of first-year students. The problems following the cases present real-life issues. Finally, the book incorporates a number of dissenting opinions to dispel the notion that most procedural disputes present clear-cut issues. New to the Tenth Edition: Revised coverage of discovery, including the 2015 amendments to the Federal Rules of Civil Procedure and digital discovery Revised and updated coverage of arbitration, including class waivers Contemporary cases and examples added throughout Professors and students will benefit from: Teachable, well-structured text featuring clear organization, concisely edited cases chosen to be readily accessible to first-year students, textual notes introducing each section that highlight connections between material, and practical problems A manageable length which allows the class to get through this complex course material in limited hours Flexible organization, adaptable to a variety of teaching approaches A clear, straightforward writing style, making the material accessible to students without oversimplifying An effective overview of the procedural system, which provides students with a working knowledge of the system and of techniques for statutory analysis Assessment questions and answers at the end of each chapter, to help students test their comprehension of the material CasebookConnect features: ONLINE E-BOOK Law school comes with a lot of reading, so access your enhanced e-book anytime, anywhere to keep up with your coursework. Highlight, take notes in the margins, and search the full text to quickly find coverage of legal topics. PRACTICE QUESTIONS Quiz yourself before class and prep for your exam in the Study Center. Practice questions from Examples & Explanations, Emanuel Law Outlines, Emanuel Law in a Flash flashcards, and other best-selling study aid series help you study for exams while tracking your strengths and weaknesses to help optimize your study time. OUTLINE TOOL Most professors will tell you that starting your outline early is key to being successful in your law school classes. The Outline Tool automatically populates your notes and highlights from the e-book into an editable format to accelerate your outline creation and increase study time later in the semester.
