"My Favorite Burgundies is a more personal follow-up to--but not a comprehensive revision of--Coates' *The Wines of Burgundy* (California, 2008). The book is based on the author's many subsequent tastings and travels through the region since the publication of his last book five years ago. Chapter 1 includes descriptions of Burgundy's most renowned vineyards, including their particular history, geography, and soil conditions, as well as tasting notes of various producer's single-bottle offerings from these sites. Chapter 2 describes the region's most distinguished domaines, with Coates impressions of the proprietors, facilities, and wine-making philosophies, along with vertical tasting notes (in some cases, stretching back more than thirty years). Chapter 3 provides current vintage assessments of Chablis from 2008-2010, Coates' highly sought-after "Three Years On" and "Ten Years On" tastings, assessing wines from between 1990-2002. All tastings are accompanied by the author's personal notes, ratings, and suggested drinking dates. Interspersed throughout are a brief series of "observations" on a variety of hot-button issues in the wine world, from the utility of blind tasting and tasting notes to biodynamics and other philosophies of viticulture"--

Edwards also discusses the culture of Champagne, reviews trends in viticulture and winemaking, and investigates controversial solutions to the current crisis of success in a region that cannot satisfy global demand for its wines.
