All details point to the elusive pin-up killer. A serial killer that has been hunting young women in the city for months. When the killer snatches the latest victim, it turns into a race against time. If not found soon, they will be the next body disposed of at the side of the road wearing the killer's infamous calling card. Cache must use all of her skills as a former military police officer to locate her. Time is ticking before she just becomes another murder statistic. Do you love detective mystery books with a powerful female protagonist? Are you searching for something that will compel you to turn the pages into the early hours of the morning? Then you will need to buy *Hot Iron Today!*
