Any fantasy can become a reality when magic is involved... Jimmy Calavan's greatest passion in life is the World of Magic, a hyper-realistic online game where he spends hours slaying monsters and seeking treasure as a beautiful, magical warrior named Fae. Between his dead-end 9-5 job as a computer repair guy, his bad luck with women, and his nagging mother, his nightly adventures in the game are the highlight of his days: a secret realm where he can do whatever he wants, be whoever he wants, and magic is real. He'd give anything for the chance to actually live there, even though he knows that's just a silly fantasy. But when a limited-edition replica of a magical scroll from the game appears at his door one night, Jimmy discovers that sometimes fantasies come true... After reading the words on the strange scroll, he's whisked away to the actual World of Magic, a near-perfect reflection of the game world he knows so well! The only problem? It seems that he's stuck inside the body of the gorgeous female character that he himself designed! Jimmy might know a lot about the World of Magic, but he's never held a sword before, can't use spells, and he certainly doesn't know the first thing about being a woman... all lessons he has to pick up quickly if he wants to survive as Fae in this strange, magical realm. With the help of his new friends Cara, a powerful mage, and a Logan, a dashing rogue that Jimmy's feminine body seems to have a confusing and magnetic attraction toward, he sets off on the biggest adventure of his life in an effort to find his way back to his male body and the only home he's ever known... As frenzied battles are fought and won, friends become lovers, and his strange bond with Logan grows ever stronger, Jimmy soon finds himself asking a new question... Female or not, does he even want to escape this fantasy?

Eff is an unlucky thirteenth child...but also the seventh daughter in her family. Her twin brother, Lan, is a powerful double seventh son. Her life at the edge of the Great Barrier Spell is different from anyone else's that she knows. When the government forms an expedition to map the Far West, Eff has the opportunity to travel farther than anyone in the world. With Lan, William, Professor Torgeson, Wash, and Professor Ochiba, Eff finds that nothing on the wild frontier is as they expected. There are strange findings in their research, a long prairie winter spent in too-close quarters, and more new species, magical and otherwise, dangerous and benign, than they ever expected to find. And then spring comes, and the explorers realize how tenuous life near the Great Barrier Spell may be if they don't find a way to stop a magical flood in a hurry. Eff's unique way of viewing magic has saved the settlers time and again, but this time all of Columbia is at stake if she should fail.

i've got peter gabriel's "I Don't Remember" going thru my head this morning . . . and most of yesterday, and the day before. it seems important to some part of my soul which sits with signs and applause everytime it goes thru my head. they like the drive of the artist's expression of frustration and anxiety which comes thru in a manic crazyness. the song is an example of something that flashes us spiritually . . . maybe unlike a man in a trenchcoat . . . wearing shorts with a tee-shirt . . . flashing us briefly (ow!) as we walk by. the words "believe in god" embelished on his shirt echo on the canvas of the imagination. it doesn't matter if we turn around, run after him and chide him in his actions. it doesn't matter if by doing this it puts him in the same alagory as a pervert . . . and by action, god as well. ultimately tho, the tired, worn out god, quietly sitting in a courner, desperatly trying to believe in himself . . . probably wondering how valid this whole soap opera is, and whether or not spiritual flashers help or hurt his cause. now i got one of the songs from "the last temptation of christ" going thru my head . . . soundtrack ala peter gabriel as well. another spiritual flasher . . . who, jesus or peter gabriel? both an arrow pointing at a path to be walked . . . or a voice to listen to . . . or a feeling to behold. the hardest part is opening your heart up to the option. the option to be open. Aunt Angela knelt by the boys' bedside and bowed her head into the comfort of the blankets. "Oh, good and holy Saint Nicholas," she intoned, "you who bring joy to children, and plenty of presents too. It's me again, Angela Cavallo. Look, I know you're busy tonight, but put in my heart the spirit of childhood about which the Gospel speaks. Teach me how to sow happiness around me. Teach Little Dick never ever to touch women again. Teach The Turd to be nice to others, and teach Baby Michael to stop stealing stuff. Even if you must punish each of them with horrible afflictions, that's okay, we'll understand. Amen." "Amen," the boys chimed in together, hoping that tonight, Christmas Eve, would not be the night they broke out with some weird infection. When this mafioso family reunites for a Christmas celebration, things get wacky quickly as headstrong Silvio Cavallo and his unforgettable gay twin brothers become involved in a hilarious hit job gone wrong. Italian Holiday is a comical caper of Italian bluster, dysfunctional family dynamics, and an outlandish tale complete with wine, weapons, and wisecracks. For at least one family, turmoil rather than the serenity of a Norman Rockwell painting may be the real Christmas tradition.

Gordon Smith is well known for giving powerful messages from people's loved ones on the other side. Very often it's not just human friends and family who come through – the animals who have been close to us in life also continue to visit us after death. In this extraordinary book, Gordon recounts some of the remarkable experiences that people have had with animals in the spirit world and in our world. They include moving accounts of dogs who know intuitively when their owners are coming home, pets who saved their owners' lives and animals who have found ways of proving they are still with their families after death. Throughout the book, Gordon shares his own experiences with his springer spaniel 'Cheeky' Charlie, who came into his life unexpectedly, completely overturning it and showing Gordon the beauty of trust, patience and unconditional love. Through these amazing stories, Gordon shows just how deeply animals care for their human families and the profound understanding they have of the world around them. This is a repackage of *The Amazing Power of Animals* (978-1-4019-2325-9)

L. Frank Baum (1856-1919) was an American author chiefly known for his children's books, particularly *The Wonderful Wizard of Oz* which chronicles the adventures of a young farm girl named Dorothy in the magical Land of Oz, after she and her pet dog Toto are swept away from their Kansas home by a cyclone. The novel is one of the best-known stories in American literature and The Library of Congress has declared it "America's greatest and best-loved homegrown fairytale."

Leaving an apprentice unsupervised has never been a good idea. With Esper neglecting her duties as magical teacher, Tiffany takes her education into her own hands. Struggling with self-esteem and credibility with the universe, she resorts to trying a magical performance-enhancing drug. Of course, Esper has problems of her own. Unbeknownst to her, a crack squad of assassins is hot on her trail, and this time they're bringing twice the number of wizard-hunters along. It would be a great time for a fully-trained and capable apprentice to have her back. Wouldn't it? Magic's Little Helper is the eleventh mission of Black Ocean: Mercy for Hire. Set in the Black Ocean Universe, it continues the saga of the galaxy's sweetest bounty hunter and her loyal sidekick (who is NOT a dog!) and introduces a colorful cast for new and returning readers alike. Fans of vigilante justice and heroes who exemplify the word will love this series.
