Two lovers rush toward doom, as an unseen killer stalks the world. A novel of the fourth dimension's conquest of Earth.

A sensational debut thriller from a master storyteller. A KILLER WITH A MESSAGE. Two men have been murdered. Both of them were school bullies when they were younger. Plenty of people would have wanted them dead. A single clue has been found at the scene: a class photo from 1982, with two faces neatly crossed out. A DETECTIVE WHO CAN'T LET GO. Fabian Risk is the lead detective on the case. He's also one of the children in the photograph. As more people die, and more faces are crossed out, it becomes clear that a serial killer is targeting old classmates one by one. Fabian Risk thought he'd left his schooldays behind... Now he must confront his past if he is to find the killer before it's too late. VICTIM WITHOUT A FACE is both a high voltage thriller and a fearless exploration of the darkest side of human nature. To enter Stefan Ahnhem's world, with its interwoven plotlines and sprawling cast of characters, is to put yourself in the hands of a master storyteller. 'Ulysses' is a novel by Irish writer James Joyce. It was first serialised in parts in the American journal 'The Little Review' from March 1918 to December 1920, and then published in its entirety by Sylvia Beach in February 1922, in Paris. 'Ulysses' has survived bowdlerization, legal action and bitter controversy. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. An undisputed modernist classic, its ceaseless verbal inventiveness and astonishingly wide-ranging allusions confirm its standing as an imperishable monument to the human condition. It takes readers into the inner realms of human consciousness using the interior monologue style that came to be called stream of consciousness. In addition to this psychological characteristic, it gives a realistic portrait of the life of ordinary people living in Dublin, Ireland, on June 16, 1904. The novel was the subject of a famous obscenity trial in 1933, but was found by a U.S. district court in New York to be a work of art. The furor over the novel made Joyce a celebrity. In the long run, the work placed him at the forefront of the modern period of the early 1900s when literary works, primarily in the first two decades, explored interior lives and subjective reality in a new idiom, attempting to probe the human psyche in order to understand the human

condition. This richly-allusive novel, revolutionary in its modernistic experimentalism, was hailed as a work of genius by W.B. Yeats, T.S. Eliot and Ernest Hemingway. Scandalously frank, wittily erudite, mercurially eloquent, resourcefully comic and generously humane, 'Ulysses' offers the reader a life-changing experience. Publisher : General Press

This important volume brings together a range of material in different areas of law and the social sciences that address questions concerning the rights of minorities. While reflecting this rich heritage, the works contained in this volume show the extent to which
