

Download File PDF Why Work Sucks And How To Fix It No Schedules Meetings Joke The Simple Change That Can Make Your Job Terrific Cali Ressler

This short book is not a self-help book. It is not a how-to book. This is just me and my husband's story, a story of two unimportant people, important only to ourselves and our loved ones, and how two ordinary people can still stay together even in a day and age where it is easy to move on and quit the hard work of a relationship. This book is also simply what the cover says. It's about marriage from a wife's point of view. It is purely for the enjoyment of the reader, or perhaps for their annoyance. My thoughts on marriage or mainly my thoughts on my own marriage are something you, as the reader may be able to relate to, to laugh at, or to just plain say I know, me too!

Communication Yearbook 36 continues the tradition of publishing state-of-the-discipline literature reviews and essays. Editor Charles T. Salmon presents a volume that is highly international and interdisciplinary in scope, with authors and chapters representing the broad global interests of the International Communication Association. The contents include summaries of communication research programs that represent the most innovative work currently, with internationally renowned scholars serving as respondents to each chapter. Offering a blend of chapters emphasizing timely disciplinary concerns and enduring theoretical questions, this volume will be valuable to scholars throughout communication studies.

Chinese edition of *Then We Came to the End*. Joshua Ferris is the winner of the Barnes and Noble Discover New Writers Award. The book was also nominated for the National Book Awards Fiction 2007. Distributed by Tsai Fong Books, Inc.

Based on more than 40 interviews with Jobs conducted over two years--as well as interviews with more than 100 family members, friends, adversaries, competitors, and colleagues--Isaacson has written a riveting story of the roller-coaster life and searingly intense personality of a creative entrepreneur whose passion for perfection and ferocious drive revolutionized six industries: personal computers, animated movies, music, phones, tablet computing, and digital publishing.

"Kind, realistic, and genuinely helpful...Install a copy on whatever surface is functioning as your desk, and you may even feel a little bit less alone." —The Observer (London) A practical, accessible, and charming guide for finding joy while navigating your professional life working remotely from home—without losing your mind. Like it or not, working alone is now the new normal. The COVID-19 pandemic may have accelerated the process, but the trend is clear—making a living outside the confines of a public workplace is here to stay. For anyone who needs guidance on how to navigate working from a home office—or a home sofa—here is a charming, expert, and genuinely helpful guide to managing a productive career without impromptu hallway conversations or on-call IT support, but with more joy—and, for most of us, better coffee. Written by a dedicated work-from-home expert, Solo culls wisdom from the latest research in psychology, economics, and social science and explores what we gain, or lose, in the shift to solo work. In chapters like "Loneliness and Solitude," "The Power of Planning," and "The Curse of Comparison (and Why Social Media Sucks)," it picks up where the bibles for freelancers stop, offering practical, inspiring, and uniquely reassuring advice culled from a range of influences, from Aesop's fables to medical journals, and explaining what helps us stay resilient, productive, and focused

across the disciplines of organizational studies, ethics and politics.

Traditional Chinese edition of The Story of Beautiful Girl. Julia's life began in an unusual manner. Her mother and father were both institutionalized because of their disabilities. The only crime they committed was to escape. Despite their disability, they too, want to be free. In Traditional Chinese. Annotation copyright Tsai Fong Books, Inc. Distributed by Tsai Fong Books, Inc.

A Humorous Coloring Book: A Great Gift Idea
A UNIQUE COLORING BOOK TO RELIEVE WORK STRESS: COOL DESIGNS AND FUNNY SAYINGS ABOUT WORK AND OFFICE
Do you ever feel overworked and underappreciated? Do you have stupid co-workers and an unreasonable boss? Does your workplace feel like a place you can't wait to get out of? Do you need an outlet for bottled up emotions, rage and stress at workplace? Friends, let's admit it. Work Sucks! Monday morning blues, terrible Tuesdays and hump-day Wednesdays. We are grateful when it comes to our favorite, Friday. Your work may be stressing you out if you have to deal with any of the following: > Long hours, heavy workload and tight deadlines> Frequent changes in your duties and your organization> Boring work and an inadequate work environment> A terrible boss and insensitive co-workers> Lack of proper resources and equipment> Lack of career advancement and growth> Getting paid less than what you really deserve> Unreasonable customers and unreliable suppliers
This could lead to anxiety, discouragement, irritability and feelings of being overwhelmed. So what can we do about it? Thankfully, there is an easier way to deal with all this work stress. Yes, with Work Sucks!: An Adult Coloring Book to Relieve Work Stress you can color away your stress with 40 engaging doodle designs containing humorous comments, funny sayings and sarcastic workplace remarks. This hand-drawn book by Mark Thompson has 40 exclusive and never-seen-before doodle designs with cute, funny characters, alien monster cartoons and extremely funny, sarcastic, humorous sayings like: > I wake up with good attitude every day. Then idiots happen.> You! Off my planet!> I am BUSY now. Can I IGNORE you later?> Well, aren't we a bloody ray of sunshine> Aw, did I step on your poor itty, bitty ego?> I'm out of my mind, but feel free to leave a message.> There is no 'I' in TEAM, but there is definitely a 'U' in DULL> Teamwork is overrated> Never miss a good chance to shut up> This isn't an office. It's HELL with fluorescent lighting.> If Monday had a face, I'd punch it.> You should smile more frequently. The boss likes idiots.> Well, this day was a total waste of make-up> Not Anti-Social. Anti-Idiot.> When did ignorance become a point of view?> I'd like to help you out. Which way did you come in? ...and many more. Simply put, it is one of the most practical and quickest ways to relieve stress, unwind and relax after a hard day's work. You can even share colored pages with your co-workers, pin them up in your office or, if you're feeling brave, present one to your boss. Also, Work Sucks!: An Adult Coloring Book to Relieve Work Stress is a fantastic gift idea for a friend. This book comes with free BONUS PDF pages. Order your copy today!

captivated by hawks since childhood, she'd never before been tempted to train one of the most vicious predators: the goshawk. But in her grief, she saw that the goshawk's fierce and feral anger mirrored her own. Resolving to purchase and raise the deadly creature as a means to cope with her loss, she adopted Mabel and turned to the guidance of The Once and Future King author T. H. White's chronicle The Goshawk to begin her journey into Mabel's world. Projecting herself "in the hawk's wild mind to tame her" tested the limits of Macdonald's humanity.

Introduces the "Results-Only Work Environment" model through which companies can eliminate such workplace challenges as clock-watching, stressful commuting, and meeting inundation by refocusing on business objectives, in a guide that outlines specific strategies for bolstering employee morale and productivity.

Simplified Chinese edition of Rework. Seth Godin, author of the international bestselling marketing Purple Cow that changed the way marketing is performed, says: "Stop reading the review. Buy the book." This small book is filled with common sense - yes, you know them, but the book tells you how to put them into practice. In Simplified Chinese.

Distributed by Tsai Fong Books, Inc.

'New to work? Cut the angst and move on' Can't figure out why your workplace is complex and unfair? Washroom crying sessions and cafeteria rants not helping? They usually don't. But this book might. It asks you to use common sense—and some uncommon, hard-earned wisdom—to navigate the emotional minefield that office can often be in your early years. And it advises you to find your answers in your own beliefs and build a career, not just keep a job.

Are you over-worked, under-paid, and currently experiencing a loss of satisfaction with your current employment situation? Are you tired of the usual grit & grind? Do you wish you could enjoy your work a little more? If you answered "Yes" to any of these questions, then you have arrived at the right place! "Fuck Work, Work Sucks" follows the clever mind of Mr. Al B. Leevinow, Mid-Level Accountant Extraordinaire, as he shares a wealth of knowledge on the many ways that one can improve his or her situation at work. The following are just some of the many topics that are explored by Mr. Leevinow: "How to Avoid Extra Work Assignments", "How to Improve the Way You Waste Time in the Workplace", "Ways to Have More Fun at Work", "Calling out Sick", and "Maximizing your Sick & Vacation Time". Work sucks ... But it's also a fundamental necessity of our lives. So, what are you waiting for? Learn how to take advantage of your work situation before your work situation takes advantage of you!
