

## Wild Pub Walks Camra Pub Walks

Beer Hiking Bavaria combines much of what Bavaria is all about: wonderful hikes through cobbled old towns, dense forests and rugged mountain landscapes, past castles, traditional monastery breweries and lush barley fields. In search of the best beer, the author Rich Carbonara has explored picturesque paths away from the tourist centres and put together his 50 favourites for this practical beer hiking guide. Each hike includes a detailed route description with length, duration, degree of difficulty and elevation profile as well as a well-founded characterisation of the type of beer that awaits you at the end of the day. Welcome to the beer and nature paradise Bavaria!

CAMRA's Good Beer Guide is fully revised and updated each year and features pubs across the United Kingdom that serve the best real ale. Now in its 45th edition, the guide is completely independent, with listings based entirely on evaluation and nomination by CAMRA members. The unique Breweries section contains a full listing of Britain's breweries - from national to micro - with information about their core beers.

Like many others, Nick Corble was confused. Unsure of where his country was going, he decided to get engaged rather than enraged. Using only public footpaths, Diagonal Walking traces a walk along a unique line cut at 45 degrees through the very centre of the county. Starting just north of Liverpool and ending on the south coast of Kent, Nick passed through affluence and austerity. Writing with disarming honesty, he chronicles what he discovered, not only about his fellow countrymen, but also about the state of the nation itself as it faced its greatest challenge for generations. Diagonal Walking is more than simply a long distance walk or another take on Brexit. Determined to reach out to listen to, and learn from, as many voices as possible, Nick planned to involve both the virtual and real world in his trek. As he donned his rucksack for the first time, what he couldn't have foreseen was that the summer of 2018 would be marked by extremes of both weather and politics unseen for at least forty years. Funny and insightful, Diagonal Walking packs a punch, providing the reader with plenty of food for thought, and maybe even the incentive to do something similar.

A lavishly illustrated hardback book celebrating and examining the contribution to British brewing made by its family brewers (IFBB - Independent Family Brewers of Britain). They are the often-overlooked flag bearers for real ale and have fascinating stories to tell of the early days of commercial brewing. Fully-illustrated, with modern and archive photography of the breweries, their pub estates, people and beers, this book will examine the past, the present and the future of these great brewing companies and help to highlight the important part they continue to play in the nation's brewing story and in their local areas.

'An absorbing love letter to the English apple tree...lyrical and joyful' - TLS 'A delightful book' - Sunday Times Shortlisted for the Andr Simon Food and Drink Book Award 2016 A Radio 4 Book of the Week 'Wonderful, revelatory ... very moving' - Sheila Dillon, BBC Radio 4 'His ability to laugh at himself, openness to wonder and willingness to go wherever the search takes him make Brown an engaging writer and The Apple Orchard an entertaining journey' - Mail on Sunday Taking us through the seasons in England's apple-growing heartlands, this magical book uncovers the stories and folklore of our most familiar fruit. 'An orchard is not a field. It's not a forest or a copse. It couldn't occur naturally; it's definitely cultivated. But an orchard doesn't override the natural order: it enhances it, dresses it up. It demonstrates that man and nature together can - just occasionally - create something more beautiful and (literally) more fruitful than either could alone. The vivid brightness of the laden trees, studded with jewels, stirs some deep race memory and makes the heart leap. Here is bounty, and excitement.'

This guide, covering over 20 walks spread across Northumbria, is aimed at parents whose children may not be as keen to go walking as they are. Included are check-lists of things to spot on the walk, along with information on local amenities.

From the founding editor of *The Idler*, the celebrated magazine about the freedom and fine art of doing nothing, comes not simply a book, but an antidote to our work-obsessed culture. In *How to Be Idle*, Tom Hodgkinson presents his learned yet whimsical argument for a new universal standard of living: being happy doing nothing. He covers a whole spectrum of issues affecting the modern idler—sleep, work, pleasure, relationships—while reflecting on the writing of such famous apologists for it as Oscar Wilde, Robert Louis Stevenson, and Nietzsche—all of whom have admitted to doing their very best work in bed.

This is a new edition of English Heritage's widely acclaimed study of that great British institution, the public house. First published in 2004, this was described as the best history of the pub available. Now updated and corrected, it offers a scholarly, yet accessible history of the origins of the pub and its development since medieval times. Alcoholic beverages have long formed a part of British culture and over the centuries the authorities have made strenuous efforts to control the form and operation of public drinking establishments (with varying degrees of success!). The Golden Age of pub-building was at the end of the nineteenth century and many of the finest examples are illustrated here. It was brought about by a combination of forces which are all explored – the influence of the Temperance Movement, competition from rival forms of entertainment, and efforts on the part of magistrates and government to improve the pub stock. The book contains a stunning photographic survey of our pub heritage and lists most of the finest and interesting surviving examples. This new edition also explains the changes that have affected pubs, their culture and appearance during the past seven years.

WILD PUB WALKS. CAMRA's Peak District Pub Walks South East Pub Walks

The Good Beer Guide is the comprehensive resource of the UK's best pubs—from sophisticated city bars to cozy country inns, there is a pub for everyone in this indispensable book. The pubs are all regularly surveyed by CAMRA members so you can rely on this being the most up-to-date and well vetted of all pub guides. Discover the best pubs to visit in towns, cities, and the countryside throughout the UK. For each of the 4,500 pub entries you will find full details of real ale served, as well as details about food, entertainment, family facilities, history, and architecture. The guide also contains a unique expanded Breweries Section which lists every brewery that produces cask beer in the UK.

CAMRA's Good Beer Guide is fully revised and updated each year and features pubs across the United Kingdom that serve the best real ale. Now in its 46th edition, the guide is completely independent, with listings based entirely on evaluation and nomination by CAMRA members. The unique Breweries section contains a full listing of Britain's breweries - from national to micro - with information about their core beers.

An essential book for professionals in the drinks trade, beer festival organizers, and amateurs wishing to serve a decent

pint. This classic explains all you need to know about cellaring and serving real ale, with step-by-step instructions, concise information, illuminating anecdotes, and new content on KeyCask, FastCask, and other recent technologies. "You're never far from a great pub and an excellent pint with the Good Beer Guide to hand. Now in its 45th edition, the fully revised and updated Guide recommends pubs in England, Scotland, Wales, Northern Ireland and offshore islands that serve the best real ale. From country inns through urban style bars to backstreet boozers - if you love pubs, don't leave home without the Good Beer Guide"--Page 4 of cover.

A practical, pocket-sized guide to some of the best pubs and walking routes in the south eastern corner of England. Aimed at both casual walkers and serious hikers, this guide features walks throughout the south east counties that border London, along with details of the region's heritage and special attractions. Each route has been carefully chosen for its inspiring landscape, historic interest, and its beer, with the walks taking travelers on a tour of the best real ale pubs the area has to offer. Full-color maps; detailed information on routes, accommodation, and public transportation; special feature boxes giving detailed insights into fascinating local attractions and history; and pub listings with opening hours and details of draught beers make this the essential guide for anyone wanting to see—and taste—the very best of a stunningly beautiful part of England.

A fascinating insight into two of the brewing greats

The Guardian's "Best Books on Drink" Pick Most people know that wine is created by fermenting pressed grape juice and cider by pressing apples. But although it's the most popular alcoholic drink on the planet, few people know what beer is made of. In lively and witty fashion, *Miracle Brew* dives into traditional beer's four natural ingredients: malted barley, hops, yeast, and water, each of which has an incredible story to tell. From the Lambic breweries of Belgium, where beer is fermented with wild yeasts drawn down from the air around the brewery, to the aquifers below Burton-on-Trent, where the brewing water is rumored to contain life-giving qualities, *Miracle Brew* tells the full story behind the amazing role each of these fantastic four—a grass, a weed, a fungus, and water—has to play. Celebrated U.K. beer writer Pete Brown travels from the surreal madness of drink-sodden hop-blessings in the Czech Republic to Bamberg in the heart of Bavaria, where malt smoked over an open flame creates beer that tastes like liquid bacon. He explores the origins of fermentation, the lost age of hallucinogenic gruit beers, and the evolution of modern hop varieties that now challenge wine grapes in the extent to which they are discussed and revered. Along the way, readers will meet and drink with a cast of characters who reveal the magic of beer and celebrate the joy of drinking it. And almost without noticing we'll learn the naked truth about the world's greatest beverage.

Britain's bestselling travel guide for over 35 years and the only truly independent pub guide of its kind. \*\*\*Featured in the Guardian, the Times and Mail Online and on BBC Radio 4\*\*\* The 38th edition of this much-loved book is as irreplaceable as ever. Christopher Somerville has covered the length and breadth of the UK on foot, and has written and broadcast about its history, landscape, wildlife and people for over 25 years. Now, in this extensive new volume, he selects his top 200 routes from his hugely popular Times column, A Good Walk. More than just a basic guidebook, this is a meditation on our relationship with the landscape and a celebration of all that Britain has to offer. From Cornwall to Shetland via Pembrokeshire and Barrowdale, this is the most comprehensive collection of walks in the United Kingdom available in one book, and features trails to suit all skill levels and references, whether you want a gentle ramble to the pub or something much more challenging. Each of the featured walks contains: \* Detailed description as featured in The Times column \* Postcode and OS grid reference start point \* Instructions on how to get there \* Distance and grade so readers can suit walks to their ability, fitness and mood \* Simple step-by-step walk instructions \* Beautiful colour photograph for each walk \* Full colour, clear and up-to-date map \* Food and accommodation details for the hungry traveller. Featuring stunning photography and using Christopher's trademark wit and lyricism, this is the perfect gift for ramblers anywhere.

Now in its 47th edition, the beer-lovers' bible is fully revised and updated each year to feature recommended pubs across the United Kingdom that serve the best real ale. The GBG is completely independent, with listings based entirely on evaluation by CAMRA members. The unique breweries section lists every brewery--micro, regional and national--that produces real ale in the UK, and their beers. Tasting notes for the beers, compiled by CAMRA-trained tasting teams, are also included. This is the complete book for beer lovers and for anyone wanting to experience the UK's finest pubs.

Brimming with gorgeous photos and witty text, this elegant book celebrates London's most renowned and historic pubs. For centuries the pub has been an essential part of London's cultural and social fabric. This beautifully illustrated book takes readers through the doors of 25 historically and architecturally significant London pubs. Through photographs specially commissioned for this project, readers can explore these institutions--from snob screens to 400-hundred-year-old flagstone floors. Engaging texts highlight what makes each pub so special; their place in London's history, the personalities who have frequented them, the events that occurred inside, and the ways pubs have contributed phrases such as "on the wagon" and "one for the road" to the modern lexicon. This book reveals why The Lamb and Flag in Covent Garden earned the nickname the "Bucket of Blood", and features a pub that Charles Dickens described as a "great rambling queer old place". Furthermore, the book muses over the chances that Casanova paid a visit to The Dog and Duck in Soho, and uncovers the location of Charles De Gaulle's favorite wartime watering hole. These and other amusing anecdotal histories make this fascinating and luxuriously illustrated book a must-have for anyone with a love for the good old London pub.
