Why this word search book? because contain coloring page + word search So do you want to boost your child's learning while providing hours of screen-free entertainment? This book of word search puzzles is the perfect choice. Word Searches are not only a great way to pass the time, but also provide a great exercise for keeping your brain fit. Word searches have been found to boost learning in a number of ways including increased processing speed, improved working memory (both short and long term memory), advancing logical and strategic thinking, expanding vocabulary, strengthening spelling proficiency, as well as providing a creative outlet for problem solving and competition. 500 word search puzzles: The large number of puzzles means hours of screen-free entertainment for your young learner. They are designed specifically for this age group (8-12) and were created by college-educated, native English speakers. Kid-friendly themes and categories with illustrations: Travel, Space, inspirational, Summer, and education... Every puzzle has a different theme and category, which helps develop word association and general language arts skills. Your Kid will absolutely love this new interactive way to help them learn and stimulate their minds. How to Solve the Family Word Search - Children will discover it any time regardless of what they attempt. Occasionally simple word searches are more fun than an intricate, multi-step jigsaw puzzle, which is what makes this activity so wonderful! Your child must find all of the correct words, one after the other, in the family word search puzzle!" This is a good idea for younger kids as it helps with phonics, sight words and spelling. Younger kids tend to forget letters while learning new words. By using the family crossword puzzles for kids you can help with this as the letters are easier to identify.

Word Search Puzzles. This activity is considered by the World Health Organization among those that keep their mind healthy. Solving a word search doesn't keep the child busy only to achieve the final goal, but it contributes to developing many skills (e.g. perseverance, sense of observation, concentration, logical thinking, and visual memory). It also trains the child to learn new words, read better, remember the correct spelling of words, and even write better. This is a challenging activity book to have at home or while traveling, or anytime there's a need for peace and quiet without turning on the laptop, tablet, TV, or smartphone. Buy this word search book now and make your child a great gift today ! Why is this book special compared to others? This word search puzzle book includes: +50 word search puzzles with themes centered on different topics (animals, nature, sports, birds, astronomy, family, etc) Puzzles of different levels of difficulty from beginner to intermediate and advanced level. The level of difficulty results from a combination of the size of the grid, the number of words in the list, the meaning of the words, and the contents of ideas The book is created for kids ages 8 to 12, but smart kids in the first grade can try to solve the puzzles. The book provides enough difficulty for all kids as it progresses and it can keep busy kids of all ages The book contains three general types of puzzles: 1. puzzles asking the kid to contribute to the word list (to find a part or even all the words according to some clues/definitions), and only after that to search for the words in the grid 2. puzzles requiring to find all the words from a given list in a grid filled with letters 3. puzzles asking the child to make correct matches (associations) between two words or ideas in separate lists. All these encourage the child to show off his/her general knowledge and improve it using different information means. Answer keys are at the back of the book. Kids can check the solutions for each puzzle and keep track of their progress After learning how to solve word searching puzzles, kids can make their word search puzzle Several benefits of solving kids word searches: it keeps children focused and challenged, far from electronic gadgets it's a fun and entertaining activity to help mental stimulation it improves memory and logical thinking it challenges kids to learn new words, good spelling, and new word meanings it gives kids confidence in their general knowledge it improves reading and writing it develops skills (e.g. sense of observation, concentration, perseverance) it can become a whole family endeavor, with the adults helping to work the hardest puzzles
