This book contains 20 "Scripture Studies." These studies enable individuals or groups to do in-depth, topical studies of the Bible. They are also invaluable to the Bible study teacher in preparing lessons. This is Volume I of what will be two volumes. This volume covers the essential doctrines of the Christian faith. It is these doctrines that separate the true Christian faith from cultic and other deviations. Included are studies on such essential doctrines as the authority and reliability of the Scriptures, the attributes of God, the Trinity, and forgiveness and salvation. The format is to first present the Scriptural evidence for the author's conservative (or evangelical) viewpoint in one or more studies. Then in one or more following studies, "opposing viewpoints" are presented. Then rebuttals to these opposing viewpoints are given. Included in each study are hundreds of Scripture references. So there will be no lack of material from which to begin your studies.

As Catholics in ever-growing numbers are taking part in Bible studies, many questions arise. How do I study the Bible? Where do I begin? Is it OK to interpret the Bible for ourselves? What Bible should I use? How can I understand such a deep book as the Gospel of St. John? How can I be guided in my studies?

Through clear exposition and application questions, Gilbert helps us rightly understand the book of James, which was written to fortify the connection between genuine faith and heartfelt obedience. Part of the Knowing the Bible series.

The material in A Guide to Old Testament Bible Study has been rewritten many times during 46 years of teaching high school students in Mid-City / Crescent City High School. Those who were never before Bible students began to take an interest in Gods Word because they saw the purpose running through it. Every year, the Holy Spirit used this material to help some become born-again believers. The study contains two major emphases: the history of early man (although not written as a history book, every bit of history in the Bible is true) and the Messiah (the mission of the Messiah promised in Genesis 3:15 is unfolded and developed throughout this study). This book will strengthen your faith in the Bible as Gods Word, and help you to help others. Isaiah 40:8 The grass withereth and the flower fadeth, but the Word of our God shall stand forever. Born in Marlowe, Tennessee, Helen Wilson Driscoll graduated magna cum laude from Carson-Newman College in Jefferson City, Tennessee in 1941, with a B.A. in Greek (4 years of study), including three years of Bible study. In 1944, she graduated

from New Orleans Baptist Theological Seminary with the Master of Theology degree (including three years of Bible study and Greek, and two years of Hebrew). She then served on the seminary faculty, teaching Greek for three years. Married to J. Paul Driscoll in 1948, Mrs. Driscoll helped her husband build the Mid-City / Crescent City Baptist Church, where they served for 58 years. In 1956, they founded the Mid-City / Crescent City Baptist High School, where she served in administration and taught high school Bible classes for 46 years. She has authored two other books, *Around the World in Fifty Days*, and *Gods Redemptive Plan Revealed in the Old Testament*

Otto D. Batty received most of his education from parochial schools. His first nine years were at Bethlehem Christian School in Kennewick, Washington, graduated from Concordia College-High School in Portland, Oregon in 1956. He received his A.A. degree from Columbia Basin College in Pasco, Washington in 1969, and B.A. degree in Education from Pacific Lutheran University in Tacoma, Washington in 1976. Otto majored in Social Studies with a strong emphasis in History. In 1961 while in Wyoming, Otto developed a great love for the Scripture. Over the years, he read 23 different translations and paraphrases of the Bible. He even read the Bible backwards from Revelation to Genesis. When asked why, he simply replied, "Just for fun." However, he wouldn't do it again or recommend it, saying "It was chronologically distracting." Otto has taught many Sunday School classes to both teenagers and adults. This work emerged out of those life experiences. The more Otto read the scripture the more he became excited about what he "discovered." It was quite a surprise to him to learn so many believers had never read the whole Bible through once. Filled with a hunger to encourage others to read and find the "gems" he found in the Scripture, in 1985 he wrote and taught this Bible Study with a twist. The emphasis is on "discovering the gems," not theology or doctrine. It is fast paced, fun, and simple. Its primary purpose; to encourage believers to apply Romans 10:17, "faith comes by hearing and hearing by the Word of God."

It has been 500 years since Martin Luther nailed his Ninety-Five Theses to the door of the All Saints" Church in Wittenberg, Germany. Luther's Theses called for reform of the church and served as the catalyst for the Protestant Reformation. Its impact is still felt today. *To God Alone: 5 Core Beliefs of the Reformation* is a 6-session study for students that relives the work of Luther and other Reformers who challenged the teachings of the Catholic Church. More specifically, this study will examine the five core truths that came out of the Reformation, now referred to as the solas. Group members will explore these essential convictions of the faith and emerge more immersed in the gospel of Jesus Christ. The solas include: Sola Scriptura (By Scripture alone) Sola gratia (By grace alone) Sola fide (Through faith alone) Solus Christus (Through Christ alone) Soli Deo gloria (Glory to God alone) How is the Reformation still relevant today? As political pressure mounts, morality drifts with today's culture, and evangelicalism becomes more and more refined in a post-Christian world, it's even more important to hold the convictions of the great Reformation closer than ever. In short, the solas point us to community as well as identity. As you'll see in this study, they're more than just a bunch of cold Latin terms that academics throw around in church history books. The five solas, like the Reformation itself, are intensely practical. They were the DNA of the Reformation and are still the DNA of the church today. They are grounded in real life, everyday following of Jesus. They're the most important, basic truths you can ever

believe. We stand on the shoulders of Christians in the past, and knowing where we came from will help us keep moving forward. Member Workbook includes a small-group experience for 6 small-group sessions, individual study opportunities for each day of the week, applicable Scripture, "How To Use This Study," and a group discussion guide. Features 6 small-group sessions that include an introductory session and application of the 5 solas Individual study opportunities for continued growth 6-session workbook with group and personal component Benefits Gives students a better understanding of The Reformation's impact on today's world Reveals the weighty importance of the inspired Word of God Helps students grasp the importance of grace and its role in the life of a disciple Contributes to a believer's understanding of biblical and historical depth of faith Students will conclude the group understanding how Christ alone provides all life's answers Shows students how to live life for the glory of God and how this is our biblical mandate About the authors: Kevin DeYoung has been the senior pastor of University Reformed Church since August 2004. When Paul and Silas were in prison in Philippi, they burst into singing. Paul looked at life with a joyful song. He found delight when believers lived in harmony. The theme of this Bible study is Paul's Life-Song. Hear his song in the letter he wrote to Philippi, even while in another prison. Some strains explode with joy, while other stanzas carry a minor melody to encourage or warn

the people he loved. Study his messages and learn how to apply Paul's attitudes regardless of his circumstances. This Bible study is rich with insights into the Hebrew and Greek and covers themes Paul brings from the Old Testament or other New Testament teachings. Dive deeper into those themes by taking important excursions into the background of the topics. This in-depth verse-by-verse investigation is valuable for individuals or groups. Enjoy the commentary while completing the workbook and applying the messages to everyday situations. Determine your timeframe for the study as you discover what the Lord Jesus wants to do in your life through Paul. A short-term, video-enhanced Bible study for all youth by David Platt.

None of us needs to be told about the darkness in our hearts - we know it's there. On top of that, we feel embarrassed and ashamed about our deepest darkest secrets. It's that shame and embarrassment that keeps us from telling anyone that we can't seem to get rid of that perpetual sin - we keep going back to that dark place, again and again. But there is hope! Like all darkness, our habitual sins and addictions can be vanquished by the light! This Bible study and workbook is designed to help men and women look to the light of God's glory and find the darkness of lust vanquished from their lives. This is not just another book on sexual sin. It's a journey toward the light of God's glory through the pages of Scripture. Find a mentor to walk with you on this 7-week journey through daily Bible study and accountability and watch as light vanquishes darkness.

The field of youth ministry is often driven by fads and trends as leaders attempt to reach students by chasing the ever-changing tides of teenage culture. This short-sighted, though often sincere, approach not only produces superficial and misguided disciples, it leaves youth leaders and parents drained and disappointed by the lack of authentic spiritual transformation despite their heartfelt and painstaking efforts. *Student Ministry by the Book* addresses these and other common missteps by providing a concise, yet thorough, Biblical philosophy and practical guide for youth ministry. By establishing a spiritual perspective of a student's identity and exploring the Scriptural precedent for student ministry, the authors refute the culture's view of teenagers that often sabotages the church's approach to discipling them. In addition, this book provides youth leaders and parents with an accessible resource full of useful insights to reach the families of teens, build relationships with students, integrate them within the church, and recruit workers as effective partners in ministry. It also offers helpful direction in

leading youth in the process of spiritual formation and grounding them in the foundational truths of the faith. Student pastors, youth leaders, and parents of teens will all benefit from this thoroughly biblical and practical approach designed as a handbook for starting, strengthening, and sustaining a youth ministry in the local church.

“ . . . Surely, I come quickly.” - Revelation 22:20 When Christ was with His disciples prior to the beginning of the Church at Pentecost, He taught them the great doctrines that they should know and pass on after His death and resurrection. Among those important teachings were the fact that every man and woman are sinners; all need the Savior to be their own Redeemer; and that He, Jesus Christ will come to earth a second time to set up and rule over His earthly Kingdom. For three centuries these were the main teachings of the Church. Then, around 300 A.D., some men opposed many of Christ’s teachings, especially concerning His promise about the coming Kingdom on the earth and caused this great doctrine to be removed from the Church. The coming Millennial Kingdom is the leading subject of the preaching of John the Baptist, Jesus Christ, and the Apostles. It’s teaching embraces a larger portion of Scripture revelation than all other subjects combined! If you’re a Christian, you need to be looking for Christ’s call to you heavenward. He’s “even at the door!” Hopefully, this book will help to get you ready to meet Christ when He calls – and it will be sooner than you think!

The student workbook covers the same people as the teaching activities manual. Each biblical figure has a puzzle for the young person to work with that guarantees that they have the basics of the story down, encouraging them to read about each person. A second page has a short introduction to the character that explains their place in salvation history. This page also contains reflection questions for the young people to consider as they make connections between this biblical figure and their own lives.

The Busy People's Bible Study Plan delivers on the promise of its title. The author understands Christians and our need to connect with our Heavenly Father and anticipates the numerous excuses that we allow to get in the way and prevent us from forging an extraordinary bond with him. Whether it is during a commute, taking a lunch break, or just before turning in for the day, this book will provide you with suggestions and strategies to help you develop a consistent time for meaningful, personal communion opportunity to be with God.

Plumbing the depths of the book of Romans, Wilson explains the biblical text with clarity and passion, helping readers see the history of salvation and the glories of the cross of Christ. The great Christian doctrines are worth thinking through for ourselves. That's why Gordon Lewis has provided this concise and complete survey of the major truths of the Christian faith. But rather than just telling us what he has discovered in Scripture, he offers a theological workbook that helps us explore the evidence itself and to draw our own conclusions. He has organized the material around the main themes of God, Christ, the Holy Spirit, humanity, creation, the church, and the end times. This unique text has been used by students of the Bible over the last three decades in the classroom, in the home and in the church. Its enduring quality continues to make it a valuable tool for all who want to develop a systematic theology for themselves. Of Lewis's six published books, his *Decide for Yourself: A Theological Workbook* has been the most versatile. It has been used in informal neighborhood and college Bible studies, church education classes, youth groups, Bible schools, colleges, and seminaries, and extension courses in theological education. It has been translated into Arabic, Chinese, French, Lithuanian, Spanish and Vietnamese. Chapters 1-3 are updated to interact with the postmodernist views of human language.

'Walking Together: A Congregational Reflection' on Biblical Church Discipline is a study of the biblical concept of church discipline. It seeks to show that church discipline, rightly understood, is a ministry of mercy and grace that will bless churches that return to it. Walking Together reveals that church discipline was a ministry that was very important to earlier believers, and that the modern church has abandoned it to her own detriment. It is a clarion call for individuals and churches to come back to this vital but long-neglected aspect of congregational and personal life. By doing so, churches can be healed and interpersonal relationships can be restored.

The Father's Plan: A Bible Study for Dads encourages men at every age and stage of life to strengthen their relationship with God, building a legacy of faith to leave for future generations.

CAMPUS MINISTRY Introduction This book tells you the needs for a good college ministry. It tells you how to get started and the organization to make it effective. Pastors and religious leaders who work with college students will use this book as their manual. It gives them the Biblical reasons and methods for reaching and ministering to the needs, desires, and bonding friendships of college students and staff. This book was inspired by God. As I was having my daily devotions God laid the thought on my heart for me to write a book about my 45 years of experiences in student campus work. As I started writing the Holy Spirit would lead me to the topics and content that should be included. It has been a real joy of the Lord, as we worked together on this book. This book tells you about God's mission field, and how God is bringing the

mission field to our colleges and universities for us to witness to the future Leaders of the world. This program will meet the basic needs that student's have, of life, salvation, vocation, mate, Christian fellowship, and purpose in life. Dr. Entzminger's books are just what the title implies – "Bible Studies," and not just for reading. The Bible should be opened in the hands of the student and all references carefully studied. Invaluable to preachers, Bible teachers and to all Christian workers. Volumes of letters of highest commendation could be published concerning Dr. Entzminger's work. We give three or four: Luther C. Peak, B.D., Th.M.' L.L.D., says: "... more original truths brought to light in Dr. Entzminger's Studies than anything I have read, than any Commentary or Exposition on the Bible I have ever studied." The late Dr. Fred W. Dyson, Dean of Bible Baptist Seminary, and Director of Personnel, said: "It has been my privilege to read and teach some of the books Dr. Entzminger has written, and I say unreservedly, that I can recommend them wholeheartedly to anybody that loves Bible study. They are sound, scriptural, sane and very suggestive. No preacher or Sunday School teacher or Christian

worker can afford to be without them.” Dr. Oscar Wells, Professor of Theology in Bible Baptist Seminary, says: “I have found his expositions of God’s Word – truly nuggets brought forth from the refiner’s pen.”
