

microfiche updates (April, July, and October 2001) is also available. ISBN 0802049567 \$220.00 NET. (Book). Straight from the pages of Billboard magazine, this amazing resource features every weekly "Hot 100" music chart, from January 1960 through December 1969, reproduced in black and white at about 70% of its original size. Also includes every weekly "Bubbling Under the Hot 100" chart from April, 1961 through 1969! This is the first full-length, modern study of the Diggers or "True Levellers", who were among the most remarkable of the radical groups to emerge during the English Revolution of 1640-60. It was in April 1649 that the Diggers, inspired by the teachings and writings of Gerrard Winstanley, began their occupation of waste land at St. George's Hill in Surrey and called on all poor people to join them or follow their example. Acting at a time of unparalleled political change and heightened millenarian expectation, the Diggers believed that the establishment of an egalitarian, property-less society was imminent. This book should be of interest to all those interested in England's mid-seventeenth-century revolution and in the history of radical movements.
