

World Politics Trend And Transformation 2012 2013 Edition 14th Fourteenth Edition By Kegley Charles W Blanton Shannon L 2012

THE GLOBAL FUTURE: A BRIEF INTRODUCTION TO WORLD POLITICS is a concise overview of the study of world politics, based on the framework of Charles Kegley's best-selling WORLD POLITICS: TREND AND TRANSFORMATION. Written in a way that speaks to students with a wide range of backgrounds and abilities, THE GLOBAL FUTURE provides concepts and analytical tools to help readers understand contemporary events and emerging global trends. Every chapter contains thought-provoking case studies, box inserts with rival views on current controversies, and a marginal glossary, as well as vivid graphs, maps, and photographs. Centering on the latest international developments, THE GLOBAL FUTURE: A BRIEF INTRODUCTION TO WORLD POLITICS encourages students to form their own opinions about the pressing security, economic, and environmental problems of the twenty-first century. WORLD POLITICS: TREND AND TRANSFORMATION is the best selling text in International Relations, because of its trusted balance in coverage and approach, unmatched by any other text for the course. By analyzing both historical and contemporary trends and developments, utilizing theoretical concepts, and weaving in the interactions of global actors, WORLD POLITICS: TREND AND TRANSFORMATION resists the temptation to overly simplify world politics, presenting the material in a thought-provoking yet accessible manner while preparing students to assess the possibilities for the global future and its potential impact on their lives. The major theories scholars use to explain the dynamics underlying international relations-realism, liberalism, and their variants-frame the text. At the same time, this book incorporates the reconstructed theories newly advanced to interpret contemporary developments (such as constructivism and feminist theory) and resists the temptation to oversimplify world politics with a superficial treatment that would mask complexities and distort realities. In addition, major actors and current
