

World Religions In A Nutshell

Explains the basic beliefs, customs, and rituals of twelve different world religions, and includes information about tribal and native religions of Africa, North America, and Australia.

You are on CNN, live. The host leans across to you and asks, What s the major difference between Christianity and the other major religions? They are basically all the same, aren t they? Millions are awaiting your reply. Do you know how you would answer? Most of us are not as prepared as we should be for this all-important task. Discover what almost all religions have in common: By trying to earn their way to Heaven, their followers are robed in works-righteousness. Learn how to gently remove that robe, so those seeking eternal salvation can be clothed in the righteousness that comes only through faith in Jesus Christ. Each religion is discussed according to: It s basic beliefs Testimonies of its followers who turned to Christ Sample witnessing conversation.

Conscience in World Religions is a unique collection of papers which allows the reader to compare and contrast the origins and development of the concept of conscience within different Christian traditions, Judaism, Islam, and Buddhism. The first part of the book, based upon extensive research of the Christian debate of conscience, explores the dynamic relation between authority, revelation, and education for both the individual and the community. It provides the reader with an insight into approaches to and interpretations of sources found within Roman Catholicism, Protestantism, and Orthodoxy. The second part of the text provides an enthralling and scholarly study of the previously relatively unexplored Jewish, Islamic, and Buddhist viewpoints on the concept of conscience. This book is a thought-provoking collection for all those interested in exploring the many facets of this most fascinating of subjects.

In this groundbreaking and exhaustively researched book, David Lundberg convincingly demonstrates that it's the principles that every major faith holds in common--the unifying truths--that have the power and promise to bring us together instead of driving us apart. With over 800 quotations from sacred texts, this inspiring work reveals the simple philosophy that takes shape from those universal truths. These powerful principles, organized in an easy-to-understand way, form the foundation of love, wisdom, personal power, and abundant living. Praised by religious leaders and world peace advocates alike, this award-winning work is an indispensable guide. Regardless of your faith, following these shared principles will enable you to: -Experience higher levels of peace and joy. -Take control of your life and achieve success. -Improve the quality of all your relationships. -Have more love, fulfillment, and meaning in your life. -Rediscover your zest for living. Whether you're a new or seasoned spiritual seeker, churchgoer, world peace advocate, religious scholar or student of comparative religion, this exquisite collection of spiritual teachings will inspire and empower you to enjoy a life of greater love, wisdom, and success. Contains complete source notes, index, and glossary. Winner of several book awards, the book was also a finalist for ForeWord Magazine's Book of the Year Award and the Nautilus Award.

Gathers together material on six of the world's most influential faiths, with readings drawn from a broad range of historical and contemporary sources.

The Religions Book clearly and simply explains all of the important information about the world's major, and many minor, religions, in an easy-to-access format. Using easy-to-follow graphics and artworks, succinct quotations, and thoroughly accessible text, The Religions Book explores the beliefs that underpin religious traditions around the globe and how they developed. From primal beliefs to the world's great faiths

and the continuing quest for spiritual meaning in our complex world, The Religions Book gets to the heart of what it means to believe in God and religion's place in society. The Religions Book includes: - A dedicated section for each of the world's five major faiths - Islam, Christianity, Judaism, Buddhism, and Hinduism - Primal beliefs, ancient and classical mythology, and new religions - Brief biographies and context boxes to give the full historical context of selected religions The clear and concise summaries, graphics, and quotations in The Religions Book will help even the complete novice understand the ideas behind faiths and the place of religion in the world.

Twenty-Five Element International Scholars show how roman catholic theology has grappled with religious pluralism. Catholic Engagement with World Religions outlines, clarifies, and defends official Roman Catholic teaching on the relationship between Christianity and other religious traditions in light of the Catholic belief that "We must hold that the Holy Spirit offers to all the possibility of being made partners, in a way known to God, in the paschal mystery".(Gaudium et Spes, 22) Part I studies the history of these issues while Part II examines their theological framing. Part III addresses Christianity and other religions since Vatican U. Part IV deals specifically with Judaism, Confucianism, Hinduism and Islam as these religions see themselves in relation to Christianity. A final chapter by Bishop Michael Fitzgerald offers a theological reflection on the foundations of interreligious dialogue today. For scholars, students, and practitioners of interreligious encounter, Catholic Engagement with World Religions is necessary and absorbing reading. Karl J. Becker, S.J., and Ilaria Morali teach at the Gregorian University in Rome.

In this indispensable reference tool for parents, students, and pastors alike, Larson analyzes dozens of world religions and spiritual movements from Islam to UFOs, New Age movements to witchcraft. This volume helps address tough questions from a biblical perspective. An essential introduction to eight of the world's major religions. Gerald R. McDermott explains what you need to understand about major world religions in order to engage people of other faiths while better understanding your own Christian faith and practice. McDermott offers an overview of the central beliefs of Christianity, Judaism, Islam, Hinduism, Buddhism, Confucianism, Daoism, and Shinto. Each chapter includes explanations of traditions and rituals. McDermott discusses major figures within each religion. Features include: Insights from members of each religious community Glossary of important terms

* Gives an account of the history, the theological basis, the practice and the current state of the study of religion and religions throughout the world * Combines a clear and non-technical style of presentation with a structure and range of contributions which reflect the richness and complexity of religion itself, of the religions of the world and the study of religions * Comprehensive index, bibliographies and suggestions for further reading `Intriguing philosophical questions are raised about the nature of religion and the qualities needed for studying it.' - Times Higher Education Supplement `Excellent book ... remarkably successful, impressive as much for the sheer scale of the undertaking as for its consistent standard of analysis. It is a fine achievement which will serve both as a very suitable textbook for students and a reliable guide to the state of scholarship in the History and Study of Religions.' - Heythrop Journal

Striving to be the most student-friendly textbook in this field, **WAYS TO THE CENTER: AN INTRODUCTION TO WORLD RELIGIONS**, Seventh Edition, weaves together rich historical, cultural, and theological detail into structural and philosophical sections that analyze each of the world's major religions in terms of its views on nature, society, self, and ultimate reality. The readily accessible text is designed for today's students and places a premium on the development of critical thinking. Combining both historical and systematic analyses, the book takes as its focus the theme of personal centeredness--a primary goal of each featured religion. Also issued in two separate volumes under titles: Scriptures of the East and Scriptures of the West.

Why has the reality of other religions become a big problem for Christianity? In the past, Christianity has been able to largely ignore other religions but in recent decades, not just the reality, but the vitality of other religions has become a challenge. This accessible book tackles a number of questions arising from these changes: is belonging to one religion rather than another merely a matter of cultural preference?; is salvation the same among all religions?; and what can be learned from other religions? Considering wider issues of how modernity has defined “religion,” Gavin D’Costa provides a substantial critique of secular ways of controlling religions, and shows how Christianity is very well suited to deal with religious plurality at the doctrinal and social level. The book makes a decisive contribution to debates about the clash between Islam and the West, arguing that the major threat to religious freedoms come from secularism, and that Islam and Christianity both have the resources to develop a vibrant and pluralist “public square” informed by intellectual debate. By engaging with the core questions and suggesting a pathway through the various answers that have been proposed in recent years, this is an ideal introduction to the field, and one which will help stimulate ideas and discussions.

A new and expanded edition of a highly successful textbook on world religions with a comparative approach which explores how six major religions are lived and expressed through their customs, rituals and everyday practices. A new edition of this major textbook, exploring the world's great religions through their customs, rituals and everyday practices by focusing on the 'lived experience' This comparative study is enriched and broadened with the inclusion of a sixth religion, Daoism Takes a thematic, comparative and practical approach; each chapter explores a series of key themes including birth, death, ethics, and worship across all six religions at each time Broadens students' understanding by offering an impartial discussion of the similarities and differences between each religion Includes an increased range of student-friendly features, designed to allow students to engage with each religion and extend their understanding

This book focuses upon those religions that continue to demand the attention of the Western world.

Religions in today’s culture seem to be multiplying. Have you ever wondered why certain religions believe and practice what they do? Or how they view the Bible? This volume delves into these and other engaging questions, such as: How can a Christian witness to people in these religions? Do these other religions believe in creation and a Creator? How do we deal with these religions from a biblical authority perspective? Many religions and cults discussed in this first volume openly affirm that the Bible is true, but then something gets in their way. And there is a common factor every time—man’s fallible opinions. In one way or another the Bible gets demoted, reinterpreted, or completely ignored. Man’s ideas are used to throw the Bible’s clear teaching out the window while false teachings are promoted. This book is a must for laymen, church leaders, teachers, and students to understand the trends in our culture and around the world where certain religions dominate, helping you discern truth and guard your faith. When you understand a religion’s origins and teachings, you are in a better position to know how to proclaim the gospel of Jesus Christ as you take the good news to those in false religions.

Introduction to the spiritual pathways of the major world religions, exploring the core beliefs, values and practices of each tradition. An illustrated introduction to comparative religion, discussing Judaism, Christianity, Islam, Hinduism, Buddhism, Confucianism, and Taoism.

Studying world religions is an intellectual challenge coupled with an emotional endeavor to grow in sensitivity to the mystery of human nature. Teaching world religions requires an openness to new languages, cultures and beliefs. By exploring the history of

Each chapter includes these elements: summaries of the primary source readings from the student book an activity to help you guide students through each of the readings additional activities to further explore the issues suggestions for prayer related to the chapter topic action ideas related to the chapter topic

Presenting both the histories and the prevalent worldviews of the major world religions, Matthews's *WORLD RELIGIONS*, Seventh Edition, methodically introduces students to the richness and diversity of these traditions. The Worldview sections in particular make this the most helpful textbook for comparative analyses of the religions. In these sections, students can see how the different religions approach a common set of ten themes that are fundamental to all traditions, including the nature of the Absolute, the place of humans in the world, rituals and symbols, and the prospects for life after death. Furthermore, this text combines insightful, engaging prose with maps, photographs, timelines, excerpts from sacred texts, and other helpful pedagogical aids that provide a comprehensive yet accessible survey of world religions. Warren Matthews's thoughtful and balanced approach depicts the unique traditions and perspectives of diverse world religions with objectivity and respect. The Subcommittee on the Catechism (formerly the Ad Hoc Committee to Oversee the Use of the Catechism), has judged that the text falls outside the scope of the types of materials they review for conformity to the Catechism.* The third edition of this highly acclaimed text continues to help young people unlock the doors to 11 of the world's major religious traditions. Updated references highlighting recent events in the history of the traditions, 50 new images, and revised chapter on Sikhism help eleventh and twelfth graders understand the people, dimensions, and religious principles of the world's major religions. *The Subcommittee on the Catechism reviews only materials which are catechetical in nature and which teach the beliefs, practices, and doctrine of the Catholic Faith. *World Religions* falls outside the scope of the types of materials the Committee reviews. This text outlines the basic beliefs and practices of the major religions of the world, taking a comparative approach, as do most texts on this topic, to identify the distinctive elements of the various religions.

Grand in its sweep, this survey of the sacred writings of the major religions of the world offers a thoughtful introduction to the ideas and beliefs upon which great faiths are built. Under the expert guidance of John Bowker, a religious scholar and author of international stature, readers explore the key texts of Jewish, Christian, Muslim, Hindu, Jain, Sikh, Buddhist, Parsi, Confucian, Daoist, and Shinto traditions. The author discusses some 400 books, among them such well-known sacred texts as the Bible and the Quran, but also spiritual writings by theologians, philosophers, poets, and others. Bowker provides clear and illuminating commentary on each text, describing the content and core tenets of the work and quoting pertinent passages. He also sets the

Read Online World Religions In A Nutshell

writings in religious and historical contexts, showing how they have influenced—and in many cases continue to influence—artistic, musical, literary, and political traditions. *The Message and the Book* is essential reading for anyone who wishes to understand the meaning and the deep significance of primary religious texts of civilizations around the globe.

Globalization and high-speed communication put twenty-first century people in contact with adherents to a wide variety of world religions, but usually, valuable knowledge of these other traditions is limited at best. On the one hand, religious stereotypes abound, hampering a serious exploration of unfamiliar philosophies and practices. On the other hand, the popular idea that all religions lead to the same God or the same moral life fails to account for the distinctive origins and radically different teachings found across the world's many religions. *Understanding World Religions* presents religion as a complex and intriguing matrix of history, philosophy, culture, beliefs, and practices. Hexham believes that a certain degree of objectivity and critique is inherent in the study of religion, and he guides readers in responsible ways of carrying this out. Of particular importance is Hexham's decision to explore African religions, which have frequently been absent from major religion texts. He surveys these in addition to varieties of Hinduism, Buddhism, Judaism, Christianity, and Islam.

World Religions in a Nutshell Bridge Logos Foundation

An easy-to-use and comprehensive guide that explores the intriguing dogma and rituals, cultural convictions, and often-checkered backgrounds and histories of the world's religions.

This magisterial Norton Anthology, edited by world-renowned scholars, offers a portable library of more than 1,000 primary texts from the world's major religions. To help readers encounter strikingly unfamiliar texts with pleasure; accessible introductions, headnotes, annotations, pronouncing glossaries, maps, illustrations and chronologies are provided. For readers of any religion or none, *The Norton Anthology of World Religions* opens new worlds that, as Miles writes, invite us "to see others with a measure of openness, empathy, and good will..."

Unprecedented in scope and approach, *The Norton Anthology of World Religions: Christianity* brings together over 150 texts from the Apostolic Era to the New Millennium. The volume features Jack Miles's illuminating General Introduction—"How the West Learned to Compare Religions"—as well as Lawrence S. Cunningham's "The Words and

the Word Made Flesh,” a lively primer on the history and core tenets of Christianity.

To live in a global society and make sense of world events requires more than a cursory understanding of world religions and the roles they play. This fascinating, in-depth, academic study of the five major religions focuses on each group's response to some of the most critical social issues of our time: ecology, peace, and women's rights. The author also highlights individual religious "heroes" and provides links to numerous digital sources for further research, making this a particularly timely and personalized approach to the study of world religions and their far-reaching impact at every level of society. Book jacket.

Discusses Hinduism, Judaism, Buddhism, Christianity, Islam, Sikhism, and other religions past and present, and includes a time chart and a compilation of religious sayings.

A comprehensive and accessible textbook which explores the traditions and beliefs of the world's living religions – the fully updated and revised new edition *The World Religions Reader* is an inclusive, student-friendly examination of the history, teaching, practices, and appeal of the world's major religions. Covering both the fundamentals and complexities of each religious tradition, this popular textbook brings together significant texts from scriptures and scholars, as well as writings from philosophers and other significant thinkers throughout history. Students are provided with an introduction and overview of the tradition, taken through its primary texts, and presented with a text which seeks to persuade the student of the tradition's merits. This new edition has been thoroughly updated to be even more accessible for students new to interreligious engagement and to reflect current trends and developments in religions worldwide. Every chapter opens with a substantial overview which orients the new student and then flows into a carefully chosen set of texts - a regular textbook is now combined with a Reader. New content examines areas such as the Rastafarian tradition, while revised chapters cover secular humanism and indigenous and emerging religious traditions. The methodology of the book focuses on an empathetic approach – representing each tradition from the perspective of a conventional adherent – enabling students to develop understanding of each tradition and appreciate similarities and differences in their most typical forms. Invites students to study each tradition from the perspective of a follower, aiming to understand why the tradition is popular and powerful Explores representative passages, world-views, rituals and institutions, ethical expressions and modern outlooks for each religion Features discussions of interfaith perspectives on the role of women in religious traditions and the impact of world events and politics on interfaith communication Encourages students to consider questions of truth, the relation of religion and society, and the changing nature of a tradition in the modern world Includes a complete set of pedagogical tools and instructor resources, including end-of-chapter fact sheets, topic
