Www Vidyagyan In School Uttar Pradesh Hindi English

Nearly 95% of people fail in their life and struggle for success. This book is going to teach you how to get 100% success in you life and make your career best. This is an extract of my teaching in colleges and institutions. The language used is simple and easy. Plenty of live examples and pictures have been added to understand the things in depth.

"Billionaires are a unique fraternity and bread of humans that have excelled in the workforce more productive and creative than the successful entrepreneur, where timing in business supersedes talent and determination, persistence and sheer guts have shadowed and outreached college degrees." Currently, there are over 2300 billionaires on planet Earth and growing each and every year. These individuals think and act differently thus resulting in extreme capital collections along with owning about 30% of the sports teams and massive collections of art, sacred writings, and toys. The category of women Billionaires seems to be growing fast in the USA, China, and Hong Kong, where most of the world's billionaires operate in the workforce. Although there may only be a handful of Super-Billionaires who amassed over \$50 Billion Dollars, the playing field is open in the future for many newcomers. What makes them different? What can we learn? Who's next? Study the habits of, "Billionaires On Planet Earth" from 120 of the most successful. They are thrifty and consider basic cost. They are continuing a constant quest for learning the latest information. They know the value of exercise and smart food to secure wellness. They understand the value of rest, meditation and prayer. They start their day early and have a plan ready for action. They see things differently and act on them. They don't understand, "No" as an answer. They are always possibility thinkers and then doers of action. They have learned, the more you give, the more you get in the realm of tithing, philanthropy and just old fashion basic giving back.
