The pinnacle of the Godfather of Entrepreneurship has sold more than 2 million copies, helping countless entrepreneurs to successfully start their own businesses! Different from ordinary entrepreneurial books, this book not only teaches the method, but also teaches the mind of entrepreneurship! You don't need a degree in management, and you can operate smoothly from a one-person company to a corporate organization as suggested in this book! If you read this book first, and then start your own business, you will do better than others! Open a company, open a store, set up a studio, this book is all applicable, let your business go long! Why is it so important to start a business? Camp Green Lake, a juvenile detention facility where there is no lake, and there are no happy campers. In place of what used to be "the largest lake in Texas" is now a dry, flat, sunburned wasteland, pocked with countless identical holes dug by boys improving their character. Stanley Yelnats, of palindromic name and ill-fated pedigree, has landed at Camp Green Lake because it seemed a better option than jail. No matter that his conviction was all a case of mistaken identity, the Yelnats family has become accustomed to a long history of bad luck.

Want to make sure that you're getting the most out of Xero? Well, you'll need to make sure that you aren't making any of these common (and often expensive) Xero mistakes.
