

## Youcat Bible

What emerges in this second book of the trilogy is that the very “ground” and content of experience is richer than what can be reduced to a particular account of it. As such, dialogue develops from the “natural” diversity of what is “of” faith and what is “of” reason. Neither faith nor reason, however, originates “from” experience; rather, both are “witnessed” in experience. In other words, taking up questions about the nature of man, whether philosophically, psychologically or in terms of social structures, manifests both a variety of points of departure and, at the same time, the manifold conversations that are possible in the “field of culture”. Focusing particularly on the work of St. John Paul II, the first essay examines the answer of reason and the answer of faith to the same question: What is man? Conversion, too, entails an “unexpected” relationship to natural truth, which, in its own way, is both adequate and inadequate to salvation. Communication, as it were, runs throughout these essays; however, in particular, there is a need to enrich our human understanding of the process of “coming to ourselves” with the insights of spiritual discernment. Axiomatically, however, it is possible to say that just as we come to exist through a relationship to others, so our healing and holiness are manifest through our relationship to others in the “Other”. Furthermore, while it is ultimately true that we exist as individually rooted in the social structure of our origin and the times in which we live, we need to critically participate in the dialogue which identifies our common “reality” and not live our lives covered in “psycho-social” labels of one kind or another. As a whole, then, there is an incomparable range and depth to “dialogue”. Indeed, given the many critical situations in the world, it is increasingly indispensable and essential that humanity choose the incredible wealth of dialogue in contrast to the possibility of a “polarised” and “conflictual” structure between people and peoples.

A critical contrast to Youcat. Without a foreword by the pope. In 2011, the German edition of the Catholic catechism for young people, Youcat, was published in question and answer form. Printed as an easily manageable volume with bright pictures and a foreword by Benedict XVI, Youcat has probably been the biggest publishing campaign of the Catholic Church in years. By now, the book has been translated into 72 languages, and more than 5 million copies have been sold. The comprehensive attempt to obtain a firm foothold in the thinking and personality of children and adolescents, to attract them to a dubious set of dogmas with absurd teachings made Heinz-Werner Kubitza write his book. Its title alone may seem provocative. Must we really speak of seduction? To each of the 165 questions of Youcat the author gives a reasonably rational answer, not in a humorless way, but in a quite ironic manner. From question to question he shows that many statements in Youcat are nothing but dubious, and that the Church that provides them shows many characteristics of a religious ideology unacceptable in a pluralistic and open society. Linked with the powerful propaganda machinery set in motion by the Catholic Church to spread its catechism for youth, this justifies the speaking not of promotion but of mental or spiritual seduction printed in large numbers.

This newest book in the very popular Vision Books series of saint's lives for young people presents the inspiring story of the first married couple ever canonized together in the Church, Louis and Zélie Martin, who lived in the late 1800s and early 1900s. It tells about their beautiful family of nine children, that includes the most popular saint of modern times, St. Therese of Lisieux. Louis, a successful watchmaker, was a happy bachelor and intended to remain one. Zélie, who had wanted to become a religious sister, became an expert lace maker and started her own company. Then one day they met, and everything changed for them. They fell in love, married, and raised a large and very happy family. While their main focus and devotion was on their marriage, children, and their Catholic faith, Louis and Zélie were able to continue their professions as a watchmaker and lace maker. The Martin household was full of love and joy, even amidst many sorrows and challenges, and they always showed great charity toward their neighbor and anyone in need. The secret to their happiness was an unflinching love made possible by their boundless faith in God. All the challenges the Martins faced, great and small, were met with a profound trust in Divine Providence.

Michael James Reed gives all glory to the Lord in this passionate plea to all people of his former religion, Roman Catholicism, to come to the knowledge of God's Word over what he demonstrates is the word of men, Roman catechism. Although Michael targets Roman Catholics, Come Out of Her, My People is truly essential reading for Evangelicals as well due to its wealth of biblical information and doctrinal insight. The Protestant churches of the world have been beguiled into accepting many of Rome's errors, and Come Out is a stark reminder to all who consider themselves biblical to not be unequally yoked to such an institution. Ultimately, Michael has done a masterful job of lifting the veil of Christianity that the pagan church of Rome has been hiding under since the Edict of Milan in AD 313. He has also exposed one of Rome's leading apologists, Karl Keating, as a false teacher who gave demonstrably false information to his readers in order to lead them away from biblical truth. Furthermore, Michael's stunning, new revelations of Mystery Babylon give new light to that false end-time church all Christians should be aware of. Michael asks all Roman Catholics to search the Scriptures for themselves in order to truly know their Lord and Savior Jesus Christ. For the name of Jesus is above every other name and the only name by which we are to be saved. From the man or woman on the street to the most highly esteemed theologian, all who read this book will come away with at least some new knowledge of God. Michael has put his heart into this work to bring the knowledge of Jesus Christ to his people, Roman Catholics, and warn them of the road on which they are traveling.
